Dear Mr. Rabin:

I am writing you to express my strong support for a grant application (H-30415) submitted by Salve Regina College of Newport, Rhode Island.

The application, which has been submitted for the second time by the College, requests funds to develop a series of television documentaries dealing with the cultural history of the Greater Antilles.

It is a very carefully thought out project on a subject worthy of further study, which I sincerely hope will be acted favorably on this time around. I would appreciate your getting back to me as soon as possible with a full report as to the current status of this application. I would also like to be kept informed as this proposal passes through the review process.

Thank you for your attention to this matter.

Ever sincerely,

Clairborne Hill
Chairman
Committee on Education,
Arts, and Humanities
