## **The Caravan**

Torn between two worlds  
The old and the new  
Obligation on one side  
Or experience anew  
To leave is to betray  
To stay is to miss out  
Which is worth more  
And which will you go without

But alas there's a change  
A capsizing that's righted  
The choice is a myth  
That the two are not united  
To travel and grow  
Yet come home the same

For years we've been trusting  
In a dichotomy disproven  
That to leave is to lose  
And to stay is to dwindle  
But both are available  
To those that want them

Abroad and alone  
Or at home and ungrown  
Neither is possible  
When you leave with those you know
