Mr. Clary  
c/o Senator Claiborne Pell  
United States Senate  
Washington, D. C. - 20510

Dear Mr. Clary:

Sometime ago, Mrs. Dita Naylor-Leyland, a member of our Board of Trustees, suggested that we inform you of any grant requests that we might submit to NEA, NEH or IMS.

We have not done this to any extent in the past, but anticipate that it will become increasingly necessary for us to do so in the future. In fact, we have just hired a Director of Development whose job will involve this activity.

While awaiting the arrival of this new staff member, we did apply for an IMS grant for operational funds. Increasing costs due to inflation and an increased need for maintenance as our facilities grow older have made it essential for us to seek such assistance. A copy of our proposal is enclosed for your information.

Any assistance that your office can provide will be greatly appreciated.

Sincerely,

OLD WESTBURY GARDENS, INC.
