#### ALUMNI TO MANAGE HOMECOMING

This year the management and financial responsibility of the Alumni Banquet and Dance has been put into the hands of the Alumni Council by the College. We are delighted to accept this responsibility. Our aim is to build a constantly better College-Alumni relationship—a real partnership embracing the alumni, administration, trustees, faculty and students joined in the task of enriching our educational fellowship.

RAYMOND H. HAWKSLEY,  
President Alumni Council

SEN. JOHN O. PASTORE

Through the good offices of the Honorable Raymond H. Hawksley, General Treasurer for the State of Rhode Island, we are most fortunate in having as our Banquet Speaker on May 19 one of Rhode Island's most illustrious citizens—United States Senator John O. On Friday, May 18, Bryant sororities and fraternities will present a hilarious evening of fun with "Stunt Night." Prizes will be awarded. Major events on Saturday afternoon are Dr. Henry L. ## Know Your Faculty

**MRS. THOMAS HOEY**  
(RITA CASSELLS)

Mrs. Hoey is Secretary to President Henry L. Jacobs. She lives at 9 Leonard Street in North Attleboro and has a son "Kevin" who goes to Saint Mary's School and who will be seven in May. Her husband is Superintendent of the L. S. Peterson Company, jewelry manufacturer in North Attleboro.

"Rita" as she is known by her associates, graduated from Bryant in August, 1933 with a degree in the BSS Division. She won the John Robert Gregg Award for efficiency in shorthand. While in College she was a member of Kappa Delta Kappa and worked part-time with Dean Blanche Stickney, then head of the Secretarial Department.

Long a resident of North Attleboro—she graduated from the North Attleboro High School—Rita has been active in social work. She is Past President of both the Catholic Women's Club and the recently formed Emblem Club. Both these organizations are engaged in charitable enterprises. Her husband is Past Exalted Ruler of the Elks and Chairman of the Zoning Board.

When Rita first became associated with Bryant—in December, 1933—the school was on Fountain Street. Having worked in many departments she has been intimately associated with its remarkable growth. At one time she was in charge of the girls' residence houses and of the book store. She says, "I have seen at first hand how Dr. Jacobs has put into effect those policies which have made the school so successful. I feel fortunate to have been so closely associated with him for so many years."
