# PARKLAND PROSPECTUS

Vol. 15  
No. 27

## Stugo Elections next Wednesday

### Student Government Elections 1981-82

The student body will vote on Wednesday, April 29 and Thursday, April 30 from 10:00 a.m. to 2:00 p.m. and 6:00 p.m. to 8:00 p.m. to elect the following: President, Vice President, Senator (elect 5), and Treasurer.

Job Description — Available in the Activities Office (X-153) or call 351-2264 or 351-2267.

Requirements — Candidates will be currently enrolled students. Officers and Senators must be enrolled in not less than 8 hours with a grade point

average of not less than 2.0.

**Campaigning** — Campaigning is permitted on campus Thursday April 23 at Noon. Candidates may request instructor's permission to speak to classes.

**Approval of campaign material** — All campaign material must be approved by the Election Board previous to distribution on campus. Materials should be left in the Activities Office and will be approved by the Board before 3:00 p.m. daily.

**Elected to office** — A candidate must receive a plurality of votes cast for the position in order to be elected to

office.

**Name on Ballot** — Candidate's name will appear alphabetically for each office on the ballot as written on the "Official Application" as submitted by the candidate. Any changes may be requested at the candidate's meeting.

**Candidates Meeting** — Thursday, April 23 at 12:30 p.m. in X-161 is the deadline for petitions. Candidate who has submitted a completed petition by this date and time and has met all requirements for the office will have their name on the official ballot. Others may be write-in candidates.

**Polls** — Polls will be located

in the college center. The polls will be operated by 2 poll workers (preferred) assigned by the Election Board Chairman. Candidates, write-in candidates, campaign managers & supporters are prohibited from campaigning on the wooden floor surrounding the voting area.

**Audit** — An audit of the election must occur within six hours of the following college day, May 1. Any candidate requesting an audit should submit his/her request in writing to the Election Board Chairman within the stated time. Requests submitted after this period will not be honored.

**Tallying Ballots** — Ballots will be tallied immediately upon closing of the polls on April 30. Due to limited area for tabulation, only members of the election board and candidates or their representatives will be permitted in the tally room.

**Campaign Material** — Posters and campaign material are prohibited on any surface other than mounted bulletin boards, tack-strips, or wood posts (tack or nails are not permitted on the wood posts).

Posters may not be placed on glass surfaces, doors, vending machines, floors, ceilings or walls, or attached to wood posts by tape.

## "Love Our Prairie Land" this week.

"Love Our Prairie Land" is the theme of Environmental Week activities planned for April 20-26 at Parkland College. All activities are free and the public is invited to attend.

On Illinois Arbor Day, April 24, four tree planting ceremonies will be held at Parkland's Arbor Grove at 9, 10 and 11 a.m. and at noon. The grove was established in 1980 and is located on the campus south of the barns near Bradley Avenue. This year black walnut trees, a variety once common to the central Illinois prairie, will be planted during the festivities.

Other activities scheduled include a Nature Lovers' Film Festival and a nature walk at Parkland. The series of short films will be shown at 11 a.m. Tuesday, April 21, and at noon on Thursday, April 23. Films included in the showing are: "The Prairie," "The Prairie That Was," "The Redwoods," "Red Men and Red Cedars," and "Barry Commoner's Viewpoint."

David Monk, director of Educational Resources in Environmental Science, Champaign, will introduce prairie land forms and vegetation in a slidelecture at noon, Wednesday, April 22, under the Parkland Library steps. He will also conduct

a nature walk around the Parkland campus. Natural and historical landmarks will be identified during the walk. Van transportation will be provided for non-walkers. Those interested in the nature tour should meet under the library steps at 1 p.m.

## We're sorry

Letter from the editor

The Prospectus has gone to four pages the last couple of weeks because of a definite lack of advertising support. I regret something like this had to happen because there is no way possible to get all of the information that goes on at Parkland and the surrounding area into a four page paper, but the lack of monetary support requires us to make the sacrifice.

Again, I am sorry this is all we can give you!

Chris Slack,  
Editor of the Prospectus

## Next year you could be on a scholarship.

An Air Force ROTC two-year scholarship pays your tuition and gives you \$100 a month allowance. And it picks up the tab for books and lab fees, as well.

After college, you'll receive a commission in the Air Force ... go on to additional, specialized training ... as you get your start as an Air Force officer. There'll be good pay and responsibility, and lots of other benefits ... and a great opportunity to serve your country.

It all starts right here — in college — in the Air Force ROTC. Look us up ... see what we have to offer, and show us what you can offer in return.

**Contact Cap. Craig McDonald**  
**University of Illinois**  
**Phone 333-1927**  
**Air Force ROTC**

## April 28, 1981

## First Outdoor Concert!!!

### 11-1 p.m.

The Bermuda Triangle Band, called "gleefully goofy" by the New York Village Voice, will appear at Parkland on April 28 between 11 and 1 p.m. as Parkland holds their first outdoor concert of the year in the fountain area.

The group, made up of Roger, Sam and Wendy Becket, has played as warmup groups to well known stars as Seals and Croft, Billy Joel, The Dirt Band, and Harry Chapin. They are currently touring college campuses throughout the U.S. and Canada.

Bermuda Triangle has recorded and produced an album which will be available at their performance. The album is called, of course, "Bermuda Triangle."

*in the fountain area.*

(Note: if it rains the concert will be in the college center.)

## Bermuda Triangle

# Parkland celebrates Arbor Day in style

Since Friday, April 24 is Arbor Day, it seems appropriate to pass along some information and observations regarding the many trees we have on our campus.

First, the College was named Parkland because we are situated adjacent to Dodd's Park. With some early efforts at contiguous planning, one cannot really distinguish between Campus and Park District property except for the signs. I think you will agree that

the College's ambitious tree planting program has made us look more like a park than our neighbor.

Although the many trees create a very aesthetically pleasing atmosphere, they also are restoring part of the original landscape. Parkland is situated on a moraine, a pile of boulders and gravel left by the last glacier some 10,000 years ago. This slight rise in the landscape favors the growth of trees since the soil is somewhat

drier. Most of the surrounding landscape, with its wetter soil, was originally tall grass prairie.

Beyond the natural history of our trees, we have a mixture of many ornamental trees on our campus in addition to some native hardwood varieties. The ornamentals provide color, texture, fragrance, motion, and some can attract birds.

Flowering trees are the most conspicuous in spring. These include the White Flowered

Star Magnolia, Dogwood and Serviceberry. The Pink Dogwood and Redbud provide color contrasts along with the many shrubs on campus.

Tree bark combines elements of both color and texture. We have the black bark of the Honey Locust and the white barked Paper and European Birch. Smooth-barked trees such as the Birch contrast with the deeply furrowed bark of Northern Red Oak and the peeling bark of the Shagbark Hickory. Our parking lots are planted with London Plane (a relative of the Sycamore) which has a mottled bark.

Other trees on campus provide interesting leaf patterns while some trees offer beauty in their shape and

motion. The delicate leaves of the Ginko, Pin Oak and Birches contrast with our evergreen Spruces, Firs and Pines. Some of our trees have clusters of smaller leaflets, called compound leaves. These trees include the Hickory, Ash, Kentucky Coffee, and Walnut. Shape and movement are important attributes of the Weeping Willow and pendulous branches of the Norway Spruce.

One of the most appealing features of our campus is the grove of large Sasafras trees directly behind (north of) the Student Center. These trees provide a pleasant, shady spot for lounging on warm, sunny days. Besides these Sasafras

Dear Humans of Parklandia:

The centenary appearance of Luna Full during Vernal Equinox has caused my friends at SDL CO. to metamorphose into a flock of moon-calves. The result is manifested in the insane offer of BOTH—Space Out Recipes AND Metric/English Recipes for an ASTRONOMICALLY low \$3.00. (Spaced Out Recipes alone has been advertised nationally for \$3.25!) Fortunately for their fiscal integrity, I have convinced them to limit this offer from now until April 30, 1981. So order now from: SDL CO P.O. Box 2982 Station A, Champaign, IL 61820 Attn: YENXII and I'll personally handle your order as my mooncalf friends are in no shape to deal with it.

## International students plan picnic Saturday

The International Students at Parkland College are planning a picnic for Saturday, April 25th from 11-4:00 at Lake-of-the-Woods. Hamburgers, buns, & beverage, will be provided. Each person will need to bring a salad or dessert to share. Meet at the circle drive off Bradley Avenue at 11:00 A.M. to share rides. You must sign up by Friday, April 24 if you wish to go, so food can be bought. Call Linda Van Roosendaal at 351-2321 or stop by C-127 to sign up. Bring frisbees, balls, etc. and have a good time.

## "A long Christmas Dinner" presented by ISO

The International Students at Parkland College are invited to attend a play called "A Long Christmas Dinner" to be presented at Channing-Murray Foundation at 1209 West Oregon in Urbana by the International Students Drama Group on Monday, April 27th at 8:00 P.M. Included in the cast will be Hisham Khayat, vice-president of the Parkland International Students Organization. Parkland International will be admitted free to this special performance. Tickets for performances on Wednesday or Thursday are \$1.00 each. For further information, contact Linda Van Roosendaal, 351-2321 or stop by C-127.

## Register NOW for fall classes

COURSE RESERVATION FOR  
FALL

Full-time students who will be returning to Parkland for the fall semester may reserve courses April 13 through the 27th. The Fall Semester Schedules are now available at the Admissions Office. Course reservation provides the student with the advantage of selecting a preferred schedule for the fall semester.

To reserve courses a student should obtain an enrollment form and select courses with their advisor. The student should then return their completed form to the Admissions and Records Office on or before April 27. A list of advisors and room numbers will be posted in the College Center.

Students will be mailed their course schedules and fee statements on or before July 30. A student may avoid registration lines by mailing payment of their tuition and fees by August 18.

## Letter to the Editor

To the Editor:

Student Government will hold an open forum for the student body today at noon in the college center.

The purpose of the forum is to discuss government functions and to get feedback from the students as to how they would like to see their government run. Some topics will be a proposed day care center, spring out, entertainment for

next semester, and many other items of interest to students.

Student Government is your voice in the operations of the college, and we hope you will be interested enough to let us hear your views and ideas today.

Signed,  
Charles Schumacher-Pres.  
Bill Barnes-Student Services  
Jim Hillary-Public Relations

## Poster boards available for candidates

Any materials not approved by the Election Board will be discarded immediately.

Posters may not be larger than 22 x 28 nor smaller than 8 x 10. Handouts may be smaller.

Poster board may be purchased in the Activities Office at 20 cents per sheet. Dittos may be purchased at 10 cents per sheet. Dittos will be run off by the Student Government secretary only!!!

The sign machine will not be available for any posters for candidates.

A maximum of 15 posters will

be allowed each candidate.

All campaign materials will be removed and discarded by the college Thursday evening, April 30 at 9:00 p.m.

Guidelines for Coverage — Each candidate is permitted free space in the Prospectus to present his/her position. The guidelines follow: Candidates for Senate Positions — five column inches (20 lines of 60 characters).

The final deadline is Friday, April 24 at Noon in the Prospectus Office (X-155). Articles which are late will not

be printed. Those articles which are too long will be edited by a staff member. The paper shall be published on Wednesday, April 29, 1981 for this election.

Information Available — Applications, petitions and job descriptions can be obtained in the Activities Office (X-153). If there are any questions, please feel free to call 351-2264 (Activities Office) or 351-2267 (Student Government office).

Colleen Nole  
Election Board Chairperson

## PC Theatre presents three one-act plays April 23

by Gabrielle Martin

The tension mounts while the stage lights dim, and the actors come into their characters as the Parkland College Theatre presents, 3 In 1, An evening of three one-act plays.

Opening on Thursday April 23, at 8:00 p.m. in C140, the "buffet of plays" as Director Jim Coates describes it, will consist of 'Sganarelle', 'The Happy Journey', and 'Passion, Poison, & Petrification'.

'Sganarelle' by Moliere is "farsical fun based on false assumptions and misconceptions," says Coates, and involves two lovers and much confusion.

"A one-act 'Our Town'" is how Coates describes the second play

'The Happy Journey' by Thornton Wilder. It is the story of a car trip, and is centered around four kitchen chairs. This is also a comedy.

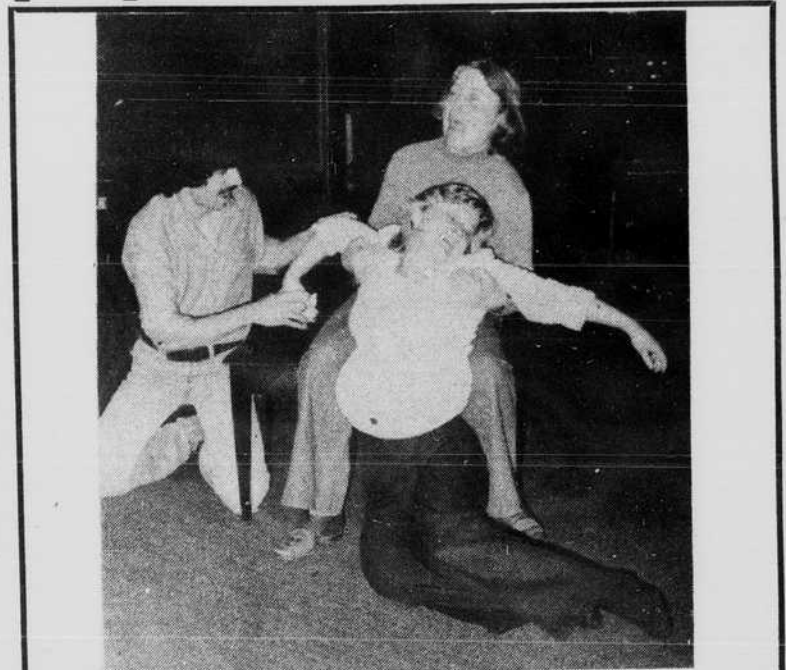

Like the first play, the third and final play 'Passion, Poison, and Petrification' by George Bernard Shaw is also a farsical comedy. It involves a love triangle in which a husband, driven by jealousy, gives his wife's lover a poison for which the only antidote is lime. After a reconciliation with his wife, the husband tries to cure the lover by feeding him limestone, with disastrous results.

The plays will be presented where Coates calls "in the round." This is different from the proscenium stage where the audience is in front of the stage.

Actors will perform with the audience surrounding them, and "this gives audience a taste of everything," according to Coates.

The play will be presented April 23, 24, and 25, and April 30, May 1 and 2; all performances begin at 8:00 p.m. Tickets will be available in the Student Center at a cost of \$2.00 for adults, \$1.00 for children under 12, and free for PC students with a current ID. Proceeds will go to the building of a Little Theatre on campus.

In addition to the Parkland College performances, Coates will take the show on the road to the Homer Opera House on May 9 at 7:00 p.m. The proceeds from this performance will go to the rebuilding and refinishing of the theatre in Homer.

The Parkland College Theatre will be doing a unique thing by doing three one-act plays. Here, the actors rehearse their lines in early practices.

## Get out the kite and frisbee!

The Annual Kite Flying Derby and the Frisbee Contest will be held on TUESDAY, MAY 12 commencing at NOON "on the hill" west of campus. ALL STUDENTS are invited to attend.

The TUG-OF-WAR TOURNEY will be held TUESDAY, MAY 12 at 11:30 a.m. near the hill on the west side of campus. APPLICATIONS AND DETAILS ARE AVAILABLE IN THE ACTIVITIES OFFICE (X-153). Each team is limited to a maximum of 1000 pounds.

The ANNUAL BICYCLE RACE will be held on TUESDAY, MAY 12 commencing at 11:30 a.m. Starting and assembly point shall be parking lot A-4. Each contestant shall circle the campus on the outside drive, watching automobile traffic and observing traffic regulations.

APPLICATIONS AND INFORMATION AVAILABLE IN ACTIVITIES OFFICE (X-153) or student government (X-160).

## Karr speaks at PC on "Tropical Ecology"

Dr. James Karr, Professor of Ecology at the University of Illinois, will speak on the subject, "Tropical Ecology: Contrasts with out Temperate World" on May 7, at 1:00 p.m. in Room L-111 at parkland College.

Karr, a graduate of Princeton, has had extensive experience with the Smithsonian Institute involving

studies in Africa and Southeast Asia and is a former consultant for Organization of American States in Venezuela. He is currently researching ecology of tropical forest birds in Panama and Aquatic Ecology in the local area.

Karr teaches Fish and Wildlife Ecology, Ornithology, and Tropical Ecology at the U of I.

## Rear proves he can play bigtime baseball

.330 is about as good as his season average at Parkland last year. Rear has already set some records at the U of I. He broke the record for walks in a season of 35, which was held by Doug Kleber, and now holds the record for most stolen bases in a season with 19 (out of 22 attempts). His five home runs rank

second on a power laden Fighting Illini team. And the season isn't over yet with about 10 games remaining. For the first time in years, the Illini have a chance to finish in the upper division of the Big 10, largely because of the addition of Rear, a Champaign Centennial graduate.

## It's Arbor Day—In style!

trees, other Illinois natives on our campus include Sugar Maple, Hackberry, Northern Red Oak, Honey Locust, Black Walnut, Serviceberry, Shagbark Hickory, and River Birch.

If you care to wander out near Parkland's pond on the northeast corner of the campus, you can find several trees and shrubs planted by Biology students in the early 70's. These plants were intended to provide a natural setting which attract wildlife. It is not uncommon to find ducks and frogs in the pond or songbirds and rabbits among

the surrounding trees. The Gray-Leafed Autumn Olive, Black Alder, Oaks, and Maple are some of the trees that you can find along the banks of the pond.

We are indeed fortunate to have such a well-landscaped campus that combines both the ornamental and native trees into its planting scheme. So take a few moments to enjoy our trees on Arbor Day this Friday.

Earl Creutzburg  
Biology Instructor

# Cobras recover to split with Kankakee

By Chris Slack

## Parkland vs. Kankakee, at Parkland

Les Hovelnd had two hits and drove in three runs and Dave Wise contributed two hits and two RBI's as the Parkland Cobra baseball team whipped Kankakee in the opener of a doubleheader last Saturday, 11-3.

Marty Zamora pitched the win and went the route with a seven-hit, four-walk and four-strikeout performance.

Murray Kirby also had two RBI's with a two-run single in the decisive fourth inning.

## Parkland vs. Kankakee, at Kankakee

Kankakee swept a double-header from Parkland 7-3 and 8-7 last Friday, which eventually resulted in a four-game series split between the two CIAC teams.

Sophomore Steve Burden looked impressive as he four hit the Cavaliers. Burden limited Kankakee to a single run in the fourth and struck out four in the complete game performance.

Bob Larson's infield single drove in Brian Buckner in the fifth inning to provide the narrow winning margin.

Greg Fahrow's grand slam home run in the first game dissolved a Cobra 3-0 lead. Kankakee went on to score two more runs in that third inning while adding another run later on.

Bill Elliott was the losing pitcher in the opener while Mark McElwain was the hitting star with three hits, one of those a

two-run homer. Kankakee picked up where they left off in the second game by scoring three runs in the first and third innings and a single run in the second inning. The Cobras scored five runs in the first three innings and came up just short in a seventh inning rally. Elliott and freshman Dan Podbelsek walloped home runs, but for one of the few times this year, the Cobras were outhit.

Mike Zubeck picked up the loss. Parkland stood at 18-12 overall and 4-4 in the CIAC before yesterday's game with Lincoln College.

# Cobra softball team 2-0 in CIAC

By Chris Slack

## Parkland vs. Lincoln Trail

A four run second inning off of Suz Jones in the first game enabled Lincoln Trail to beat Parkland 4-1 as the Cobras defense committed a rather high seven errors.

They also lost the second game 7-3, which dropped their record to 3-6-1 overall. Lincoln Trail scored two runs in the first inning, added a single tally in the second, and exploded for three in the third, which put the game out of reach.

## Parkland vs. Kankakee, at Parkland

Parkland bounced back to sweep a doubleheader from Kankakee last Saturday by the scores of 5-3 and 9-0.

In the nightcap the Cobras scored three runs in each of the first three innings as their bats jumped out of the racks with eight hits.

Kas Short drove in three runs while Judy Weber and Janet Blacker added two RBI's apiece.

Sophomore pitching sensation,

Suz Jones pitched both games and recorded both wins, which pushed her overall record to 4-3. Her record last year was a sparkling 12-1 but the better overall competition this year has made it tougher for Jones, although her overall earned run average of under three runs per game is still respectable.

The Cobras stood at 5-6-1 overall going into a doubleheader with the University of Illinois last Monday and a conference rematch at Kankakee yesterday.

The Parkland Cobra softball team bounced back from a doubleheader loss to sweep Kankakee here at Parkland last Saturday. Fran Stalter is a mainstay in the Cobra lineup.

# Hall's 6-3 record wins FF competition

The winner of this week's Fast Freddy competition is Jim Hall who successfully picked six out of nine correct, excluding the tie-breaker. Come to Room X-155 and pick up your \$5. Hall missed the Pittsburgh vs. Houston, San Francisco vs. Atlanta, and Min-

nesota vs. California games. In Saturday's results Montreal held off the New York Mets 5-3 as Gary Carter got the Expos started with a two-run first inning homer. The Philadelphia Phillies rallied to cut down the hapless Chicago Cubs 4-3 on a Manny Trillo solo

homer in the 10th inning. Pittsburgh scored three runs in the 11th inning to knock off the slow-starting Houston Astros 6-3. Art Howe had two home runs; the last tied the game in the bottom of the ninth inning. The Philadelphia Phillies rallied to cut down the hapless Chicago Cubs 4-3 on a Manny Trillo solo homer in the 10th inning.

The Cardinals continue their torrid hitting as they spoiled Tom Seaver's celebration by the score of 10-4. Seaver recorded his 3,000th strikeout but it was tainted because of the onslaught by the Cards.

San Francisco cruised past Atlanta 4-1 while the uncanny Oakland Athletics pushed their record as of Saturday to a record tying 10-0. The A's romped over Seattle 8-0. They broke the record Sunday before losing the nightcap of a doubleheader 3-2 and believe it or not, Billy Martin was unhappy with his team's play.

Minnesota surprised California 6-4 and Texas, behind Bump Wills' three run homer, beat the Yanks by the same score of 6-4.

Well, Carlton Fisk did it again to his old teammates. His two run homer in the fifth inning was the winner as the White Sox nipped Boston 2-1.

## PC sports notes

by Chris Slack

After receiving a better business offer, Drake University Coach Bob Ortegal resigned his basketball post only a few days after Parkland standout Dana Dunson signed a national letter of intent to play at Drake.

Dunson has not been available for comment, but as of now shows no inclination to change his mind.

University of Illinois center-fielder Dave Rear, who was an All-Conference, All-State second baseman on the Parkland Cobras, proved to many people that the adjustment from junior college baseball to Big 10 baseball is very possible. After going 4-7 in a doubleheader with Iowa, Rear came back and bettered that against a strong Wisconsin team. He was 7-8 in the doubleheader last weekend and his average of about

# Martin, Ingram sign tenders

By Chris Slack

Parkland standouts, Mike Martin and Abby Ingram will spend the remainder of their college basketball careers playing at the same school. They officially signed with Pittsburg State University, located in Pittsburg, Kan.

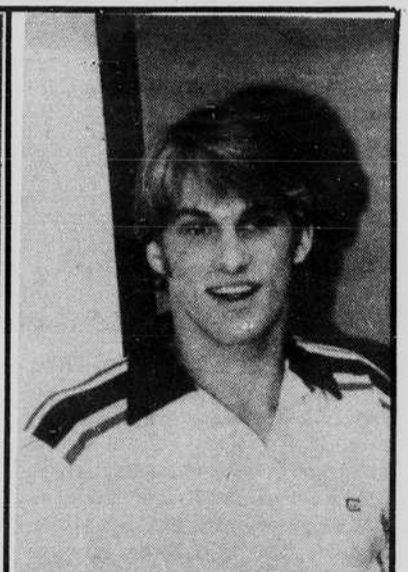

Martin, a 6-3 guard-forward known for his scrapiness, was a prime contributor to a balanced

averaging 23 points and 13 rebounds per game and receiving All-State honors both years, Ingram will play virtually the same role at Pittsburg State, that of playing the low post and using her strength to score points, according to Coach Tim Wulf.

Both players figure to step right in and help the Kansas team. Cooper said Hickman was drawn to Martin because of

Abby Ingram

Mike Martin

Cobras attack this past year after Coach Tom Cooper inserted him into the lineup midway through the season. He averaged 8.6 points per game but after he was placed in the starting lineup, he was a consistent double figure scorer for the 23-7 Cobras. His defensive and rebounding qualities attracted Coach John Hickman.

After a two year career of

his maturity and size and added that he should provide the missing ingredient that Pittsburg State has missed in the past.

Martin is a Champaign Central graduate who came to Parkland by way of Minnesota and said he was happy he decided to play juco ball before jumping into major college competition. Ingram is a 1979 graduate of Arcola High School.

Pittsburgh over St. Louis  
Houston over Cincinnati  
Chicago over Philadelphia  
Montreal over New York  
California over Minnesota

Milwaukee over Kansas City  
Detroit over Chicago  
Cleveland over Texas  
Baltimore over Boston  
New York over Toronto

## Fast Freddy Contest

1. Everyone, off campus or on, except newspaper staff members, their families and Fast Freddy, is eligible.
2. This official entry blank must be used.
3. Only one entry per person will be accepted. Entries sent through the campus mail system will NOT be accepted. Entries must be brought to PROSPECTUS office (X155) in person or by U.S. Mail.
4. No individual can win the contest prize more than twice during the season.
5. All entry blanks are due in the PROSPECTUS office by 12 noon on the Friday before the games. No entries will be accepted after this time under any circumstances.
6. The winner will be announced in the following Wednesday's PROSPECTUS and will receive a cash prize of \$5.00.
7. Circle the team you think will win in each game. Circle both teams for a tie. The tie-breaker game (Game 10) will be used only in case of ties and will not count in the total of nine games to be predicted. Pick a score for the tie-breaker game.

- Game 1..... St. Louis at Pittsburgh
- Game 2..... Cincinnati at Houston
- Game 3..... Philadelphia at Chicago (NL)
- Game 4..... New York (NL) at Montreal
- Game 5..... California at Minnesota
- Game 6..... Kansas City at Milwaukee
- Game 7..... Chicago (AL) at Detroit
- Game 8..... Texas at Cleveland
- Game 9..... Boston at Baltimore
- Game 10..... Tiebreaker  
Toronto ( ) at New York (AL) ( )
