Skripsi S1 ini berjudul **KORELASI ANTARA PERAN ORANG TUA TERHADAP ANAK DAN KETERLIBATAN OMK DI GEREJA SANTO KRISTOFORUS BANYUTEMUMPANG**. Orang tua menjadi salah satu bagian terpenting dalam anak. Orang tua juga diminta agar dapat mengerti dan memahami anaknya dengan baik, sehingga orang tua memiliki peran dalam kehidupan sang anak. Peran orang tua tertulis dan terinci dalam dokumen-dokumen Gereja Katolik seperti pada dokumen Katekismus Gereja Katolik, orang tua harus menghayati cinta Kristus dalam setiap perjuangan hidup keluarga. Dalam *Gaudium et Spes* dijelaskan bahwa orang tua harus menjaga nilai luhur status kesucian perkawinan dan dalam *Familiaris Consortio* keluarga harus memiliki aspek positif yang menandakan karya penyelamatan Kristus. Dekrit *Aposolicam Actuositatem* orang tua menjadi saksi iman bagi anaknya, dalam Dekrit *Intermirifica* orang tua berperan menjaga komunikasi kepada anak agar tepat, dan *Dignitatis Humane* menyatakan orang tua berhak mengatur hidup dan pengakuan iman anaknya.

Orang tua juga memiliki peran penting pada anak yaitu sebagai pendidik anak, pemberi nafkah, pembimbing, pemimpin, penasehat, sahabat, penasehat dan pelindung. Dalam skripsi ini juga menjelaskan tentang pengertian orang muda katolik, ciri orang muda katolik dan bentuk keterlibatan orang muda katolik.

Penelitian ini bertujuan untuk mengetahui korelasi peran orang tua pada anak dalam keterlibatan di OMK. Jenis penelitian ini adalah penelitian kuantitatif yang dilakukan pada bulan Juni-Juli 2022. Populasi penelitian ini adalah orang tua dan anak OMK di Paroki Santo Kristoforus Banyutemumpang. Sampel penelitian berjumlah 80 orang yang diambil dengan teknik *sampling* jenuh. Data dikumpulkan dengan kuesioner dan dianalisis dengan *Product Moment*. Hasil penelitian menunjukkan bahwa tidak ada hubungan positif pada peran orang tua dengan keterlibatan anak di OMK (nilai sig. (1-tailed) = 0,318 dan Pearson Correlation = 0,077)

Kata Kunci: Peran Orang Tua, Gereja, OMK, Keterlibatan.

ABSTRACT

**CORRELATION BETWEEN THE ROLE OF PARENTS TO CHILDREN
AND OMK INVOLVEMENT**

AT THE CHURCH OF SANTO CHRISTOPHORUS, BANYUTEMUMPANG

This undergraduate thesis is entitled CORRELATION BETWEEN THE ROLES OF PARENTS TOWARDS CHILDREN AND YOUNG CATHOLIC'S INVOLVEMENT IN SAINT CHRISTOPHER BANYUTEMUMPANG CHURCH. Parents become one of the most important influences on their children. Parents are also expected to know and understand their children in order to acknowledge their role in their children's lives. The role of parents has been written about and detailed in Catholic Church documents such as the Catechism.

*In the Catholic Church, parents must demonstrate Christ's love in every family struggle. In *Gaudium et Spes*, it is explained that parents must maintain noble values such as marital chastity. In *Familiaris Consortio*, the family must have a positive aspect that represents Christ's saving work. In the *Apostolicam Actuositatem* Decree, the parents become witnesses of faith for their children; in the *Intermirifica* Decree, parents play a guarding role and communicate with children appropriately; and *Dignitatis Humane* states that parents have the right to govern the life and confession of their sons' faith.*

Parents also have an essential role in children, namely as educators of children, provider, mentor, leader, adviser, friend, and protector. This thesis also explains the meaning of young Catholics and the characteristics of young Catholic and the involvement of young Catholics. This study aims to determine the correlation between the role of parents in children's involvement in OMK. This type of research is quantitative research conducted on June-July 2022. The population for this study was the parents and children of OMK at Saint Christopher Banyutemumpang Parish Church. The research sample consisted of 80 people who were taken by the saturated sampling technique. Data were collected by questionnaire and analyzed by Product Moment. The study's findings indicate that there is no positive relationship between the role of parents and child involvement in OMK (sig. grade (1-tailed) = 0.318 and Pearson Correlation = 0.077)

Keywords: Role of Parents, Church, OMK, Involvement.
