Dear author,

Before publication, it is decided that this final proof should be sent to the authors once again for careful reading and re-check, to rule out the mistakes / errors of all kinds.

Download "final proof". Read them carefully with particular reference to the following points:

1. Check with care all the symbols in the text. If some corrections are left out, **highlight them** and attach notes on how to correct directly in the PDF file.
2. No revision will be allowed after the final proof.

[Rahyunir Rauf](#), [Rendi Prayuda](#), [Yusri Munaf](#)

Please return the corrected final proof **ASAP**.

It is our mutual responsibility that the academic works published in the journal should be "mistake or error free" and of quality as well. Our attention and efforts to this would make the journal still better, besides enhancing the utility of your published research.
