Dear Sir:

I just received your letter and the November issue of "On the Campus." I must admit it arrived a little late but I assure you it was much appreciated. No matter how old the news, any news about my old College Polo is certainly welcome.

I had the pleasure of meeting Ensign John J. McCracken a while ago and we talked about "the good old Bryant days" and we both agree that the Bryant Seaside Club is really doing a wonderful piece of work and the people

enjoy both overseas and at home.

I am certainly looking forward to the day when I can return to Bryant and thank all of you personally

Sincerely
Ernest S. Jordan
