Medical Secretarial Majors Visit Local Hospitals

By Kay McCormick

During the week of May 4.8 the Senior Medical Secretaries were fortunate to be invited to visit local hospitals for a two-day observation. These field trips constitute an important part of the girls' education and enable them to see the administrative aspects of running a hospital.

This year the two hospitala visited were Rhode Island Hospital, a large, private hospital, and the VA Hospital, which is operated by the United States Government. At R. I. Hospital, the Bryant girls were welcomed by Mrs. Marie Craig, Personnel Director. During the two-day visit, the girls toured the hoapital and viaited the Medical Records, Social Service. and Admitting Departments. They also visited the X-ray Room and the Laboratory.

At the VA hospital, the functions and purposes of that hospital were explain d'Th '1 1 d h the V ospita as a arge group of recreational activities for the patients, including a closed circuit

The apdormitory housing 178 young men proval of the loan was announced under the program for increased by the office of United States Sendtor John O. Pastore on Thurnlay, May 14, 1959.

> The dormitory will be a three story, brick-exterior building with white stone trim in contemporary Colonial design. The building. 175 feet long and 64 feet wide, will be of fire-proof construction with steel girders and cinder blocks

The site of the new dormitory will be the plot of land now occupied by Allan Hall and the Barn Studio. Allan Hall will be moved to a plot of land adjacent to the new dormitory and directly behind the Faculty House. A new foundation will be built for Allan Hall, and a spacious playroom for the use of the women dormitory students will be built in the new basement. Allan Hall will be ready for occupancy at the opening of the Ninety-Seventh year of the College on September 9, 1959.

The basement floor of the new building will provide space for two double rooms housing four senior students with a connecting bathroom. One of the students will act as proctor for this floor. Immediately adjoining the foyer will be a student lounge for the use of the men dormitory students. Adjacent to the student lounge will be a fine recreation room. At one end of the recreation toom will be a small kitchen and on the other side #. vending-machine room. may be obtained from the Student Activities Office, Completed applications must be turned in at the Information Desk in the Administration Building no later than June 15, 1959.

Applications must contain the following data:

- 1. Letter of acceptance from a graduate school.
- 2. Three letters of reference, one of which must be from an instructor the student had in his junior year.
- 3. Transcript of studies from Bryant College.
- 4. Written letter of application in any form designed by the student in which he shall state his need and his deservingness.

Applicants should remember that all scholarships are awarded on the basis of scholastic ability and need. It has been the practice in the past for students to be very vague as regards their need. This can result in some worthy student not getting a scholarship solely because he does not show that a genuine need exists. It is not enough to say that you need financial assistance. You must state facts. If you have to support yeins pareots, say so and give res son why It could decide whether or sos yan get the sward

The construction of a new men's dormitory which will house 178 men is the latest addition to Bryant's ever-growing expansion program. The approximate cost of the new building, completely equipped, will be one million dollars. The dorm will be 175 feet long by 64 feet wide, and will be of fireproof construction. It will be located on the site now occupied by Allan House and the Barn Studio,

will be underway by the first of July of this year. The dormitory represents the first new, large dormitory built on the Bryant campus. We are sure that this will be just the beginning of the development plans for a new and better campus. The new dormitory will be ready for occupancy by the opening of our Ninety-Eighth year in September 1960

On May 8 and 9, Bryant College was host to a teaching conference. Students participating in the conlerence came from Rhode Island and Connecticut colleges, which included Danbury, New Britain, New Haven, and Willimantic State Teachers Colleges, and also Rhode Island College of Education and Bryant. The conference centered around the theme of Evaluation of Our Educational System,

Five panels were set up to discurs current educational problems, including a panel sponsored by Bryant and chaired by Kathleen McCormick. The panel concerned adaptation of the school program to present-day society and the objectives of curriculum and guidance. It also discussed the necessity of extracurricular activities. The panels were held on both Friday and Saturday mornings, and the students agreed that many new ideas and concepts were developed from the discus-

100 Pints of Blood Mr. Sarkisian Makes Sigma lota Chi News Donated by Bryant Plans for Law Club By Joe Bedard

The student body of Bryant College has again proved its enthusiand willingness to co-operate in college sponsored activities as shown in the final results of the recent blood drive.

The records returned by the Rhode Island Hospital show that the total number of piuts of blood donated by the student body was 100. This was 82% or almost twice as many pints as were donated by the school contributing the next matest amount, Brown University, a total increase of 16% over last year's comparative totals with the neighboring university.

The drive, held on Tuesday, May 19, from 8:30 a.m. to 1:30 p.m., in the Student Union's temporary "Hospital Quarters," was conducted under the direction of Mrs. Mary Spiry and Mrs. Bernice Bender, Phlebotomists, who are Rhode Island Hospital staff members.

Donor Identification Cards will be vailable in the Student Activities Office to all the students who donated blood. Any student, who for ome reason or other could not give blood on the day the drive was scheduled and still wishes to donate, may make an appointment by calligg the Rhode Island Hospital Blood Bank, The blood bank is open from 9 a.m. to 6:30 p.m. daily. Competition among the fraternities and sororities for the blood drive troubies was keen.

Mr. Albert Sarkisian, professor accepted as pledgees of Sigma Iota of law, has initiated plans for a law Chi: Gail Davis, Elizabeth Dinardo, club at Bryant. The club already has 216 students enrolled, and the outlook for luture membership is very promising.

The main purpose of the club is to have prominent men in the field received their pledge pins which of law from all parts of the country visit the school and lecture for the members and their guests. Another purpose of the club is to set up panels composed of club members, who will discuss controversial issues. These panels will discuss such topics as labor and management, fair housing, and segregation. It is hoped that many of these disstalled. cussions will take place on television and radio.

The first meeting of the newly organized club was held in the gymnasium on Thursday, May 21, Each student was asked to fill out an application blank and state whether he would serve on a committee or be willing to be a representative of the Club in his division or class.

The structure of the club will be similar to that of a corporation said Mr. Sarkisian. An executive committee, which will be composed of one member from each division or class, will be the policy-making body. There will be a president, vice-president, treasurer, and secretary, and, in addition, three recording secretaries.

Mr. Sarkisian stated that the students' interest in law at Bryant was one of the principal factors which induced him to start this law club. He is sure that if the students **Delta Sigma Chi News** continue to show as much interest as they have, the club will be a

Friday night, May 15, informal initiation was held for two pledgees of Kappa Delta Kappa. After the initiation, which went off perfectly, the sisters were happy to welcome Nancy Hemmingway and Agnes Wheeler to their sorority. The two girls are both in their second semester at Bryant and will surely add a great deal to KDK.

May 16 a surprise wedding shower was given for Louise Champeau and Barbara Duquette at Barbara's home in Providence. There were refreshments, favors, and of course, the beautiful gifts received by the two girls to help them on their way to marriage.

Mrs. Lunnings, a graduate of Bryant in 1934, was a guest from mumbling congregations at the weekly meeting of KDK on May 19. Mrs. Cummings spoke to Kappa start an Alumni Council of station

its own, but this subject is to be discussed further. The members of the present Council are past gradue ates of Bryant College who devote their time to the school and its various activities.

The sisters of KDK have acquiced sorority pins and will soon be sporting them around campus.

The pledge banquet of KDK and TE is to be held on the Friday night of Alumni Weekend at Green Main or. Both the sorority and fraternity have been busy planning to make this one of their best pledge banquets.
