Zeta Sigma Accepted as New Sorority

By Roni Graveson

Zeta Sigma Omicron, originally functioning as a club of Bryant College, was officially accepted as a Bryant sorority at the September 15th meeting of the Greek Letter Council. Alpha Omicron fraternity has accepted Zeta Sigma Omicron as their sister sorority.

Zeta Sig has been organized since the latter part of 1957. The girls, nine in all, have worked endlessly to become recognized and accepted by the college. Last semester they gave an Easter party for the underprivileged children of St. Joseph's parish along with helping Alpha Omicron with their smoker and dance.

Zeta Sigma Omicron drew up their own constitution and by-laws and has adopted an oath which denotes the faithfulness and sincerity of the members of the organization.

The leaders of Zeta Sigma Omicron are president, Joyce Aldrich; vice-president, Roni Graveson; secretary, Nancy Vechinsky; and treasurer, Marcia Watt. Other members include Karrie Czyz, Laurel Carboni, Glenice Gagnon, Jeanine Eberling, and Gail Noe. Their advisor is Miss Grimes.

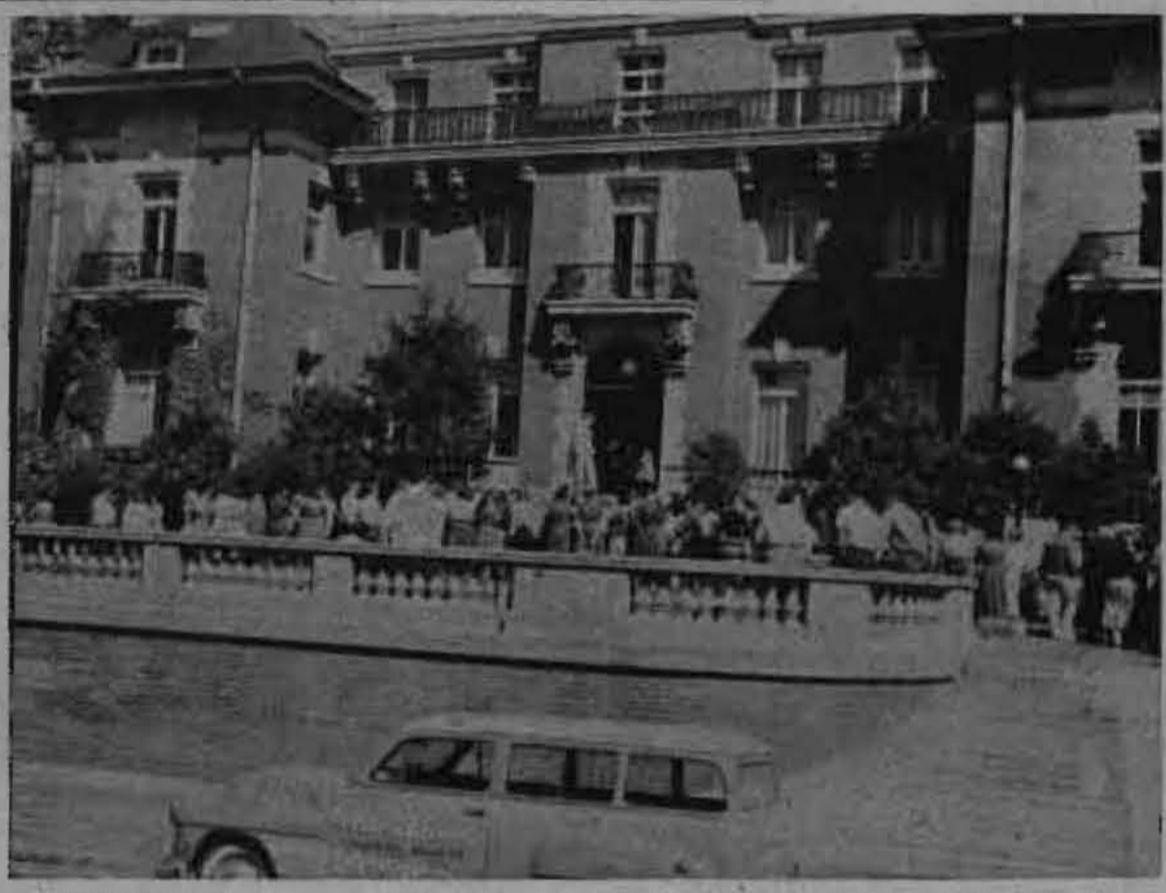

This semester the girls are making plans for a bowling and a basketball team along with various charity works. They also are planning a dance in affiliation with their brothers, Alpha Omicron. The girls will soon be seen wearing the Greek letters denoting their sorority. Their colors are purple and white.

Many Changes on Campus

Bryant Student Union Becomes A Reality

By Janith Brett and Terry Leonard

Bryant College has a new Student Union building and a new Faculty House. Alumni Hall can now be found in a new location, and Gardner Hall, Stowell and Scott Houses all have had their first floors renovated.

This is the first time that Bryant College has ever had a Student Union Building. Tables and chairs have been set up for the student's convenience in doing work or having snacks. Also, there is a large screen television set to watch in your leisure time. In addition to this, the first floor has a new ladies' powder room and a men's room in the back of the auditorium.

New Student Union

A section of the back wall has been opened for the stairway leading to the second floor. The second floor now consists of the offices of the Activity Director and his secretary, a large room with tables and chairs, two ping-pong tables, and a Hi-Fi set.

Mr. E. Gardner Jacobs, Vice President, has announced that in the near future there will be hanging trophy cases which will look like pictures encased in sliding doors. This should please all the fraternities and sororities because they will have a place to keep their trophies now. No one will be able to take the trophies out without permission from the Activity Director.

Remember students, the Student Union has only a limited number of games; and the administration wants you to give them suggestions. It's all in your hands now!

On the corners of Power and Hope streets is situated the new faculty house for the School of Business Administration. This is the first faculty house Bryant has ever had. Students are now able to have more privacy in discussing their problems with teachers.

Student Body Again Made up of Men and Women From Many States, Nine Foreign Countries

By Santo Sottolare

Wednesday, September 3, 1958, saw Bryant College entering its 96th year. This year the freshman class, which consists of 709 members, is the largest since World War II. Among the class are representatives of 26 states and 9 foreign countries including Canada, Costa Rica, El Salvador, France, Hong Kong, Mexico, Nicaragua, Venezuela, and the British West Indies. Campus population now exceeds 1400 students in the day division.

After a whirlwind of aptitude tests, counseling, dances, sightseeing tours, parties and general confusion, the new freshmen settled down in order to adjust to their full schedules. Now after

two weeks the frosh are hard at the books, anticipating that first round of exams.

As were all the other past beginning classes, this one has been subject to the student monitors and the school vigilantes. Beanie regulations have been strictly enforced and vigilante courts have doled out punishment to offenders. The freshmen have taken this good naturedly, and last Saturday during the Liberation Day Dance, they were allowed, for the first time, to doff their caps on Bryant's grounds. Now the frosh may appear bare-headed at will without the fear of reprisal.

Pledge week is due to start after mid-semester. The freshman will begin then the grind leading to acceptance in fraternity and sorority activities. Once the initiations are over, the frosh will be on the long (or short) road to those coveted degrees.

Adopted Son of AOX Invites Brothers To Visit in Pusan

By Edgar Care

Alpha Theta Chi's tenth anniversary dance will be held at Church Hill House, 156 Angell St., on Friday, October 3, 1958. Dancing will be from 8-12 p.m. Music will be by Lou Cidrone, featuring Sandy Palumbo, vocalist. Everyone is invited to help the brothers celebrate this milestone in the Fraternity's life.

The Fraternity's blotter campaign was a success. Complete coverage of freshmen at the orientation was impossible; therefore, any freshman wishing a free blotter is asked to contact an AOX brother. The blotter contains a college calendar, movie schedule, and important telephone numbers.

The adopted Korean son of AOX brothers, Lee Jeh Kon, celebrates his eleventh birthday on September 28, 1958. The brothers have been sending him snapshots of animals and landscapes in their letters. Lee has written nine letters telling of his good scholastic record and his hobbies of collecting stamps and photographs. His ambition is to be a teacher.

AOX has placed an ad on their blotters with the compliment of Lee.

Letter from Lee To Bryant Brothers

Dear all my Foster Parents in the United States;

I received your letters and a picture of a dog very well. I was very happy to hear from you.

I went to school and proudly showed the dog's picture to all my friends. The dog looked very lovely and strong. My friends were very envious of me.

Yes, send me many pictures of landscape. I like to get together small stamps, cards and pictures most of all. I collected many of them now.

If you would have a chance to come to Pusan, as you once did before, I would show my scrap books.

Only in a few days, school will start summer vacation, when I shall go swimming in the sea.

Good-bye for now till I write you next.

With my love
Lee Jeh Kon

Masquers to Open With "You Can't Take it With You"

By Roni Graveson

The Bryant College Masquers' Society held their first meeting September 10. President Kay McCormick presided. Officers for this semester include Glenice Gagnon, vice-president; Ina Barclay, secretary; and Sylvia Bernier, treasurer.

Mr. Brooks, this year's director, gave a word of welcome to the freshmen and oriented them on the workings of the club. Examples for the freshmen, but memories for the old-timers, were presented to relate past productions—The Man Who Came to Dinner, Drama Workshop, Chapel Service, and Musically Speaking. Mr. Brooks stressed the need for cooperation from each and every member.

Masquers plans on presenting "You Can't Take it With You" in early November. Tryouts are presently being held for the November production. A Christmas program is also planned in affiliation with the Glee Club plus various other presentations throughout the year.

The room where the old Jacob's Library was is now equipped for a physical and biological laboratory. There is a teacher's demonstration table which has gas and electrical outlets in this laboratory. The old library building on Benevolent Street is now called Alumni Hall.

BIB Activities

By Dick Biele

With strong hopes of another highly successful year in the making, President Thomas Del Santo called the 16th meeting of Beta Iota Beta to order September 8. Among the matters discussed was the unlimited possibilities in the freshman class. It was urged that each brother do everything in his power to make the freshmen feel at home and to help them remember the maroon and white sweaters of Beta Iota Beta.

The bowling team and football squad are being formed to be in top condition when the season opens. Athletic Director George Swahn said that this year's team will be the best B.I.B. has produced in many a season.

Plans are nearly completed for the annual skiing weekend. This social event, which is eagerly awaited by B.I.B. and S.I.B., will be held as soon as the snow is deep enough on the mountains in New Hampshire.

From the President:

Welcome, Freshmen!

A warm and personal greeting to all 700 of you! May your stay on this campus be fruitful. May you realize your dreams of college life and succeed in the education for business which you so wisely chose.

As our Admissions Office assures me, you were carefully selected from the many candidates who applied. We are happy we chose you and we hope you will be equally satisfied with your choice.

Already we know many things about you. For instance, we are aware that in spite of your high spirits, you are basically serious and purposeful, else you would never have selected Bryant's accelerated and concentrated course of study. We know you are practical, because you have decided on business for your career and have come to a college which has devoted itself exclusively to professional business training from its beginning in 1863.

It is my earnest prayer that you will justify the sacrifices of your parents and the confidence of your teachers by applying yourself dili-

gently to your studies. Make every effort to complete each day's assignments and to do "that little more than seems necessary" which always spells success. By this kind of self-discipline and application to your work, you are bound to follow in the footsteps of thousands of illustrious Bryant graduates who hold big jobs in every branch of the business world.

This is not to say that we do not wish you to have fun. A varied program of student activities and traditional college events has been planned for you. Social and athletic programs for recreation; cultural and professional organizations for intellectual nourishment; and religious societies for spiritual refreshment. Take full advantage of these, because the full measure of a man can never be achieved without such broadening influences. Take to heart these famous and lasting words of a great Greek philosopher:

"The direction in which education starts a man will determine his future life."—PLATO

Henry L. Jacobs
President

Providence Radio Station Honors Dr. Jacobs

The Providence radio station WICE, in its widely heralded Community Award Series, cited the President of Bryant College for his long and loyal public service. A copy of the citation, which was broadcast this summer, was sent to the College and is printed herewith:

"WICE's Community Service Award for today goes to a man for whom high praise is no novelty . . . and for whom more laurels are just around the corner . . . Dr. Henry L. Jacobs, president of Bryant College.

It would be enough to say that Dr. Jacobs has been head of this unique institution of higher learning for 51 years.

He has watched its tremendous growth and flowering.

He holds five honorary doctorates. Dr. Jacobs is one of the few true pioneers who have had the joy of seeing the frontiers recede into the norm.

A giant of higher education, his mark on Rhode Island's educational being can never be dimmed.

To Dr. Henry L. Jacobs, president of Bryant College, our sincere congratulations and best wishes."

health, good grooming, etiquette, clothing, and courtesy.

Dean Mercier stressed the fact that the person who succeeds in business will be one of the following types: the one who has the training and who is a natural leader and the other who is not a natural leader but who excels in the secretarial skills. He also reminded everyone that when it comes time for a promotion in the office, the employer will look to the person with a higher education who can get along with people.

Dean Mercier went on to say that the personality characteristics which prospective employers look for in future employees are the following: punctuality, dependability, integrity, cheerfulness, co-operativeness, personal cleanliness, and superior skills.

Future lectures in the compulsory series will include those on etiquette and poise by Miss Priscilla Moulton, a group movie on proper office attire, good grooming elements of beauty and make-up, and a talk by a representative of the telephone company.

From Where I Sit

By JIM SHERDY

Your reporter would like to take this opportunity to welcome all his second-guessing fans back for another year and also to invite all the new students to try their luck at telling him (after the event has happened) that he should have picked the victor the other way.

For those of you who may not understand what this is all about, last year this reporter gazed quite often into a somewhat hazy crystal ball. It seemed that every time he predicted that a team or an individual would do well, that team or individual was suddenly poisoned with the "kiss of death."

We journeyed to Pitman Field last Thursday afternoon where Chi Gam and Kappa Tau were putting their gridiron gladiators through their paces. As usual, Buddy Wright seems to be the mainstay of the Kappa Tau squad. However, Coach Chuck Kline has more depth and more size than last year, and they may afford some teams with some tough afternoons.

Chi Gam seems to have an abundance of both speed and size and should be around in the double elimination league for a while.

The Westerly Commuters, the undefeated champs of the Bryant basketball courts, are going to try their hand at the pigskin game this fall. They will be led by the versatile Ken Bennett. If he is as effective on the football field as he is on the courts, they could be bad news.

AOX has a big rebuilding job on their hands for this season. Jim McPhillips and Barry Nelson are joining yours truly in the role of officials, and George Campbell is a question mark as he was in an automobile accident this summer.

BIB will be of an unknown quality to this reporter as we cannot

Flying Club Formed By Bryant Students

By Louis Dufail

A very enthusiastic group of Bryant students has formed a flying club composed of former military pilots, civilian pilots, and other individuals who have a keen interest in aviation.

The purposes of this club are to encourage an interest in aviation, to provide suitable instruction of pilots in aeronautical training and navigation, and to train the business pilot of the future.

This group is very fortunate in having as their advisor Mr. Stewart Yorks, who was a World War II pilot.

An organizational meeting was held on Thursday, September 17 to discuss the constitution and by-laws.

KDK Plans Smoker

By R. I. Duquette

The sisters of KDK started the semester off with a bang by holding a Bake Sale on September 20 at Shepard's with the sisters of Phi Upsilon. All day the customers flocked to the attractively decorated counters to purchase the home-made cakes and pastries. All the sisters were pleased with the results of the Sale.

Plans are being made for the KDK smoker this fall. The Sisters hope to add a distinctive touch to this smoker, but right now the plans are being carefully guarded.

The bowling team is being re-organized for this fall.

Sigma Lambda Theta Plans Bowling Team

By Jan Cote

At the initial meeting of the new school year, the sisters of the Sigma Lambda Theta made plans to enter a team in the Bryant College Women's Intramural Bowling League.

Carol Oliner, the chairman of the Social Committee, suggested ideas for the semi-annual pledge smoker to be held in the near future.

Goey Beers, the president of Theta, took the opportunity at this meeting to welcome back the returning sisters and expressed the hope for a successful semester.

Lincoln Woods Scene of Newman Club Outing

By Kay McCormick

The Newman Club "Open House" held on Monday night, September 8 was a huge success. To start the meeting, Sylva Bernier, President, read the opening prayer. He introduced the officers of the club, Monsignor Geoghegan Chaplain; Ed Taylor, Vice-President; Christine Pilon, Secretary; and Ray Rafalowicz, Treasurer. Sylva welcomed the freshmen and invited everyone to participate in the future Newman Club activities.

Monsignor Geoghegan mentioned the picnic and welcomed the frosh. He said that the Newman Club will run a square dance the night before Thanksgiving vacation. Further details will be published later.

On Sunday a picnic was held at Lincoln Woods. Everyone had a very good time eating hot dogs and roasting marshmallows. The boys had an exciting game of softball, and several members went horse-back riding.

Newman Club's first regular meeting will be held on September 25 at 3 P. M. Notice of the time and place will be on the bulletin boards.

SIB on Campus

By Jean Potvin

SIB President, Donna Kay Gardner, has been elected Secretary-Treasurer of the Greek Letter Council.

The alumni of Sigma Iota Beta are in the process of organizing an Alumni Association.

The sisters are now looking forward to the bowling and basketball seasons.

Kappa Tau Party Welcomes Frosh

By Robert Guerlain

The brothers of Kappa Tau held a get-acquainted party on Saturday, September 13, so that the freshmen could be familiarized with the outside activities on campus and the brothers responsible for these activities. The party was a great success and the guests of Kappa Tau had a wonderful time until curfew time for the girls to leave for home. The brothers were very proud to see that large number of freshmen attended their party and responded to their cordial greeting during the second week-end on campus.

The new officers of Kappa Tau entered office on September 11 when the president called for the first meeting.

These new officers are:

Gregory Peck, Jean Simmons, and Charlton Heston are the stars of the western thriller "The Big Country." Although the picture is lengthy, it offers exciting entertainment and an interesting and absorbing story. The expensive and talented stars and featured players prove their acting abilities. Color, excellent scenery and settings add to the background of this big western.

Danny Kaye is seen in an entirely different role in "Me and the Colonel." Kaye displays fine dramatic acting without singing or dancing. The picture is a highly entertaining comedy drama with smart, witty, humorous, and near tragic situations. Quality performances are offered by Kaye, Curt Jergens, and Nicole Maury. The film is based on the hit play "Jacobowsky and the Colonel."

"Damn Yankees," the long-run Broadway musical, will be released shortly. The picture stars two of the original stars, Gwen Verdon and Ray Walston. Tab Hunter will also be seen in a starring role.

Shirley Booth, Anthony Perkins, Shirley MacLaine, and Paul Ford are the stars of "The Matchmakers." Based on the Broadway hit play, the picture is a humorous entry about love and marriage. "The Matchmaker" offers a number of laughs and some amusing scenes, but some may find it too full of conversation and too slow in making its point. The cast characters talk to the audience at times.

"Cat On A Hot Tin Roof" is a well-made film version of the Broadway drama. The play was a hit in New York, and the movie offers the same dramatic situations and characterizations. The featured roles are excellently portrayed by Elizabeth Taylor, Paul Newman, and Burl Ives.

Chi Gamma's "Moon Ball"

By Mike Foster

The Chi Gamma Iota Fraternity will sponsor the "September Moon Ball" Saturday, September 27. The Churchill House at 155 Angell Street will be the scene of this Japanese theme dance.

Dick Caruso's popular orchestra will provide music for dancing from 8 to 12 P. M.

This dance will be the first fraternity sponsored dance of the new school year. In the past, huge crowds have turned out for this annual affair. Tickets for this dance may be obtained from any Chi Gam brother, Phi U. sister, or at the door.

For those of you who are new to Bryant College and may not be familiar with the area, transportation will be furnished from the front of South Hall on Young Orchard Avenue from 7:30 to 8:30 P. M.

September Moon Ball is open to stags or drags, and a large number of both are expected. Chi Gamma Iota would like to express their appreciation to their sisters in Phi Upsilon for their cooperation in planning this dance.

Chi Gam News

Congratulations to Chi Gam's softball team of last semester which continued the fraternity's diamond domination by copping their third successive softball title.

Athletic director Bob Sherlitz is looking forward to this year's football season. Many of last year's gridiron squad are back, and they are bolstered by the addition of several newcomers.

Les stated that all profit from the dance would be turned over to this worthy scholarship fund. He added that this year's Genie Fund dance was the most successful dance yet.
