July 20, 1981

The Honorable Claiborne Pell  
United States Senate

Dear Senator Pell:

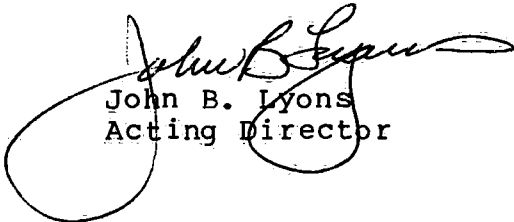

Thank you for your letter to the Institute of Museum Services supporting the grant application of the Warwick Museum.

Please be assured that every possible consideration will be given to your constituent's application. The Institute received over 1300 applications for the \$12.3 million grant funds available for 1981. The applications are currently being reviewed, and grant awards will be announced in September.

Our Congressional Liaison Office will notify you of successful applicants in your district prior to the public announcement of awards.

If I can be of further assistance, please let me know.

Very truly yours,

  
John B. Lyons
