Doctor Frederick  
Douglas Hammond  
Appointed Registrar

Bryant College President Henry L. Jacobs has announced the appointment of Doctor Frederick Douglas Hammond to the position of Registrar of the College.

In his new position, he will maintain the academic records of all day students, evaluate transcripts for transfer credit, prepare academic schedules and issue transcripts to alumni of the College.

Doctor Hammond came to Bryant College in September 1935 from a faculty position at Gowanda College in New York. He is a graduate of the Syracuse School of Engineering and was assistant superintendent of the General Electric Company in Providence. Studying at Boston University, he earned the Master of Education and Doctor of Education degrees, the latter with a major in tests and measurements.

His active interest in railroads and railroading is well known to alumni. He is a Senior Warden of the Church of the Redeemer (Episcopal) in Providence and is a Mason. The Hammonds reside in Providence.

THROUGH THE GENEROSITY OF THE STANDISH-JOHNSON OUTDOOR ADVERTISING AGENCY the spring Rhode Island countryside and metropolitan areas have acquired the second of a series of outdoor panels supporting higher education in Rhode Island.

Twenty strategically located panels have been used to display the message "Education for Business Leadership—Bryant College" throughout Rhode Island. This series is a project of the well-known outdoor advertising company headed by Mr. Howard M. Johnson, President.

The design and execution of these posters was done by Mr. Russell J. Polk, Manager of the Poster Division.

Our alumni are most appreciative of this effort by Mr. Johnson's company and we all share in the pride that these posters bring to our alma mater.

## MESSAGE FROM THE HOMECOMING CHAIRMAN

To my knowledge this is the first year that a woman has been given the privilege of serving as a Homecoming Chairman.

On behalf of our committees I want to extend a most cordial invitation to you to

join with us at the annual Homecoming that will be held this year on June 9 and June 10. I am sure that you will enjoy seeing friends and classmates whom you have not seen for some time.

Alumni of fraternities and sororities will, no doubt hear from their alumni associations in the near future concerning the activities that are planned for the Friday evening.

It is my hope that you will take advantage of the combination tickets that we are making available this year—luncheon, banquet, and dance.

Although it sounds trite, I am sincerely looking forward to meeting you this year at Homecoming.

Sincerely yours,

*Elizabeth A. Neilan*  
General Chairwoman

s/ Betty

Members of classes graduating in 1911 or before are to be guests of the Alumni Council at the noon meal, Saturday, June 10.

Special recognition of the Class of 1911 is planned; however, we are asking each of you who read this invitation to send the names and addresses of any members of this class, who are not receiving the BULLETIN to the Alumni Office. An invitation will be sent to them so that they may share in this program.

## YOUR SCHOLARSHIP FUND REPORT

Despite the handicap of late delivery of the printed material for the last appeal for scholarship funds, almost \$500 has been added to the funds to be made available for this purpose, it has been announced by Chairman Albert O. Putnam.

When grades were released at the end of the last semester, it was also learned that the present holders of Alumni Scholarships, Robert Brennan and Louise Merdianin, are continuing their excellent academic work.

Received through March 31 were fifteen gifts of \$1, eighteen gifts of \$2, three gifts of \$3, one gift of \$4, thirty-four gifts of \$5, eighteen gifts of \$10, two gifts of \$15, and one gift of \$50. Listed below is an acknowledgement of these gifts by class year.

### Curran '32, Succeeds Appleby '17, At R. I. Hospital Trust Co., Pennell '33, Appointed To New Position

Leonard J. Curran, Assistant Vice President of the Rhode Island Hospital Trust Company, has been named to succeed Harold W. Appleby, who recently retired, as officer in charge of the installment loan department.

Mr. Appleby entered the employ of the bank in 1920 and was associated with the Pawtucket Office of the bank for 33 years. In 1953 he was named an Assistant Secretary and was transferred to the Providence office. He was elected an Assistant Vice President in 1957 and made manager of the installment loan department. He resides in Lincoln, Rhode Island.

Mr. Curran began his association with the bank in 1955, having been associated with Commercial Credit Corporation as local manager. Having served as a sales promotion representative for the installment loan department, in 1957 he was elected an Assistant Secretary, and in December 1960 was named an Assistant Vice President. He resides in Warwick, Rhode Island.

Promoted to the position of Manager of the safe deposit department of Hospital Trust was James E. Pennell of Cranston, Rhode Island. Mr. Pennell was associated with the Phenix National Bank of Providence before it merged with Hospital Trust. He has worked in the loan departments at the Bank's head office and Howard Building Office, and in 1959 was transferred to the public relations department.

Active in many civic organizations, Mr. Pennell resides with his wife Doris and their two children at 67 Forsythia Lane, Cranston, Rhode Island.

Jim and his wife, Marie, reside at 137 Pierce Street, East Greenwich, Rhode Island.

## Gorham and Naglieri Complete Graduate Work

Two classmates of the Class of 1959 have continued as classmates at the Graduate School of Suffolk University. In June each will receive a Master of Science degree in Business Administration, majoring in Economics and Government.

Howard Gorham, a native of Norwalk, Connecticut, came to Bryant after a semester at the University of Connecticut. While at Bryant he was active in Delta Omega Professional Society. He was accepted for admission to Suffolk's graduate school in 1959 and was married to the former Miss Barbara Goertz in the fall of that year.

The subject of Howard's thesis is "An Analysis of the Dow Theory."

Thomas Naglieri, a past-president of Beta Iota Beta fraternity, is a native of Lynbrook, New York. He and Howard shared an apartment in Brookline until Howard married and moved with his bride to an apartment of their own.

The subject of Tom's thesis is "The Impact of Wage Incentives on the Cost of Manufacturing."

Both young men are presently considering job placement.

## Varsity Basketball and Baseball Considered for '61-'62

Not since the early 1950's has Bryant had a varsity basketball team to compete within a small college and teachers college league.

With the advent of the three-year program, it is under serious consideration that a varsity team be established. Arrangements are being made for the use of nearby facilities to accommodate students, alumni, and the general public for the public exhibition of the games.

Talent will be drawn from the present intramural leagues, as well as entering students in September.

Varsity baseball is also under consideration. Further news of these two varsity sports will be reported in future issues of the BULLETIN.

## COLLEGE HEALTH SERVICE PROVING ITS VALUE

Although the campus has had its share of coughs, sniffles, and virus infections, the loss of class hours and the length of confinement for various student illnesses has been reduced considerably since the establishment of the College Health Service.

Available to all students, faculty, and administrative members, the clinic is located in Gardner Hall. It is headed by Mrs. Sadye E. Luft, R.N., formerly a staff member at Rhode Island Hospital. Health records and other pertinent forms indicating the most recent inoculations and treatment are maintained for all students enrolled at the College.

Doctor William L. Leet, a member of the College's physicians referral staff, is on campus during certain hours for three days each week so that students may have diagnosis and initial treatment. He will also have an office in the clinic and commencing in the fall will be on campus every day during the week.

Mrs. Sadye E. Luft, R.N.  
Director—College Health Service

The clinic now includes two examining rooms, a therapy room, and an office for the Director. Additional facilities for men and women who contract an unexpected illness or who will require close medical attention or isolation will be ready by September, and will be adjacent to the clinic.

The clinic facilities were put to use recently during a blood drive for the Bryant College Blood Bank at Rhode Island Hospital.
