## Success Story

Robert J. Bonner, Bryant '31, was elected President of the Society for Advancement of Management, Providence Chapter, at their annual meeting held last week. Mr. Bonner, an executive of the Cranston Print Works, was formerly President of the **Providence** Chapter of the National Association of Cost Accountants.

## Notice of Appreciation

Mike Ruggieri, President of the Greek Letter Council, wishes to express his appreciation on behalf of all the fraternities and sororities to Dave DiRosa, campus representative for Campus Merchandising Bureau, Inc., because of his recent contribution of Chesterfield cigarettes to the organizations at their pledgee smokers.

# Your Genie Fund Dance In Gym, June 29 Brevities and Stunt Night Play to Packed House

## **Huge Crowd Thoroughly Enjoys Brevities and Stunt Night Antics** By JOAN TODD

The audience is seated, the Orchestra playing, the stagehand's and performers alert-everyone eagerly awaiting the opening of a gala evening. Then-a burst of applause as the Bryant Stardusters strike up "There's No Business Like Show Business" and the aisles suddenly become filled with musical Bryantites singing the introduction to the Bryant Brevities of 19551

This wasn't just another nightthis was the night of the Brevities and Stunt Night combined. And what could make for a more enjoyable evening than these two rolled into one big star-studded show?

Lots of credit goes to Fred Gafner and Art Blum who really did a tremendous job as Master (s) of Ceremonies, and who, with their witty comments and various antics really kept the show rolling.

The spirit of co-operation and of participation in both the Specialties and the Skits was really outstanding. The audience, sensing this spirit, could not help but be one of the most receptive audiences Bryant performers have ever "played to."

The program for this "big event" was as follows:

- 1. Show Business-Glee Club.
- 2. Show Girls' Patter.
- 3. Cover Girls' Patter.
- 4. Introduction to Brevities -Fred Gafner.
- 5. Bryant Haircuts "Gone Crazy" - pantomime. Kenny Adler, Howie Chate, and Milt Burg.
- 6. Trumpet solo, "Cherry Pink and Apple Blossom White"-Ruby Johnson.
- 7. Vocal Solo, "Unchained Melody"-Jim Devoe.
- 8. Skit-Alpha Phi Kappa, Kappa Tau.
- Vocal Solo, "Showboat Medley"-Lonnie Modica.

- 11. Vocal Solo, "Melody of Love" -Nick Facaris. Exhibition Waltz-Bob Thibeault, Joan Todd.
- 12. Skit-Sigma Iota Beta, Beta Iota Beta.
- 13. Piano Duet-"Maleguana"-Dottie Ann Kingsford, Pam Mallett.
- 14. Charleston Glee Club and Masquers,
- 15. Skit-Phi Upsilon, Chi Gamma Iota.
- 16. Set, South American Dances Bob Thibeault, Daisy Jaeckel. 17. "Tennessee Waltz" - panto-
- mime-Kenny Adler, Howie Chate.

## INTERMISSION

- 1. Quintette-"Blue Moon". 2. Vocal Solo-"Over The Rainbow"-Jane Price.
- 3. Skit-Sigma Lambda Theta, Beta Sigma Chi.
- 4. Vocal Duct Mrs. Appleby, Mr. McCabe.
- 5. "Easter Parade"-Glee Club and Masquers - song and dance routine.
- 6. Vocal Solo-"So In Love"-Bob Forrest.
- 7. Skit-Sigma Iota Chi-Phi Sigma Nu. 8. Can-Can - "Cookie" Fitz-
- gerald, Don Esmay, Art Blum. 9. Skit - Kappa Delta Kappa, Tau Epsilon.

Dr. Paul S. Lomax, speaker at the Sixth Annual Business Teachers Institute at Bryant, May 25, chats with teacher training students at "Coffee Hour" in his honor at Salisbury Hall. Dr. Lomax is a trustee of Bryant College.

## **Bryant Debating Team Awarded** Decision Over R.I.C.E. Team

The Bryant College debating team met the debating team of the Rhode Island College of Education on May 23 at R.I.C.E. The Bryant team consisted of Messrs. Herbert Haapanen and Lowell Hanson.

The topic of debate was, "Reselved, the United States Should Recognize Red China." This topic is the same as the one that has been debated all year by debating teams from colleges all over the country. This topic was chosen as it represents an important and controversial issue.

The RICE team consisted of two girls from the college. It might be added that they too were novices in the art of debate. The judge was a debate teacher from a near-by high school.

### The Bryant case was that of the

without experience. The decision was given to Bryant on the basis of better all-round debating. In the sixty-minute debate,

RICE maintained that if the United States recognized Communist China, it would

- 1. Add prestige to the Communists.
- 2. The United States would lose prestige in the eyes of the people of Asia.
- 3. Conditions other than de facto government should be used in extending recogni-

# **1955 Genie Fund Committee** Sets Sight on New Record

The time has come for every student at Bryant to afford a fellow student an opportunity to attend graduate school through the Genie Fund.

In past semesters, money was raised for the Genie Fund through class collections. This year, however, Chairman Al Hillis has announced that this method of collection will be dispensed with; and, instead, a school-wide dance will be held in the gym on the night of June 29, with 25 valuable door fits of the fund, all you have to do

prizes. The "Star Dusters" will provide the music for the evening.

Tickets for this dance will be 50¢ apiece and will make the holders eligible for the valuable prizes, which will be donated by businessmen in the Providence area. Winners of prizes do not have to be present to win. The usual Wednesday night movies will precede the dance.

For the benefit of the newer stuof o don't know what the der . and is, here is the lowdown, During July, 1952, the Class of '52 decided that a living memorial would make the best class gift and, therefore, originated the Genie Fund. This fund is now carried on from semester to semester.

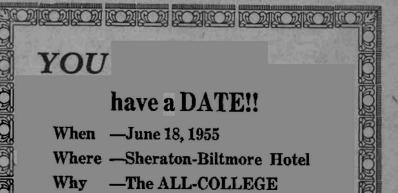

This is your fund because, through it, you and every student at Bryant College has the opportunity to further your education by attending graduate school. To be eligible to receive the bene-

is apply to the Genie Fund Committee when you are a senior, provided you have been accepted by a graduate school. The recipient of the award is chosen by a selection board of five outstanding businessmen. Attendance at graduate school must be within a five-year period, after which time the balance will revert to the fund. This provision helps those graduates who will enter military service after graduation.

Here are the qualifications considered by the Selection Board when they consider the applications each semester:

- 1. Scholastic performance, as attested by a transcript of the candidate's grades.
- 2. Character, as attested by reference and by the character records kept by Bryant College, which are available to the Selection Board on a confidential basis.

# **Alaskan Student** Wins Scholarship **To Bryant College**

Nancy Mickelson, daughter of Mr. and Mrs. Charles Mickelson of Wrangell, Alaska, will enter Bryant College in Providence, R. I. on a

scholarship which she won on a nation-wide competition.

Miss Mickelson's parents are former residents of Brooklyn, N. Y. Her mother was Muriel Parker, daughter of the late George Parker of West Village. The Wrangell Sentinel recently carried the following account of Miss Mickelson's achievement. "Word has been received in the office of the superintendent of schools from Bryant College in Providence, R. I., that Miss Nancy Mickelson, senior of this year's graduating class at Wrangell High School, Wrangell, Alaska, has been awarded a scholarship based on a nation-wide competition.

"The test was given in the Wrangell public schools and scored by the officials of Bryant College. A laudatory letter from Elmer C. Wilbur, Dean of Admissions, commented that this is the first time the examinations had been given so far from RICE team also attempted to bring home, and that they were especially the issue of Chiang into the debate pleased that Miss Mickelson was but they were rebuffed when Bryant successful.

"Of one hundred and six candidates competing for scholarships, Miss Mickelson placed nineteenth and is entitled to a \$300 scholarship, \$150 of which is applicable to each of the first two years."

affirmative; our debaters maintained that recognizing Red China would be advantageous to our country. The advantages that would accrue in the form of listening posts, direct negotiations and personal contact were stated to be the main reason for recognition. The Bryant team also demonstrated that historically our policy has been one of granting de facto recognition to other countries as soon as their governments were able to establish control.

The RICE team stated that the advantages were of a minor nature and that our recent policy was that of not recognizing revolutionary governments whose bases are different from those we agree with. The pointed out that this issue is not relevant to the case in question,

The judge gave a critique as well as a decision. She mentioned the extreme competence of the Bryant team who had started the year

tion. Bryant maintained

- 1. That de facto government should be the only basis for recognition of Red China.
- 2. By extending recognition, the United States would know more of what is going on behind the Iron Curtain,
- 3. Recognition would aid in obtaining the release of Americans held by the Chinese.
- 4. Recognition would ease present world tensions and help to maintain world peace. The Debating Club meets in Room

1A, South Hall, every Monday, at 3 p.m.; and everyone is invited to attend. Valuable training is obtained in speaking and in organizing and expressing thoughts. There are no dues.

**Closing Exercises Held** For Evening Division

Closing exercises for the Evening Division of Bryant College were held Wednesday evening, June 15, at 8:15 p.m. in the College Auditorium, (151 Hope Street).

Degrees were awarded to two successful evening division candidates, Melvin L. Shuman of Providence, and Robert Charles Sayles of Coventry.

The following Rhode Islanders received diplomas: Neal Francis O'Shea, William O. Moore, and Doris R. Vandergheynst of Providence; Joseph Majkut and George Edward Haggerty, of Pawtucket; John Francis Hannaway Saylesville; Edgar E. Anderson, Jr., of Warwick; George Medina of North Providence; Richard S. Urguhart of Norwood, Walter D. Whitman of Cranston, and Donald C. Worthen of Fall River, Massachusetts.

Scholastic awards were presented to two graduates: First Honor, a gold medal, to Neal Francis O'Shea, of Providence; and Second Honor, a silver medal, to G. Edward gerty, of Pawtucket.

Following the academic procession and the invocation by the Reverend Edwin F. Kirkman of the Cathedral of Saints Peter and Paul in Providence, the Greet ings were extended by Professor

## **Delta Omega Professional Society Holds Second Speaker Meeting**

On Tuesday evening, May 10, the Delta Omega Professional Society met at Oates Tavern for its second dinner-speaker meeting.

The officers and members of the Society were introduced to Mr. Russell H. White by Professor John McCabe, a former business associate, Professor McCabe, in his introduction of Mr. White, outlined Mr. White's business experience and accomplishments.

During his discussion of personnel policies, Mr. White drew heavily upon his own background and experience as Plant Superintendent of Island. Of major interest to seniors swered.

present were Mr. White's comments on personnel selection, personnel interviews, job classifications, and merit rating systems.

Mr. White advised prospective job applicants that they should be sure of the job they are applying for. He considered the prime requisites of a successful candidate to be a complete resumé with photograph, enthusiasm, and confidence.

A lively discussion period followed Industrial Relations of The Corning Mr. White's formal speech, in which Glass Works, Central Falls, Rhode many important questions were an-

President Don Slate of the Delta Omega Professional Society expressed the thanks of the society by awarding Mr. White, guest speaker at last dinner-speaker meeting, a certificate of appreciation which makes him an honorary member of the organization.

# Challenges of Our Time

The economy of the United States has entered a new era. Scientific discoveries have become the tools of industry. Commercial use of atomic energy is fast becoming a reality. Automation is the trend in both office and factory. Production has reached an all time high-it is expected to increase.

At first glance, this new era of progress seems to indicate a future of hope and prosperity. It would not be wrong to expect such a future, but we must realize that there are adjustments that must be made before the rewards of technological advance will benefit our society. Herein lies the greatest opportunity ever afforded a generation of college students. The problems-of mass distribution, mass consumption, utilization of personnel and machines-caused by increased production must be solved.

The recognition of, and the acceptance of these challenges are the stepping stones to success. Adaptability in adjusting oneself to rapid changes of this new era will be perhaps, of prime importance.

The success of our generation in solving these problems will determine not only our own standard of living and that of our society; but, more important, it will determine whother our type of free enterprise system can survive.

# **Teacher-Trainees** Enjoy Talks By Lomax, Bowman, and Sluder

On Thursday, May 26, at 9 o'clock the teacher-training students Bryant gathered at the Barn to hear an informal talk given by M Wallace Bowman, Personnel Manager of the Southwestern Publishing Company.

Mr. Bowman gave a down to earth talk on what to do and what not to do when applying for a position. He illustrated his ideas on what not to do with several humorous incidents that have occurred in his own career.

At ten o'clock the T.T.'s adjourned to Salisbury Hall to hear Dr. Paul Lomax, head of the **Business Education Department** at New York University. Dr. Lomax spoke of his own experiences as a business teacher drawn from over forty years of service to the youth of America.

At the conclusion of Dr. Lomax's talk coffee and doughnuts were served. During the coffee break, the students were personally introduced to Mr. Bowman, Dr. Lomax, and President Jacobs by Rosemary O'Neill and Galdys Kenoin.

The following Thursday at 10 o'clock the T.T.'s gathered at Salisbury Hall to hear Professor Lester Sluder, Chairman, Department of Business Education, Boston University. His talk on typing techniques was excellent and his jokes, one in particular, made the rounds all that day.

Laffs Little Boy: "I ain't going to

school tomorrow."

Mother: "Why not, dear?" Little Boy: "I can't read 'n' I can't write 'n' they won't let me talk-so what's the use?" "Bless my wool," said the

ram as he went over the cliff, "I didn't see that ewe turn."

She came from a family of great swimmers - her brother was killed in a dive on the East

side. Mountaineer (showing new home to bride): "Well, gal, how d'ya like it?"

Bride: "T'ain't bad, but there's no door."

Mountaineer: "Was you fixn' on goin' some place?"

"Has the florist any children?" "Two, the girl is a budding

genius and the son is a blooming idiot." No one plays with fire like a

newly-wed learning to cook. Then there's the playboy who cept calling his girlfriend sugar

and ended up paying her a lump sum.

Here's the latest poop:

Did you ever hear a dainty volume about that rascal of a creation-WOMAN? Well, on our travels, a bartender was crying in my beer about his wife. He said he met her on the Golden Gate Bridge, with her feet dangling in the water. She was a tall girl! He said she brought him misery, but he'll never forget her, because she had a wonderful head of hair. As a matter of fact, it came out of her left nostril, and if she ever got mad at you, why it would straighten up like a whip. Well, he chuckled at her bow-legs. Bowleg? Listen, when she sat around the room, she sat around!!

	Helen	GII	tos, Br	Bryant		
at	Shines	in	Busine	ess	Wo	
Ir.			By Peggy Hob		ALL SALES	

This is another story portraying the success of a Bryant graduate. Graduates have made a long list of such successes, which should be of great encouragement to the present students at Bryant.

Our present story concerns Miss Helen Giftos, who graduated from Bryant in 1950.

Miss Giftos is now employed in the office of the Assistant Secretary of Defense for International Security Affairs in Washington, D. C. She was a member of the United States delegation to the Geneva Conference and will soon be going to the three-power conference in Paris, France, which will be a preliminary to the big four power talks.

Miss Giftos has not only made a success of her business life but has also done very well with her social and private life. Her parents recently announced her engagement to Colonel John E. Dwon, advisor to General J. Lawton Collins and United States Envoy to Saigon.

This success story helps to illustrate the importance of a business education in our complex world. With this education, your future potentialities are unlimited and your future can bring you many different and exciting things. CLOSING EXERCISES (Continued from Page 1)

Joseph R. Santos, Director of the Evening Division. The Address to Graduates, "America's Endless Horizon - Opportunity," was given by Doctor Jacobs.

The Bryant College Choir conisting of the following students-Pauline Anthony, Blanche Bishop, Betty Brown, Anne Gulski, Pam Mollette, Lonnie Modica, Jane Price, Louise Tatro, Joan Todd, Janet Wagner, Bob Barry, Ronald Bond, Jim Bryson, Nick Facaris, Robert Forrest, Gred Gafner, Alan Gould, Jim Handy, Art Newberry, Clyde Wade, Dorothy Bader, Accompanist -directed by Professor Mary Thornton Appleby, sang the Graduation Hymn and provided a Musical Interlude.

Following the benediction by the Reverend Kirkman and the Recessional, guests and relatives were invited to join the graduates and faculty for a reception in honor of the Evening School Graduates.

College Voter Apathy Revealed in Poll

(CP)-A psychology research poll taken before the University of Colorado student elections revealed that 547 students had voted for two non-existent candidates.

In addition, the tests showed that students definitely were swayed in their opinions by percentage reports, and that a non-existent candidate with the common, familiar name of "Stevens" was an overwhelming favorite over the equally fictitious "Mr. Pomryn."

The poll was conducted by Marvin N. Nachman, assistant professor of psychology, and the results could indicate apathy of voters not only on campuses, but in regional and national elections as well.

Here's how it worked, as reported by the Colorado Daily at Boulder:

Sample ballots were distributed among 555 students, asking them to select two preferences between actual ASUC candidates and two (unknown to the students) fictitious names. The actual students were Fletcher and Watts the fabricated candidates were Stevens and Pomryn.

On each sample ballot was this explanation: "We are interested in week-to-week changes in student opinions. The results of the first week's poll (which actually was never released) for these positions were as follows on the ballot . . . ," The ballot then listed imaginary percentage figures beside each candidate's name.

The experiment showed a marked influence was made on student voters by the fictitious percentage figures. For example, on one set of hallots Fletcher was shown to have had "62 per cent" of the voters from "the previous week," and as a result the accrued 60 per cent of the votes on the dummy ballot. On another set of ballots, however, Fletcher was shown to have had only "38 per cent" of the "previous week's total," and the students passed him in favor of another candidate.

To see whether names had any influence, the psychologist chose the common name of Stevens and the unusual name of Pomryn for their fictitious candidates. Stevens was an overwhelming favorite.

Only eight of the 555 students involved in the test discovered the two dummy names.

Well, he told me he should have read this article before he met her. We have a story about women which I'm sure will bring you a chuckle or two. Here goes:

### WOMAN:

She's an angel in truth, a demon in fiction-A woman's the greatest of all con-

tradiction;

She's afraid of a cockroach, she'll scream at a mouse.

But she'll tackle a husband as big as a house.

She'll take him for better, she'll take him for worse;

She'll split his head open and then be his nurse;

And when he is well and can get out of bed.

She'll pick up a teapot and throw at his head.

She's faithful, deceitful, keen sighted and blind.

She's crafty, she's simple, she's cruel, she's kind.

She'll lift a man up, and she'll cast him on down,

its pocket.

A college boy is compositehe has the energy of Rip Van Winkle, the shyness of a Mr. Micamber, the practicality of a Don Quixote, the kindness of a Marquis de Sade, the imagination of a Bill Sykes, the appetite of a Gargantua, the aspirations of a Casanova, and when he wants something it's usually money.

He likes good liquor, bad liquor, cancelled classes, double features, Playtex, ads, girls in football weekends. He is not much for hopeful mothers, irate fathers, sharp-eyed ushers, police, alarm clocks or letters from the Dean.

battery for Alpha Theta, Opposing them was a very fast Joe Trepani throwing to Joe Ruggieri behind the plate. The Phi Sig cause was helped by a John Perrone home run in the this game ended in a deadlock. fourth inning with one runner on base and a three run homer in the fifth by Skip Wilkins.

What started out, for the first few innings at least, as a fairly even game between BIB and Tau Ep ended up as a rout for Tau Ep. In the sixth and seventh innings, Tau Ep shelled pitcher Sanderson of BIB for four and ten runs. The longest hit of the game was a towering home run by Tau Ep's Lloyd Johnson in the first inning. The Tau Ep battery was Roncaioli and Uarman. Tom Flynn was behind the plate for BIB until he injured himself chasing a foul. Olmino caught the rest of the game. The final score in this game was Tau Ep 23, BIB 6.

Following the BIB vs. Tau Ep game, Sigma Lambda Pi took the field against Chi Gamma. Chi Gamma opened up the scoring with three runs in the first inning and con-Beta Sigma Chi ..... tinued bombing Sigma Lambda's pitcher, Sonny Baker, during every Sigma Lambda Pi ..... inning that followed. Zeke ("in and out") Sugarman got shaken up chas-**Bryant Tennis Team** ing a fly but quickly gained his composure. Fireball Kofsuske mowed **Ties La Salle** down the Sigma Lambda batters who couldn't get up enough steam to catch the rapidly moving Chi Gamma team. John Matula belted a home run in the sixth inning.

On Thursday, May 26, Tau Ep had little trouble rolling over Sigma Lambda Pi by a score of 13 to 2. Tau Ep opened fast and scored five runs on one hit, three walks, and an error. Roncaioli, the winning pitcher, allowed only four hits and would have had a shutout had it not been for his own wildness and a costly error. Yarman had two hits for the winners, while Grossman had two hits for the losers.

The Newman Club finally found themselves and edged Beta Sig by a 13 to 9 count in a loosely played game. The NC came up with two four run innings in the third and fourth stanzas to pull the game out 9-5. There was only time for one of the fire. Bill Dewey allowed only six hits, but they were timely hits and did some damage. Don Day of and Oddy lost to Brennan and Werthe NC had three hits, and Remillard bicki 2-6, 1-6. and Newberry had two base knocks each for the losers.

Phi Sig took advantage of some costly errors to gain an easy 11 to 1 victory over the Portugese Sports Club. Joe Trepani, who has proved to be the top hurler in the league allowed only four hits in registering the win. Phi Sig got ten hits off Swanson, the losing hurler. Swanson pitched a good game, however, and should have had less trouble had he been given better support. On May 31, Alpha Theta slugged their way to a 16 to 12 win over Beta Sig in the opening game of the day. Beta Sig did all their scoring in just two innings, which were the third and seventh. They scored 7 and 5 runs in those innings. Charlie Heelan had four hits for the winners, while Schaller was the big man for the losers with a couple of hits. The Newman Club had to come from behind to eke out an 8 to 7 win over Kappa Tau. The winners scored a run in the last inning on a sacrafice fly by Pitonak after Ragonnese had trippled. Ragonnese had a double and triple to lead the winners at the plate. On Thursday, June 2, the PS Club took the field against Chi Gamma. Bob Kofsuske went to the hill for Chi Gamma with Bob Paulino behind the plate. Swanson and Delahunty were the PS Club battery. Both Swanson and Kofsuske pitched a fine game and gave standout performances. Chi Gam picked

# Alpha Phi Kappa's Barker **Defeats Sigma Iota Chi**

By Carol Kahn

May 25-Sigma Iota Chi met their first defeat of the season as the well practiced team of Alpha Phi Kappa beat them 18-11. Alpha Phi has been sailing through every game they have played with little or no effort. Kay Barker did her usual fine job of pitching for Alpha Phi. Barbara

Pelcher and Gladys Kenoian pitched for SIC but could not hold down up one run in the first inning, but the able APK girls. Sadler and the PS Club came back with four Smith each had a triple for APK. SIC's Betty Brown got the only runs to put them in the lead. Chi home run of the day. At the com-Gam scored three more runs, and pletion of this game, SIC's coach said that he was going to protest Going against Beta Sig, Joe the game because of a play that was Trepani, Phi Sig, made his fans called by the umpires. The protest very proud of him by pitching a was written out and handed in but four hitter. However, his fine the proper officials decided the umpitching was slightly overpires were right in their judgment shadowed by the powerful hitting of the play and APK was awarded of his teammates, who pushed 21 the win. runs across the plate on 15 hits.

The second game of the day was between KDK and SIB. This was the first game KDK had played and they should be given a great deal of credit for the fine sportsmanship they displayed. The final score was 26-6 in favor of SIB. SIB had a real streak of luck when they powered four home runs that game. Marie Ferretti got two, Carol Kahn and Rose MacDonald one apiece, Joan St. Goddard also got one home run for KDK.

The 6:15 game was the closest one of the day as Beta Sigma Gamma scored a 15-12 win over Sigma Lambda Theta. Theta started off strong by leading Beta Sigma Gamma by five runs in the first two innings. Beta Sigma Gamma scored 9 of their 15 runs in the last two innings. Janet Walther had a home run, a triple, and three base hits for five times at bat. (Nice going, Janet!) Lois Baumstein hit a grand slammer for Beta Sigma Gamma in Sigma Iota Beta ..... the fifth.

SIB and Sigma Lambda Theta started off the first of three games to be played that day. The weak Theta team was beaten by a much improved SIB nine, 17-5. SIB

played the best that they have ever done since the league started this year. Theta went scoreless for the first four innings, then scored four runs in the fifth. SIB's biggest inning was the fourth in which they scored seven runs on seven hits. There were no outstanding hits of the day, but Rose McDonald for SIB clouted two doubles. Arlene Osleski went all the way for Theta and Carol Kahn for SIB in the pitching field. WOW! she almost had a no hiter. That is what people were say-

ing at the end of the SIC and Beta Sigma Gamma game. Barbara Pelcher pitched a very nice game for SIC and she would have had a no hitter if it hadn't been for the last inning when Joan Tobias got the only hit of the day for Beta Sigma Gamma. Too bad, Barbara. Nice try. Among the many base hits for SIC, Betty Brown got a triple in the fourth inning.

Not even the 6:15 game between KDK and Phi Upsilon proved to be a close one as KDK blasted Phi Up 20-6. The only home run of this game was for KDK and hit by Joan St. Goddard who also got three other base hits. The best hit for Phi Up was a double by Jackie Ducharme in the fourth. Mimi Pires pitched for KDK and Cecilia Dempkowski for Phi Up. **STANDINGS AS OF JUNE 8** Won Lost

MEN'S SOFTBALL-The big game of the year was finally played on June 9, between Tau Ep and Phi Sig. As expected, this was a thriller all the way. After 8 innings of torrid softball, the score remained a tie, 4 to 4. The crowd at this game was the largest and noisiest of the year. One could feel the tension which arose from the crowd on every pitch, as the game approached the late innings. This was one of the most tightly played games held this year.

Page 3

Tau Ep was held to six hits while "Rocky" Roncaioli held Phi Sig to only three hits. Neither pitcher allowed a hit in the last three innings. The big question of who was the better team was certainly not settled in this game.

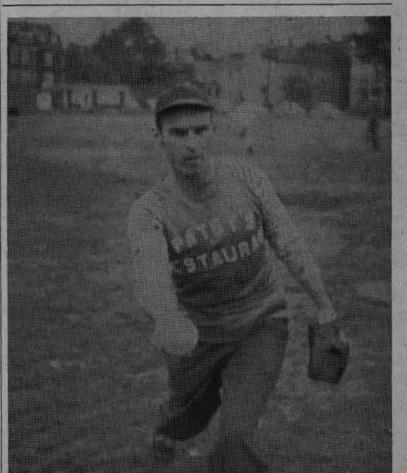

On Thursday, June 2, Bob Kofsuske pitched Chi Gamma to an "upset" win over Tau Ep. Big Bob was in tremendous form for this game as evidenced by the fact that he allowed only three walks to the opposing batters. Chi Gamma took advantage of three errors by Tau Ep in the third inning and scored 5 runs.

The Newman Club has become the surprise team of the year. They lost their first game of the year to Phi Sig, tied Tau Ep in their second game, lost their third game to Alpha Theta, and then went on to roll up five straight wins before they lost another game. The club has three men in the top twenty batters of the league, and Don Day is batting over .400. The Newman Club's, Rockline (the bunting kid) is tied for sixth in batting with a very respectable .455 batting average.

Alpha Theta and the Portuguese Sports Club are waging a torrid battle at the moment for fifth place in the league and a chance at the playoffs. Both these teams are very anxious to reach the playoffs, but they do not figure to do much damage to the top teams. However, they have the necessary spirit to give these top teams a run for their money.

GIRLS' SOFTBALL-Already one team has taken prominence in the league. It is Alpha Phi Kappa, led by Gerry Sadler. Gerry has about the best batting eye in the league and can run and field with the agility of some of the boys in the Men's League. Her quick thinking and batting has made Alpha Phi the best in the league. SIC, however, is not far behind. They have probably the best pitching staff in the league in Gladys Kinoian and Barbara Pelcher. Incidentally, Barbara recently pitched a one-hitter against Beta Sigma Gamma.

SIB can be considered the only other real threat in the league. Carol Kahn, ace sportswriter, has been on the mound for SIB the last few games and has displayed a strong pitching arm. She is also one of the better batters in the league.

UPSET OF SEASON! Joe DeAngelis of Tau Ep squares away in a losing cause against an inspired Chi Gamma nine, who won this game 9 to 5. Bob Paulino, Chi Gamma's catcher, and Ump Di Rosa wait for Kofsuske's next delivery.

ment.

## **Bob Kofsuske**

Bob "No Hit" Kofsuske is truly one of the most colorful players in the Intramural Softball League at Bryant.

Last year, Bob pitched for Louis Grill, an independent team. When he first tried out for this team, he wasn't sure he could hit well enough to make the team so he told them he was a pitcher. He had, however, never pitched a softball before. He lost his first game last year to a strong Phi Sig team and then went on to win his next 8 games before he lost again.

This year, Bob is toeing the rubber for his fraternity, Chi Gamma Iota. He has pitched the only no-hitter of this season against Sigma Lambda Pi. Bob would have a clean slate this season except for his old nemesis, Phi Sigma Nu.

Bob recently pitched Chi Gamma to a 9 to 5 upset victory over the defending championship team, Tau Epsilon, Big Bob was in rare form for this game and just wasn't to be defeated.

Bob wears a shirt of Patsy's Restauran (the "t" fell off), an establishment in his home town of Meriden, Conn. Opposing players try to take advantage of this and call him "Patsy" in an effort to rile him, but they have met with little success.

Bob's original worry about his hitting ability seems hard to believe. He is currently batting a respectable .400 and is second in the league in doubles with four. Last week he belted a tremendous home run against the Newman Club team wrapping up another victory for his team.

# Tips to Veterans on G.I. Insurance Offered by Veterans' Administration

Three tips to veterans who have special Korean GI insurance were offered today by Manager John L. Reavey of the Veterans' Administration's Providence Regional Office.

"More than 268,000 post-Korea veterans," Reavey said, "have taken out the special term insurance available to them upon separation from 'active service."

To these new policyholders, Manager Reavey gives this advice:

First, get into the habit of paying all premiums when they are due. Although the law allows a "grace period" of 31 days during which the policy remains in effect even if a premium is not paid, veterans should consider this provision an emergency measure and reserve it for an emergency.

the mail when paying premiums. able to the Veterans Administration. Your canceled check or money order stub will serve as a receipt.

Third, be sure to name your beneficiaries and have this information on record with VA. This may be done through the VA Regional Office at 100 Fountain Street, Providence, R. I.

"Korean veterans have only 120 days after separation from active military service in which to apply for the special term insurance," Manager Reavey said. He emphasized that 120 days is not necessarily four months.

QUESTIONS AND ANSWERS

Q .--- I lost my GI insurance pol-icy. If something happens to me, will my beneficiary still be able to get the proceeds of the policy?

A .- Yes. The policy itself, which has been issued to you, is for informational purposes only. It is not necessary to produce the policy as evidence that the insurance is in effect; proceeds will be paid anyhow, so long as VA records show your policy to be in force.

## BREVITIES

(Continued from Page 3) And now to enlarge a bit on the skits presented by the various fraternities and sororities. Of course, more emphasis will be placed on the winning skits.

Alpha Phi Kappa and Kappa Tau, presenting the month of September, used as their theme the clash between the Vigilante Committee and the Freshmen, and as a happy ending-the Liberation Dance.

Sigma Iota Beta and Beta Iota Beta's theme was Women versus Brains-with a boys' dorm as the setting of Scene I. Women win out when Joe College goes home for the weekend. The explanation of report-card marking really was riotous.

Phi Upsilon and Chi Gamma Iota, presenting the month of February, Flash Fire came through with third prize. Their

The "You Are There" introduction and "You Were There" closing really was effective.

Kappa Delta Kappa and Tau Epsilon, with the month of June as their theme, acted out a shotgun wedding, with ring bearer, country preacher, enraged father, and shotgun. The marriage vows in this particular skit were quite unusual, and quite hilarious.

Beta Sigma Gamma and Sigma Lambda Pi walked away with second prize with their skit based on a pretty, young murderess and her ax. A country trial follows this "murder" Second, do not send cash through where Katy is tried and found innocent of the charge, and where the Use a check or money order pay- jury reaches its decision in a background of country-style dancing. The entire skit was done in pantomime; particular mention should be given to the timing which really was excellent.

After the last number, the entire cast lined up on the stage to await the judges' decision. It should be noted that the judges were Mrs. Evelyn Cummings, Charles Menge, and Raymond Hawksley. Then the expected hush before the announcement, the audience leaning forward in their seats, the fraternities and sororities holding their breaths, and then the announcement of third, second, and first prizes respectively with the excited screams of delight, and jumping around that only such a victory could bring. The first prize was then presented by Mr. Hawksley to Bill O'Neil who accepted it for Phi Sigma Nu and

The entire audience then arose

Pledgees of Sigma Iota Beta and Tau Epsilon prepare to serenade the crowds in the gym during Hell Week.

## **Tobacco-Minded Coeds**; New Fad in Pipes

CORAL GABLES, FLA.-(ACP) -"Heap big smoke, but no fire," describes University of Miami coeds with the latest campus fad-pipes.

The new ladies' accessories come in a variety of shapes and sizes, ranging from the carved or painted "day" pipe to the jeweled "evening" pipe, writes Evelyn Savage in the Miami Hurricane.

A senior coed says although pipe tobacco usually smells masculine, her Special Ladies' Blend has a distinct feminine odor. "Pipes taste better perfumed," she says. Another claims that pipe puffing "atomizes her room."

A 15-cent can of tobacco goes further than a 20-cent package of cigarettes, is the general opinion. One senior said his tobacco lasted him all through college. He doesn't smoke much, though.
