Dear Friends,

This will just be a short note to let you know that I received your gift, and will to thank you for it.

I am now in Nashville to take my classification exams, which will classify me as either pilot, bombardier or navigator. I have already finish my exams, and now I am just waiting for the results. I have my fingers crossed.

I wish to thank you again, and want you to know that the gift was greatly appreciated.

Respectfully
Aaron Hapit
