

CAMP CROWDER
MISSOURI

Bryant Service Club,
Was very happy to receive
your letter and the list of
addresses. It is swell of you
to write to us boys and let
us know what is going on back
at Bryant. Though we are far
away from school, we are happy
to hear of the happenings at
school.

I am glad to hear that Tau
Epsilon still exists as a fraternity.
I was afraid that all the
members would go into the service.
I am going to Radio Operator School,
and so far everything is okay. I
have about a month or slightly
more to go.

I hope that I can come back
to Bryant again and see some of
the Professors and students. Thanks
again for the addresses. I sure
will make use of them.
An X Student
Capt. Joseph Riella
