ALUMNI CHARGE

by Robert E. Danielson '67, MBA '80
President of the Alumni Association Executive Board

On behalf of the Alumni Association of Bryant College, I would like to congratulate you on this memorable occasion, Commencement 1986.

Upon graduation, you enter into a very special relationship with Bryant College, one that extends years beyond the ones spent at Bryant as a student. You are about to become an integral part of another vital component of the College - the Bryant College Alumni Association.

The Alumni Association comprises 27,000 graduates. As alumni, we have certain obligations to the College. One of the most important obligations we have is to represent the College with integrity and professionalism to our associates in business and in the communities in which we live. We do not bear this obligation alone since it is shared equally with faculty, administrators, and students. Our accomplishments will only further enhance the fine reputation of Bryant College.

The Alumni Association has been organized to provide a vehicle for you to stay in touch with the College and your classmates. The Alumni Association operates through an elected Executive Board with planning and administrative support provided by the Office of Alumni Relations. Programming and planning for specific alumni events is done through local alumni chapters throughout the country. Our association is an important resource to the College. Our alumni serve on various College committees, curriculum advisory councils, and on the Board of Trustees. Through us, Bryant College has kept abreast of changes in the business environment.

Through alumni financial support, Bryant is able to retain and advance its reputation as a leading business institution by attracting quality faculty, administrators, and students. It is in all of our best interests to see these efforts continue.

I would ask that each of you consider the pride, friendships, and knowledge gained through your association with Bryant College and make a personal commitment to insure that future classes will depart with the same sense of pride that I know you are experiencing today. Take an active part in your alumni association and local alumni chapters. By pooling our knowledge, energies, and financial resources, we can insure that Bryant College will remain a leading institution of higher education.

ACADEMIC HERALDRY

The history of academic dress worn today dates back to the universities of the Middle Ages. A statute of 1321 required the wearing of gowns by all scholars and clerics. Probably the warm gown and hood were practical in the unheated buildings.

Students at most American universities wore caps and gowns daily while in residence until after the Civil War. These varied in design until they were standardized by the American Intercollegiate Commission in 1895. While the academic costume code has been modified over the years, the general characteristics of the initial requirements still prevail. The uniform system of academic heraldry serves to indicate the level of degree, the field of study in which it was earned, and the institution by which it was granted. The gown for the bachelor's degree has pointed sleeves and is designed to be worn closed. The gown for the master's degree has an oblong sleeve and can be worn open or closed. The gown for the doctor's degree has bell-shaped sleeves with black velvet facing down the front and three bars of the same across the sleeves. However, these facings and crossbars may be in the color distinctive of the subject to which the degree pertains. At Bryant College, the president and the honorary degree recipients wear gowns especially designed and trimmed in the College color of gold.

The academic hoods are lined with the color of the university granting the degree. The border of the hood is in the color of the discipline in which the degree was earned. For example, colors associated with different subjects include: light brown (or sapphire blue) for commerce, accountancy, business; copper for economics; light blue for education; peacock blue for public administration; purple for law; and white for arts, letters, humanities.

The length of the hood varies slightly for bachelor's, master's and doctor's degrees. Today, the hood for those receiving bachelor's and master's degrees has been replaced by the mortar-board or cap with long tassels in black or in the color appropriate to the subject. It is often the tradition of the candidates for degrees to wear the tassel on the right front side before the degree is conferred and to shift it to the left when the degree is awarded.

HARRIET C. JACOBS MEMORIAL MACE

The College mace is carried at Commencement exercises and at other College celebrations. Crowned in gold, the mace has the two dominant emblems of the institution: the seal of the State of Rhode Island and the seal of Bryant College.

The Bryant seal represents the educational mission of the College and its worldwide implications. The central symbol is an ellipsoid globe with quills on each side to signify the traditional emblem of communication in business. In the center, behind the globe, is a torch symbolizing liberty, the spirit of free inquiry, academic freedom, and learning. The Archway, forming the background for the globe, torch, and quills, is a College landmark affectionately remembered by thousands of alumni. The Latin motto expresses the purpose of the College: "Educando Dirigere Mercaturam" - Education for Business Leadership.
