DICK BARTELS NAMED MR. BRYANT OF 1964

By Fred Ricci

On April 3, Dick Bartels, a senior at Bryant College, was named Mr. Bryant College at the annual Mr. Bryant College Weekend sponsored by Tau Epsilon Fraternity. Dick, a resident of Providence, is known by many students at Bryant for his active participation in various college activities. He is President of Chi Gamma Iota Fraternity, Vice-President of the Student Senate, Member of the Greek letter Council, Supervisor of the Student Union, and an Intramural official for Basketball and Volleyball.

The Mr. Bryant College weekend commenced at 8:00 p.m. on April 2 in the Bryant Auditorium. Each Sorority and brother Fraternity had been reserved certain sections in the auditorium in order that all sorority members could cheer for their candidates. When everyone was seated, Mr. Kenneth La Salle, President of Tau Epsilon, introduced the eight candidates for the title of Mr. Bryant College and also introduced the judges who were Mr. Fred Gaucher, Mr. John Renza, Miss Diana Gallant and Miss Joan Zeller. The candidates were judged in two situations. First, each candidate was to be presented with a situation involving a date with a girl. Second, each candidate had to answer various questions asked by the judges. Richard Bartel's situation was as follows: He was to persuade a girl who was dressed formally to go to the ball with him on his motor-scooter. The questions asked of Richard dealt with his views on certain current events. At the end of the performance, the members of the audience voted their choice for Mr. Bryant College.

On Friday, April 4 at 8:00 p.m.,

the annual Mr. Bryant College dance was held at the Alpine Country Club in Cranston, Rhode Island. Each couple was presented with a favor and a booster booklet, and was entertained by the music of Tony Abbot. At 10:40 p.m. Mr. Kenneth La Salle announced the candidates for Mr. Bryant College as they approached the stage escorted by the presidents of the sponsoring sororities. Everyone anxiously awaited to hear the name of the new Mr. Bryant College. Finally Mr. La Salle announced that the winner was Richard Bartels, sponsored by Phi Upsilon Sorority. A loud, favorable response prevailed as Dick Bartels was crowned Mr. Bryant College of 1964.

On Saturday night the final event of Mr. Bryant College Weekend took place in the Bryant Auditorium. This was the night when each fraternity and sorority displayed its talented members, who participated in the Mr. Bryant Folk Singing Contest. The first place winner of this event was the "Sibbies Five" representing Sigma Iota Beta Sorority. The "Sibbies Five" — Megsie Sanford, Clair Bosma, Christine Cudak, Brenda Billings, and Sue Taveira — sang the ballads "Morning Train" and "Summertime." In second place representing Sigma Lambda Pi was Ray Mitchell who sang two spiritual songs.

The Mr. Bryant judging on Thursday, the dance and announcement of Mr. Bryant on Friday, and the Folk singing contest on Saturday made the Mr. Bryant College Weekend an exciting, interesting, and entertaining weekend for all who attended.

The Bryant Indians open the baseball season April 16 with Curry College. On April 22 the Indians play their first home game with the Quonset Flyers to open the home side of the season as well as give our new field its first work-out.

For the past several weeks the Bryant Varsity Baseball Team has been working hard getting into shape.

The first two weeks of practice were divided between two facilities — the tennis courts and the gymnasium. Since scheduling of practice space has always hampered practice time, the Intramural Basketball program was moved to a more appropriate time. With the shift to evenings the intramural basketball games could be scheduled four to an evening, rather than three games to an afternoon, as was the practice in the past. With this move the Varsity Baseball team was able to begin practice indoors four weeks in advance of last year's opening date.

At the first practice held in the gymnasium on March 9, 44 men signed-up for the squad. On the third day of practice 5 additional men decided to try their hand at the game.

As is always the case with any first-day attendance, one person after another found out that this was going to be no picnic. Many men decided for other reasons too that spring training will have to wait until next year.

Although the weather this spring has not been too warm, last week the squad moved into its new "dug out" (the Bryant College Field & Field House). Many of the old timers, Wendell, Santos, Siegal, Breault, etc., said that the facilities offered this year to the ball club were perfect. Last year the team was unable to start practice much before 3:45 because practice was held at MacCall Field in Lincoln, Rhode Island. The new large locker room consists of 54 up-right lockers, a large well equipped stock room, a shower room, and two rest room areas. Also, a large bulletin board has been installed to help

keep the players up-to-date on scheduling, practice time, "Slogan for the Week," and details of the major leagues.

On the side of the building facing the diamond the score board is now under construction. The score board is five feet high and twenty-seven feet long. The numbers will be twenty-four inches high and sixteen inches wide. Name plates for each visiting team will be hung in the visitors' spot on the board.

The ground maintenance crew of Bryant, headed by Mr. William Moses, has worked hard to get the new field in shape. Many small last minute details such as the installations of a rubber, foul line poles, and additions to the fence, as well as the completion of the score board, are being held up only because of the wet season.

This year's squad was decided after two separate eliminations. On April 7 the final squad was chosen. The following men will make up the 1964 Bryant College Varsity Baseball Team.

Constitution Change Tops News of Dormitory Council

By Jan Eaton

The constitution of the Dormitory Council was amended at its last regular business meeting. The amendment is as follows: Amendment to ARTICLE IV — Meetings and Quorum: 3. "There will be no set number of monthly meetings of the Dormitory Council. The Council will meet once a month for a dinner meeting with the Administration. These monthly meetings will be announced in advance at the beginning of each semester. At the request of a dormitory president, a special meeting may be called by the Dormitory Council president."

At the last regular dinner meeting (March 18) of the Dormitory Council, Chi Basso proposed a revision to the system of lates for women dormitory students. This revision was submitted to all of the women's dorms and received a favorable response. The new revision now awaits administrative acceptance.

The newly elected officers of the Dormitory Council are as follows: President, Brien Oshrin; Vice President, Paul Ceresa; Secretary-Treasurer, Bobby Basile; and "Archway" Representative, Barry Steinfink. Their term of office will begin September, 1964 and terminate in May, 1965.

The Dormitory Council Banquet will be held on April 21 at the Airport Motor Lodge. Each house will send its old and new presidents, vice-presidents, and old secretary-treasurers. Buses will leave from Gardner Hall courtyard at 5:30 SHARP. Dinner will be served at 6:30.

The Spring All-Dormitory Banquet was held this past Thursday, April 9, in the college cafeteria. An informal dance followed in the gym until midnight. Many thanks to Brien Oshrin for making this dance possible.

The next dinner meeting of the Council will be held on April 15.

Dorm students—if you have any suggestions or questions to bring before the Council, please submit them to your house president before April 14.

Student Senate Elections Today

By Beverly Samson

Elections for Student Senate officers for the year 1964-1965 are being held today. Since the interest of the student body determines the support of the student government, it is hoped that many students will turn out to support the candidate of their choice. Last year was one of the most highly contested elections in Bryant College's history. The turnout at the elections was 43 per cent of the student body, the largest school-wide voting percentage ever recorded at Bryant.

Why not make this year an even better one?

The present slate of officers for the Student Senate is as follows: President Dick Haines
Vice President Jeff Bulman
Secretary Chris Cudak
Treasurer Bill Carter

The following is their "Statement of Intent":

"Determination is an essential characteristic of leadership.

"I, Richard J. Haines, in the office of Student Senate, will discharge the duties of that office as prescribed in our constitution.

"I, Jeffrey S. Bulman, in the office of Vice President of the Student Senate will discharge the duties of that office as prescribed in our constitution.

"I, Christina A. Cudak, in the office of Secretary of the Student Senate, will discharge the duties of that office as prescribed in our constitution.

"I, William H. Carter, in the office of Treasurer of the Student Senate, will discharge the duties of that office as prescribed in our constitution.

"We, the candidates, will strive to strengthen the Student Senate as the voice of the student body to the Administration.

"We respect and will continue the past policies of the Student Senate.

"We will promote progressive government.

"We will endeavor to coordinate all factions of the Student Senate into a unified student governing body.

"WE ARE DETERMINED!"

Bryant's Accounting Curriculum Registered By New York State Department of Education

Bryant Graduates Now Eligible to Sit for the C.P.A. Examination in New York State

As a result of an application by the College and a visitation by Mr. Robert G. Allyn, Executive Secretary of the New York Board of C. P. A. Examiners, the New York State Department of Education has registered the Bryant College curriculum. This means that graduates of the College who complete the approved curriculum may sit for the C. P. A. examination in New York State provided, of course, that they meet the requirements of age, residence, and experience.

In order to meet the requirements of the New York law, certain minor curriculum changes have been made, reducing the number of credit hours in Accounting and increasing the number of credits in the Economics field. To the extent that it is possible, these changes will be incorporated into the program of the present student body. However, any student who is currently a junior or senior and interested in qualifying for the New York State C. P. A. examination should check with Dean Gulski to see what his problem might be and what steps should be taken to meet the New York State standards.

Unopposed Slate . . .

Christina Cudak, Dick Haines, Jeff Bulman, and Bill Carter.

EDITORIAL

What causes a lack of responsibility in an organization? In our democratic process very few organizations plan events without taking a poll of their members. When the members vote unanimously to have an event, the leaders go out and plan it. It is normal to expect the support of those members when the event is held.

At Bryant we are in a unique position. People seem to vote for events without any intention of attending. This was experienced last week by this writer. The Junior Class at Bryant appears to have a tremendous lack of responsibility. It not only is inherent in the members of the class, but it also exists in some of the leaders. Since the event has already occurred, this article may not be of any present value. It is intended as a warning to all organizations on Campus. When planning an event make sure that you will have the organization behind you. Also remember this as a cardinal rule: be certain that there is not any other organization on Campus that is planning an activity, because they will cut you down internally in the organization, which is right where it hurts.

Another important factor to remember is to be sure that the people that are working on the promotional aspects are dependable and trustworthy. Without good support from promoters the event cannot be successful.

Familiar Sight

Vicky and Mela

A familiar sight on the Bryant campus these days is pretty Vicky Aldersley and her seeing eye dog Mela. Below is a poem by Vicky which expresses her tender affection for her constant companion.

All These Things To Me

When it's time to get up in the early morn,
I sometimes wish that I was never born,
So tired of studying and feeling so blue,
Tired of records, radios, and people too.
I reach out my hand and touch an object on the floor,
So soft and cuddly and never a bore.
With a wag of her tail and a switch of her tongue,
She washes my face and then when that's done,
I'm no longer sad that I was born,
Or that I have to get up so early in the morn,
I climb out of bed so happy to find,
My Four-footed friend, my little sunshine.
While I'm in school, I may drop my pen,
But my pal finds it for me and lies down again.
We go down the street at a rapid pace,
But someone has left an article out of place.
I'm not worried, no not at all,
My dog takes me around it so I won't fall.
While crossing the street I failed to hear,
That speeding car that came so near,
But my dog stopped quick to take care of me,
She is my eyes, because I can't see.
But she's more than a Seeing Eye Dog, she's my best friend,

Student Senate Highlights

By Jeff Bulman

On Wednesday, April 15, from 11:00 to 3:00, voting will take place for the offices of the Student Senate. Voting will be in the Gym.

At the 15th meeting of the Student Senate the candidates for the four offices were interviewed and accepted: Richard Haines, candidate for president; Jeffrey Bulman, candidate for vice-president; Christina Kudak, candidate for secretary; and William Carter, candidate for treasurer. The four candidates are running as a slate and are thus far unopposed.

The Newman club asked for, and received, permission to hold their April 18th dance.

The following figures and facts were sent to the Student Senate by Mr. Falcione concerning conditions in the cafeteria:

1. \$3,500 worth of silverware is ruined each year.
2. Thousands of pounds of sugar and salt are thrown away.
3. Commuters are still bringing in bag lunches.
4. Students are not returning their trays.
5. Students are still using the front door as an exit; this causes dangerous congestion.

It has been suggested that disciplinary action be taken upon students infringing any of the cafeteria rules.

Jeff Proctor, Jack Shakovitz, Ray Joyce and Ed Bailey are the committee members selected to look into the situation.

As there was no further business the meeting was adjourned.

She's gentle and soft and faithful to the end.
She's affectionate when I'm lonely, playful when I'm gay,
A Playmate, a college chum, my eyes so I can see,
Faith, hope and sunshine, Mela's all these things to me.

LITTLE MAN ON CAMPUS

"—WELL, DIDJA EVER STOP TO THINK THAT THIS 'F' JUIS' MIGHT REFLECT A PRETTY POOR JOB OF TEACHING?"

Placement News

By Charlotte A. Kenney

The eighth week of on-campus recruitment got underway with a visitation from the U. S. Plywood Corporation of New York City. On Wednesday, April 8, U. S. Rubber Company visited the campus. On Thursday, April 9, a representative of Kidder, Peabody conducted interviews on campus; in addition, a representative from the state of Connecticut administered the Management Training Program examination to more than 15 Seniors in Kileup Hall. On that day also, the U. S. Marine Corps Officer Program representative was on campus. On Friday of that week, S. S. Kresge conducted interviews in the Placement Office.

During the week of April 13, the following companies (and school systems) will send representatives to the campus for interviews:

- John Hancock—Boston
- Providence Public Schools
- F. W. Woolworth—New York City
- Irons and Russell—Providence
- Jordan Marsh Company—Boston
- Investors Diversified Services of Providence

College Librarian Serves on Committee for National Library Week: Miss Mary Frances Kiely, Bryant College Librarian, was invited by Dr. William P. Robinson, Rhode Island Commissioner of Education, to serve on the committee for National Library Week. This observance took place during the week of April 12.

Gregg Publishing Company Executive Speaks at Workshop in Jacobs Hall: Tuesday, April 14, at 3:00 p. m. Charles E. Zoubek, Shorthand Editor of the Gregg Publishing Company, conducted this workshop commemorating the new Diamond Jubilee Shorthand Series. Approximately 150 teachers of business subjects from Rhode Island, Massachusetts, and Connecticut attended this event. A coffee hour preceded the Workshop. Professor Priscilla M. Moulton, supervisor of secretarial studies at Bryant College, was in charge of arrangements for this Workshop.

Circle K On the Move

The recent Circle K District Convention held in Boston was highlighted for Bryant College by the election of Gerald Czelusniak to the position of Lieutenant Governor. Gery will replace Dave Palmer, also of Bryant College, the present Lieutenant Governor.

Mr. Ed Duprecio, water safety instructor for the Providence Y.M.C.A., was the guest speaker at last week's meeting. Mr. Duprecio emphasized the extreme importance of safety in and around water at all times. His talk, illustrated by many of his own past experiences with water dangers, was well received by the members who were thinking of the up-coming summer months.

The mention of the Bryant College Circle K club in the March edition of the National Bulletin was an honor well deserved after the effort put forth during the recent Blood Drive and Bridge Tournament. Of the 500 clubs in the U. S. and Canada, only a few are mentioned in each edition.

LIBRARY WEEK—April 12-18. During this week the club members will solicit donations to the National Library Week Fund, the proceeds of which will be used to purchase a book set or books needed by our library. The enthusiastic support of this campaign by the student body is greatly needed and any donation will be appreciated.

SURFING MOVIE—Thursday, May 7, at 7:30. On this date the 90 minute technicolor film, "SURFING HOLLOW DAYS", will be presented in the Bryant Auditorium. Admission price will be \$1 and there will be twelve door prizes awarded during the intermission. For those who are not acquainted with this fast growing sport this is a great opportunity to see the thrills and humor of experienced surfers performing in California, Hawaii, Mexico, New Zealand, and Florida.

Screw Products Manufacturing Company of Lincoln, Rhode Island, was the speaker at the dinner meeting of the Delta Omega Professional Society of Bryant College held Monday evening, April 13 at 6:30 p. m. at the Admiral Inn. His topic was "The Challenge of the Sixties." Lee Johnson student president of Delta Omega, introduced the speaker.

National Business Firms Continue Job Interviews: Mr. Stanley Shuman, director of placement at Bryant College, announces that

I WAS A TEEN-AGE SLIDE RULE

In a recent learned journal (Playboy) the distinguished board chairman (Ralph "Hot Lips" Sigafoos) of one of our most important American industrial corporations (the Arf Mechanical Dog Co.) wrote a trenchant article in which he pinpointed our single most serious national problem: the lack of culture among science graduates.

Let me hasten to state that Mr. Sigafoos's article was in no sense derogatory. He said emphatically that the science graduate, what with his gruelling curriculum in physics, math, and chemistry, can hardly be expected to find time to study the arts too. What distresses Mr. Sigafoos—and, indeed, all of us—is the lopsided result of today's science courses: graduates who can build a skyscraper but can't compose a concerto; who know Newton's Third Law but not Beethoven's Fourth Sym-

The lopsided result of today's science

phony; who are familiar with Fraunhofer's lines but not with Shelley's.

Mr. Sigafoos can find no solution to this lamentable imbalance. I, however, believe there is one—and a very simple one. It is this: if students of science don't have time to come to the arts, then the arts must come to students of science.

For example, it would be a very easy thing to teach poetry and music right along with physics. Students, instead of being called upon merely to recite, would instead be required to rhyme their answers and set them to familiar tunes—like, for instance, the stirring *Colonel Bogey March*. Thus recitations would not only be chock-a-block with important facts but would, at the same time, expose the students to the aesthetic delights of great poetry and music. Here, try it yourself. You all know *The Colonel Bogey March*. Come, sing along with me:

Physics
Is what we learn in class.
Einstein
Said energy is mass.
Newton
Is high-falutin'
And Pascal's a rascal. So's Boyle.

Do you see how much more broadening, how much more uplifting it is to learn physics this way? Of course you do. What? You want another chorus? By all means:

Leyden
He made the Leyden jar,
Trolley
He made the Trolley car.
Curie
Rode in a surrey
And Diesel's a weasel. So's Boyle.

Once the student has mastered *The Colonel Bogey March*, he can go on to more complicated melodies like *Death and Transfiguration*, *Sixteen Tons*, and *Boo-Hoo*.

And when the student, loaded not only with science but with culture, leaves his classroom and lights his Marlboro, Cigarette, how much more he will enjoy that filter, that flavor, that pack or box! Because there will no longer be a little voice within him repeating that he is culturally a dolt. He will know—know joyously—that he is a complete man, a fulfilled man, and he will bask and revel in the pleasure of his Marlboro as a colt rolls in new grass—exultant and triumphant—a truly educated human person—a credit to his college, to himself, and to his tobaccoist!

© 1963 Max Shulman

We, the makers of Marlboros and sponsors of this column, urge you not to roll colt-wise in the grass if you are carrying a soft pack of Marlboros in your pocket. If, however, you are carrying the crush-proof box and weigh less than 200 pounds, you may safely fling yourself about.

representatives of the following companies came to the campus during the week of April 6 to interview senior students as job candidates: U. S. Plywood Corporation of New York City; U. S. Rubber Company of New York City; Connecticut Mutual Insurance Company of Hartford; the State of Connecticut; U. S. Marine Corps Officers Candidate Programs; and the S. S. Kresge Company of New York City. As the senior job placement program enters its tenth week, April 13 through April 17, the following companies will send representatives: John Hancock Insurance Company of Boston; Providence Public School System (to interview seniors in the Business

Teacher Education Department); F. W. Woolworth Company of Boston; Jordan Marsh Company of Boston; and Diversified Investments, Inc., of Providence, Rhode Island.

The Deputy Director of the International Labor Office, Washington, D. C. to Speak at Bryant College. David S. Blanchard will deliver an address on Tuesday, April 21, at 8:00 p. m. in the College Auditorium located at 151 Hope Street, Providence, Rhode Island. The public is invited. Arrangements for this lecture were made by Dr. Sol Lebovitz, Professor of Political Science and History.

Indian Award Inaugurated; Brad Dupee Receives Blazer

By Jim Herens

At the Annual Varsity Basketball Awards dinner held at Wayland Manor, March 24, a new award was given for outstanding contributions to Bryant College. Robert Else who is Co-Editor of the 1964 Ledger, Sports Editor of the Archway, J.V. Coach of Basketball, and Assistant Varsity Baseball Coach and Manager was named as the first recipient. Coach Walley Camper also received the Indian Award.

Each candidate for graduation who has received a varsity letter in a sport is given a blazer with the College insignia. Brad Dupee received the blazer award from Mr. R. Hathaway, Director of Athletics, and Coach E. Shannon. Dave Barber, who graduated in January, received his award of a blazer at a dinner given in his honor at that time. Other basketball awards made at the dinner were as follows: Varsity letters, Edward Alsup, Michael Aragao, David Barber, Bradley Duppe, Anthony DeQuattro, Michael Fisher, John Lacerda, Jeffrey Siegel, Thomas Smile, Richard Tellier, James Zorbo. Junior Varsity letters: William Favro, Leonard Nicholosi, Michael Raysor, Donald Travis. Letter and pen set, Fred Edelstein, Mgr; Marbel base pen set, Robert Else; Stephen Richmond, Barry Seigal, and Lyle Wendell.

Various other presentations were made. Dick Tellier, Captain, presented to Coaches Shannon and Duffy, plaques listing the names of all players and assistants. Coach Shannon also received a silver reverse bowl and Coach Duffy, an electric clock. Ernie Calverley, basketball coach of U. R. I. and guest speaker received tittlest golf balls. Joseph Delaney Assistant Principal of Hope High School was given a reverse bowl for his help in scheduling officials for the home games.

The highlight of the evening came when a photographer from T.V. Channel 10 Providence arrived early to take movies for the 11:15 Sports cast.

Fight to Finish In Ten Pin League

By Chuck Grundman

Alpha Omicron continues to lead the league but is being pressed hard by Kappa Tau and Phi Sigma Nu. Any one of these teams could easily win the title. With 100 points towards the George E. Richards trophy at stake the bowlers will be fighting for every pin. The next two weeks will tell who the clutch bowlers are. One mistake could cost the title for any one of the three teams.

Looking at the individual records, Bill Carter has the High-average trophy all to himself. Bill is currently carrying a 181 average. This is the highest average in the history of the Bryant Ten Pin League. Bill also has the total high three games with a 634 series. The individual high game is held by Dave Seranton with a 245.

The Pin Boys hold both of the team records. They hold the total high three games with 2076 pins and the team individual high game of 726.

With trophies to be given to the leaders of these divisions the bowlers will be in their best form for the next two weeks. History has shown that many of these records have fallen during the last two weeks of the season.

A reminder to all those bowlers who intend to enter the New England Ten Pin Championship Tournament: Your entry blanks must be submitted by April 15, 1964.

Bryant College Intramural Basketball

By Dick Bartels

All good things must come to an end and such is the case with the 1964 intramural basketball season here at Bryant. As of this writing six teams are anxiously preparing for the league finals. Let's look at the events which have led these six teams to the finals.

In the Fraternity League Beta Sigma Chi and Kappa Tau both finished the season with one lost. The semi-finals found Beta Sigma Chi squaring off against the third place BIB team. In a close contest all the way Beta managed to pull ahead near the end on the strength of some fine shooting of Jack Toti. Beta now settled down to watch KT and Tau Epsilon match baskets to see which would meet them in the finals. A strong first half carried KT to a ten-point victory. Felix Stintak led KT with 14 points and fine ball handling. Despite a sixteen-point performance by Bob Bancroft, KT advanced to the finals where they will meet Beta Sig.

The Sorority League was a two-team affair from the beginning. The KDK and SIB teams were the class of the league. In the semi-finals KDK overwhelmed SIC by a convincing score of 18 to 5. As usual Kathy Jaworski and Jan Fontaine led the way for KDK. In the other semi SIB trounced Beta Sigma Gamma by a score of 29 to 6. Mary Ann Babilewicz tallied 15 points and Jinny Quinlan had 8 as they led SIB for the triumph. So as expected, KDK and SIB will meet in the finals.

The Independent League saw a fine X's team finish the season undefeated. Led by Joe Tenori, Charlie Andrade, Alan Salisbury, Joe Blasi, and Joe Silverman along with a fine bench, the X's walked over all 7 opponents. Close behind was the Gardner 3rd team whose only loss was to the Xs.

The X's continued their fine play with a convincing triumph over the Wildcats in a very ragged, foul-filled contest. It was by far the roughest game of the season.

Gardner 3rd barely made the finals with an overtime triumph over a game Warlocks team. The Warlocks maintained a lead most of the way, but saw this lead dwindle as first Gomes, their backcourt star, and then Nicholson, their top rebounder fouled out of the contest. The Warlocks had only four players left for the overtime and one of these was injured and near useless. Still, they battled to the wire and there is little doubt that Scotty Robertson's Warlocks were the better team.

However, the breaks went the other way, and the independent finals will match the X's and Gardner 3rd.

The next Archway issue will carry the results of these exciting final games.

Spring Practice — Pepper

Joe Tomaselli hits ground balls to some of the newcomers to Bryant's 1964 baseball team.

Tee Off with Bruce Wilson

The Bryant Golf team is progressing by leaps and bounds. Since the last article the matches for this year have begun to take shape. On April 9 the team had a match with New Bedford Tech and on April 14 there is a match scheduled with R. I. C.

College matches are played on a match play basis. This means that players on opposing teams are paired together according to ability. The match carries for 18 holes or less. It is played on a hole-by-hole basis, and as each hole is played the match either changes up or down. At the end of the match the results of the individual pairings are all totaled, and the result is the overall team score.

The Bryant team is shaping up to be a very well balanced one in its first year of Varsity competition. With a lot of consistent playing by the members of the team, they should finish with a very respectable record.

Teachers To Get Tax Break

Claremont, Calif. — (I. P.) — At long last the professor is getting a break with income tax deductions. After a seven-year court battle, discrimination against college and university professors, who have not been permitted to deduct ordinary and necessary expenses in connection with scholarly research ended recently with a ruling of the Commissioner of Internal Revenue.

The tax return was prepared in 1957, on behalf of the taxpayer, by George Gibbs, C.P.A., Ph.D., in practice in Claremont, Calif., himself a professor at Claremont Men's College.

Harold H. Davis, retired professor of English literature at Pomona College, obtained the ruling and stipulation reversing the decision of the United States Tax Court which had decided against

Bryant Hillel News

By Mel Taplin

The Bryant Hillel Organization has an interesting program planned for the remainder of the school year. Nominations and elections for Hillel officers are now in progress, and all Hillel members should be present at the election meeting. Watch for notices on the date of this important meeting.

The weekend of April 17 will find Bryant students attending the New England Hillel Convention at the Lake Pearl Hotel in Wrentham, Mass. On Sunday, April 19, a Japanese Rabbi will speak at the brunch at the Hillel House. If you would like any information on the present or future activities of your Bryant Hillel, please ask any of the Hillel officers. Hillel activities are organized for your benefit, and all students should take advantage of the varied programs presented by your Bryant Hillel.

Chi Gamma Iota

Chi Gamma Iota Fraternity, in a special meeting held on March 17, elected its new officers for the coming year. The top four offices, it was unanimously decided, should be held by last year's four returning brothers: Jack McKiernan, president; Jim Senese, vice president; Robert Martin, treasurer; Jerry Vachen, secretary; Mike Piazza, assistant treasurer; John O'Connor, sergeant-at-arms; Anthony Coccio, reporter-historian; Bruce Vittner, athletic director; Pat Funicello, pledge master; Lee Gray, Assistant pledge master; Edward Gatzen, Chaplain. The outgoing officers will officially relinquish their duties to their successors at the pledge formal. Sixteen new brothers will also be sworn in at this time.

The pledge formal, held with Chi Gam's sister sorority Phi Upsilon, will be on Saturday, April 25 at the Hearthstone Inn in Seekonk, Mass.

Beta Iota Beta

Pres.—Steve Konish
Vice Pres.—Joseph Nowak
Sec.—James Villa
Treas.—Joseph Uomoleale
Reporter—Steve Turkus

The "May Queen" is May 2 and the brothers of Beta Iota Beta are busy offering boosters and selling ads. The Bryant campus has a new glow since the brothers have replaced their sweaters with maroon blazers.

Brothers Paul Wassel and Bill Conaty have made the Bryant varsity baseball team.

The Elder Lightfoot Solomon Micheau and his "Happy Are We" Choir, Orchestra, and Jugband Number 2 made a big hit at the Mr. Bryant and Barrington High School Hootenannies. They will appear in the Masquers' Showcase later this month.

Six of the brothers entered the political scene recently: Bob Testani and Toby Strianese were elected president and vice-president of Comery House; Paul Wassel, Bill Conaty, and Al Passante were elected president, vice-president, and secretary-treasurer of Barber House; and Barry Steinfink was elected "Archway" reporter for the Dormitory Council.

All the brothers wish to congratulate Frank Reed for his recent marriage to Miss Fredly Vaisburg.

Phi Upsilon

By Lucille Weissmuller

Next year's officers of Phi Upsilon: Jan D., president; Elaine H., vice-president; Stephanie, rec. sec.; Elaine C., corres. sec.; and Paula, treasurer. The remainder of positions will be filled after the next meeting.

Pledge formal time for Chi Gam and Phi U is drawing near and also the Mother and Daughter Banquet. Another occasion is the dinner party at Elsa's Lounge in May.

Sigma Iota Chi

The sisters of Sigma Iota Chi want to thank Bobby Cerrito for the excellent job he did in representing them in the Mr. Bryant contest.

Sigma Iota's Pledge Formal will be held at the Castle in Bristol on April 25.

Sincere best wishes are extended to Betty Ann Coray on her recent engagement to Peter Calise.

TEACHERS TO GET TAX BREAK

(Continued from Page 3)

him (8 to 6) on April 30, 1962. The main issue was the deductibility of the expenses of a trip in 1956 to England where he did research consisting of reading unique works in several libraries while gathering data on the Renaissance Period 1475-1640.

The government contended that because he had tenure he was not required to do this research abroad, nor was it "ordinary and necessary" toward maintaining his status as professor and teacher.

The second issue was the deductibility of depreciation and utilities for the professor's study which had been built especially for his research work. Mr. Gibbs carried the case through three levels when disallowed by the Internal Revenue auditor, by the informal conferee and by the appellate division. In the Tax Court, the case lost by a narrow margin.

After the appeal was filed the government asked for a delay and a conference was held in Washington on June 3, 1963 with the Commissioner of Internal Revenue. Subsequent to this meeting the main issue of the travel expense for research has been settled in favor of Prof. Davis by the issuance of Revenue

Alumni Corner

Miss Lois L. Wartman '45, credit manager of Davol Rubber Company and 1960 Alumni Award recipient, and Mrs. Gertrude M. Hochberg, College Director of Public Relations, have been included in the 1964-65 Third Edition of Who's Who of American Women.

Our congratulations to them!

American Airlines has assigned Eleonora "Ellie" Caradelli '61 to their Astrojets flying out of New York City.

A sister of Sigma Iota Beta sorority and active member of the Springfield Alumni Club, she trained for her wings at the American Airlines stewardess college in Fort Worth, Texas.

Until recently she was a statistician at Philip Hano Company in Holyoke, Massachusetts, and was 1962 runner-up in the Miss Springfield contest.

Donald S. Jones '30, President of Commercial Credit Corporation, has announced the promotion of R. Gilmore Bray '36 to National Claims Director, with offices in the corporation's headquarters in Baltimore.

Gilmore was most recently Boston Division Manager and has been associated with Commercial Credit Corporation since graduation.

Chase Manhattan Bank has named Robert A. Boucher '51 as a senior systems analyst. Formerly associated with Monsanto Chemical Company in Springfield, Massachusetts, he had been assigned to their St. Louis, Missouri installation.

Benjamin Alfano '52 has been named an assistant director of the Rhode Island Blue Cross and Physicians Service.

John G. Winters '52 has been appointed assistant treasurer and manager of the Somerset office of the First Federal Savings and Loan Association of Fall River.

Kelly & Picerne, Inc., a Rhode Island real estate firm, has elected Merrill G. Cornell '53 a vice president.

Peter O. Kilbourn '57 has been named an associate member of T. R. Preston Company, realtors in West Hartford, Connecticut. He will specialize in the sale of residential property.

Owens-Illinois Glass Company has promoted Joseph Lemieux '57 to the position of Cost Control and Accounting Supervisor of their Clarion, Pennsylvania, plant.

Sylvania Electric Products has named Arthur L. Duggan '60 as Personnel Manager for their new plant in Exeter, New Hampshire. He was formerly assistant personnel director at their Montoursville, Pennsylvania, plant.

Charles O'Connell '50 has been promoted to Finance Director for the City of East Providence, Rhode Island. He has been controller of the Finance Department.

Ruling 63-275, and the second issue of depreciation and utilities for the study has been settled by stipulation of the government. Thus the case, which started with a deduction in 1956, need not be heard in the Appeals Court. (These two rulings will thus apply to all professors in the same circumstances.)

In his dissenting opinion in the Tax Court, Judge Arnold Raum stated that 28 years ago the interpretation of "ordinary and necessary" as "appropriate" was established and that the government has been wrong ever since in following other cases.
