HOMECOMING JUNE 3 AND 4 VARIED ACTIVITIES FOR RETURNING ALUMNI

A MESSAGE FROM OUR PRESIDENT

Once more I look forward to meeting and greeting you as you return to the campus for the 1960 Homecoming. A warm and gala reunion is planned which none of you will want to miss.

Your National Alumni Council informs me that many committees are working hard to make this June Fourth an outstanding get-together.

I look forward to seeing you all at this celebration. I understand there will be special recognition of all who are observing a five-year class reunion anniversary. This is a significant milestone and the prospect of sharing this fills me with great pleasure.

MESSAGE FROM THE HOMECOMING CHAIRMAN

As the Homecoming Committee reports were made at our meeting in the Student Union April 11th, it seemed most apparent that this 1960 Homecoming will be one of those experiences that you will not want to miss.

The fraternities and sororities are working hard to make their sponsored event Friday evening greater than last year, and have pledged their co-operation with the Alumni Council sponsored activities Saturday, June 4.

I shall be looking for you June 3 and June 4 on the Bryant campus.

Cordially yours.

Raymond H. Hawkstey
General Chairman

1960 HOMECOMING PROGRAM

Installation of IBM Equipment Completed and in Use

The revised Office Machines course for all Accounting majors is in effect and is being enthusiastically received by the students. Henry L. Foley, '53, Assistant Professor of Accounting, is instructing the present classes in the use of the sorter, printing card punch, and alphanumeric accounting machine.

Classes are small, with opportunity for the student to plan operational wiring and actually operate the machines. The course lasts one-half the semester. The student then completes his orientation to the usual office machines: comptometer, adding machine, calculator, billing machine, and payroll accounting machine.

It is the purpose of the Office Machines course to give a student the basic information about the IBM system and its usual applications.

The IBM installation is housed in the single classroom building near Memorial Hall.

FRATERNITY AND SORORITY REUNIONS

Many of the Bryant College Greek Letter organizations have planned special activities for their returning alumni. Because of the printer's deadline and the indefiniteness of some group's plans, the details of these activities could not be included in this issue of the **Bulletin**.

All of the alumni associations have indicated that they will contact their members directly; however, if you have not heard from your group by May 1, drop a postal card to the Alumni Office. Your group may not have your correct mailing address.

EASTERN REGIONAL ABWA CONFERENCE AT BRYANT

Chairman

The American Business Writers Association will hold its 1960 Regional Conference April 29 and April 30 on the Bryant College campus.

The theme of the conference will be "Business Writing Blueprints for the '60's."

The program will include a Saturday morning address by John S. Baily, Assistant to the President of Northeastern University, Boston, entitled "Communications, A Bridge Between College and Industry."

A panel discussion entitled "Upgrading Business Writing Courses for the '60's" will be moderated by David M. Brooks, Jr., Assistant Professor of Speech and English at Bryant College. The panelists will include Professor Harrison Cameron, University of Hartford; Professor George Grob, Boston College; Doctor John H. Fielden, Assistant Editor, "Harvard Business Review"; and Mr. Harold Larkin, Editor, "Apparel Register Publication", Boston, Massachusetts.

Mr. Leo G. Sands, a Public Relations Consultant and Publication Director from Ridgewood, New Jersey will address the group Saturday afternoon.

Associate Professor of English Robert L. Larkin of Bryant is the 1960 Conference Chairman. He was recently appointed to the National Membership Committee of the ABWA. Dr. Erwin Keithly, Professor of Communications at the University of California at Los Angeles is president of the ABWA.

ALUMNI SCHOLARSHIP FUND CAMPAIGN IN EFFECT

Each of you has, no doubt, received the information sent to you by Albert O. Putnam, '50, concerning the Bryant College Alumni Scholarship Fund.

Much thought and consideration were given to this campaign by the National Alumni Council, and we are certain that you will all give this project of the Council your earnest support. The funds you send to Al will be used to give financial aid to students already enrolled at the College to enable them to complete their degree work. The size of the financial grant is usually \$200 to \$300, and is determined by the financial need evidenced by the student's application and the references he provides.

Contributors' names will be printed in each issue of the Alumni Bulletin. Put your contribution to the Bryant College Alumni Scholarship Fund into the mail today. It is urgently needed.

CONSTRUCTION OF MEN'S DORMITORY CONTINUES

Working against time, the H. V. Collins Construction Company is rapidly completing the exterior work on the new men's dormitory.

Occupancy of the new building has been tentatively set for the second week in September, although some work will be completed later.

CLASS OF 1950 MAKES PLANS FOR HOMECOMING

Initial interest has been shown by several members of the Class of 1950 to plan a get-together Friday evening, June 3, Homecoming weekend.

George Mushinsky and Joseph Sherman are getting final details together for this affair. It is hoped that it can be held in a location convenient for commuters and those who might plan to come to Providence that evening.

If you would like further information concerning this activity get in touch with George at 80 North Colony Street, Wallingford, Connecticut, Colony 9-4026 or Joe at 16 Winfield Road, Johnston, Rhode Island, TEmple 1-1513.

They are waiting to hear from you with your ideas.
