Gentlemen:

I want to express my sincere thanks for the 2 flat tins of cigarettes I received yesterday. The gift came as a complete surprise and to say that such a gift is welcome is to express it inadequately.

You are doing a wonderful job and I know of no other college that is doing anything of a similar nature for either under graduates or graduates.

As far as life goes down here we
are the most confined out fit any
wheres in the service. We had hot
and sun, afternoons off but can
go outside of an eight block square.

They keep us on the go from
5:45 a.m. to 9:25 P.M. and out
of the entire day have 25 minutes
to ourselves.

Would advise anyone contemplat-
ing the Navy Air Service to try and
get down here after Sept. as the
heat runs about 110° and you really
bore & sweat as you labor now.

As ever, and thanks again
Bill Saulton
