## Error in Table

In the original publication [1], there is an error in Table 9. The Lower Limit of Laser Speed should be 1000 mm/s, not 100 mm/s. The corrected “Table 9” appears below.

**Table 9.** Criteria constraints.

Name	Goal	Lower Limit	Upper Limit
A: Tooth Height	in range	1 mm	4 mm
B: Tooth Top Length	in range	0.05 mm	0.3 mm
C: X, Y Hatching	in range	0.5 mm	2.5 mm
D: Laser Speed	in range	1000 mm/s	1800 mm/s
Support Volume	minimize	1 (normalised)	5 (normalised)
Support Removal	minimize	Condition 1	Condition 2
Warping Deformation	minimize	0.13 mm	1.5 mm

## Error in Figure

In the original publication [1], there was a mistake in “Figure 12” as published. The value “1.13” in the warping deformation chart should be replaced with the value “0.13”. The corrected “Figure 12” appears below.

**Figure 12.** Graphical representation of the selected optimal solutions for 0°, 22.5°, and 45° overhangs.

---

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
