

A detailed topographic map of the Sierra Nevada region, showing the mountain range, major cities, and surrounding areas. The map includes a coordinate grid and a scale bar. The map shows the Sierra Nevada mountain range, with major peaks like Mount Whitney and Mount Russell. It also shows the surrounding areas, including the Central Valley and the Sacramento Valley. The map includes a coordinate grid and a scale bar. The map is titled "Sierra Nevada" and "Central Valley". The map shows the following features:

- Mount Whitney (14,505 ft)
- Mount Russell (14,092 ft)
- Mount Shasta (14,548 ft)
- Mount Lassen (10,641 ft)
- Mount Tehama (11,383 ft)
- Mount Lassen Volcanic National Park
- Sierra National Forest
- Sierra National Monument
- Sierra National Preserve
- Sierra National Recreation Area
- Sierra National Scenic Area
- Sierra National Historic District
- Sierra National Historic Landmark
- Sierra National Historic Site
- Sierra National Historic Trail
- Sierra National Historic Road
- Sierra National Historic Bridge
- Sierra National Historic Building
- Sierra National Historic Park
- Sierra National Historic Monument
- Sierra National Historic Preserve
- Sierra National Historic Recreation Area
- Sierra National Historic Scenic Area
- Sierra National Historic District
- Sierra National Historic Landmark
- Sierra National Historic Site
- Sierra National Historic Trail
- Sierra National Historic Road
- Sierra National Historic Bridge
- Sierra National Historic Building
- Sierra National Historic Park
- Sierra National Historic Monument
- Sierra National Historic Preserve
- Sierra National Historic Recreation Area
- Sierra National Historic Scenic Area
