## IHL: UM Chancellor Search: Reminder for Committee Nominations

MAY 24, 2019 BY IHL

**Reminder: Nominations for Campus Search Advisory Committee due Friday, May 31**

The Board of Trustees of State Institutions of Higher Learning issued a call for nominations for members of the University of Mississippi Campus Search Advisory Committee last week. The deadline for recommendations for members of the Campus Search Advisory Committee is **Friday, May 31, 2019**.

Representatives from all stakeholder groups, including students, alumni, faculty, staff and the community are needed on the committee. Nominations may be submitted via an online form at <http://www.mississippi.edu/ieo/um/constituency.asp> or by mailing a letter of recommendation to ATTN: UM Campus Search Advisory Committee, Mississippi Institutions of Higher Learning, 3825 Ridgewood Road, Jackson, MS 39211. Both self-nominations and nominations of fellow members of the UM campus community are encouraged.

Members of the Campus Search Advisory Committee will be asked to attend in-person meetings, participate in conference calls, and review materials through a secure website. Some of the meetings and conference calls will be held before classes resume for the Fall Semester.

According to Board of Trustees Policy **201.0509 D**, members must provide assurances that “they have not formed any opinion as to the identity of the particular person that should be selected as the IEO, that they have no personal, professional or other relationship with any person that they understand may be a candidate that would impair their objectivity in fairly considering all candidates, that they will endeavor to remain open to considering all persons that apply in a fair and unbiased manner, that they will not agree with any person to advocate or campaign for the selection of any particular candidate, and that they will not reveal any information about any applicants, before or after the conclusion of the search.”

For more information and to track progress on the presidential search, visit the Mississippi Institutions of Higher Learning’s Web site at <http://www.mississippi.edu/ieo/um/> and through Twitter @MSPublicUniv and @UM\_Search.
