Health & Human Mobility

Barbara Gomez-Aguinaga, Ph.D.

bgomez@unomaha.edu

www.BarbaraGomez.com

Health

- The state of “complete physical, mental and social well-being and not merely the absence of disease or infirmity”

World Health Organization, 2020

Health

- The state of “complete physical, mental and social well-being and not merely the absence of disease or infirmity”

World Health Organization, 2020

- “Resource that allows people to realize their aspirations, satisfy their needs and to cope with the environment in order to live a long, productive, and fruitful life”

CDC 2021

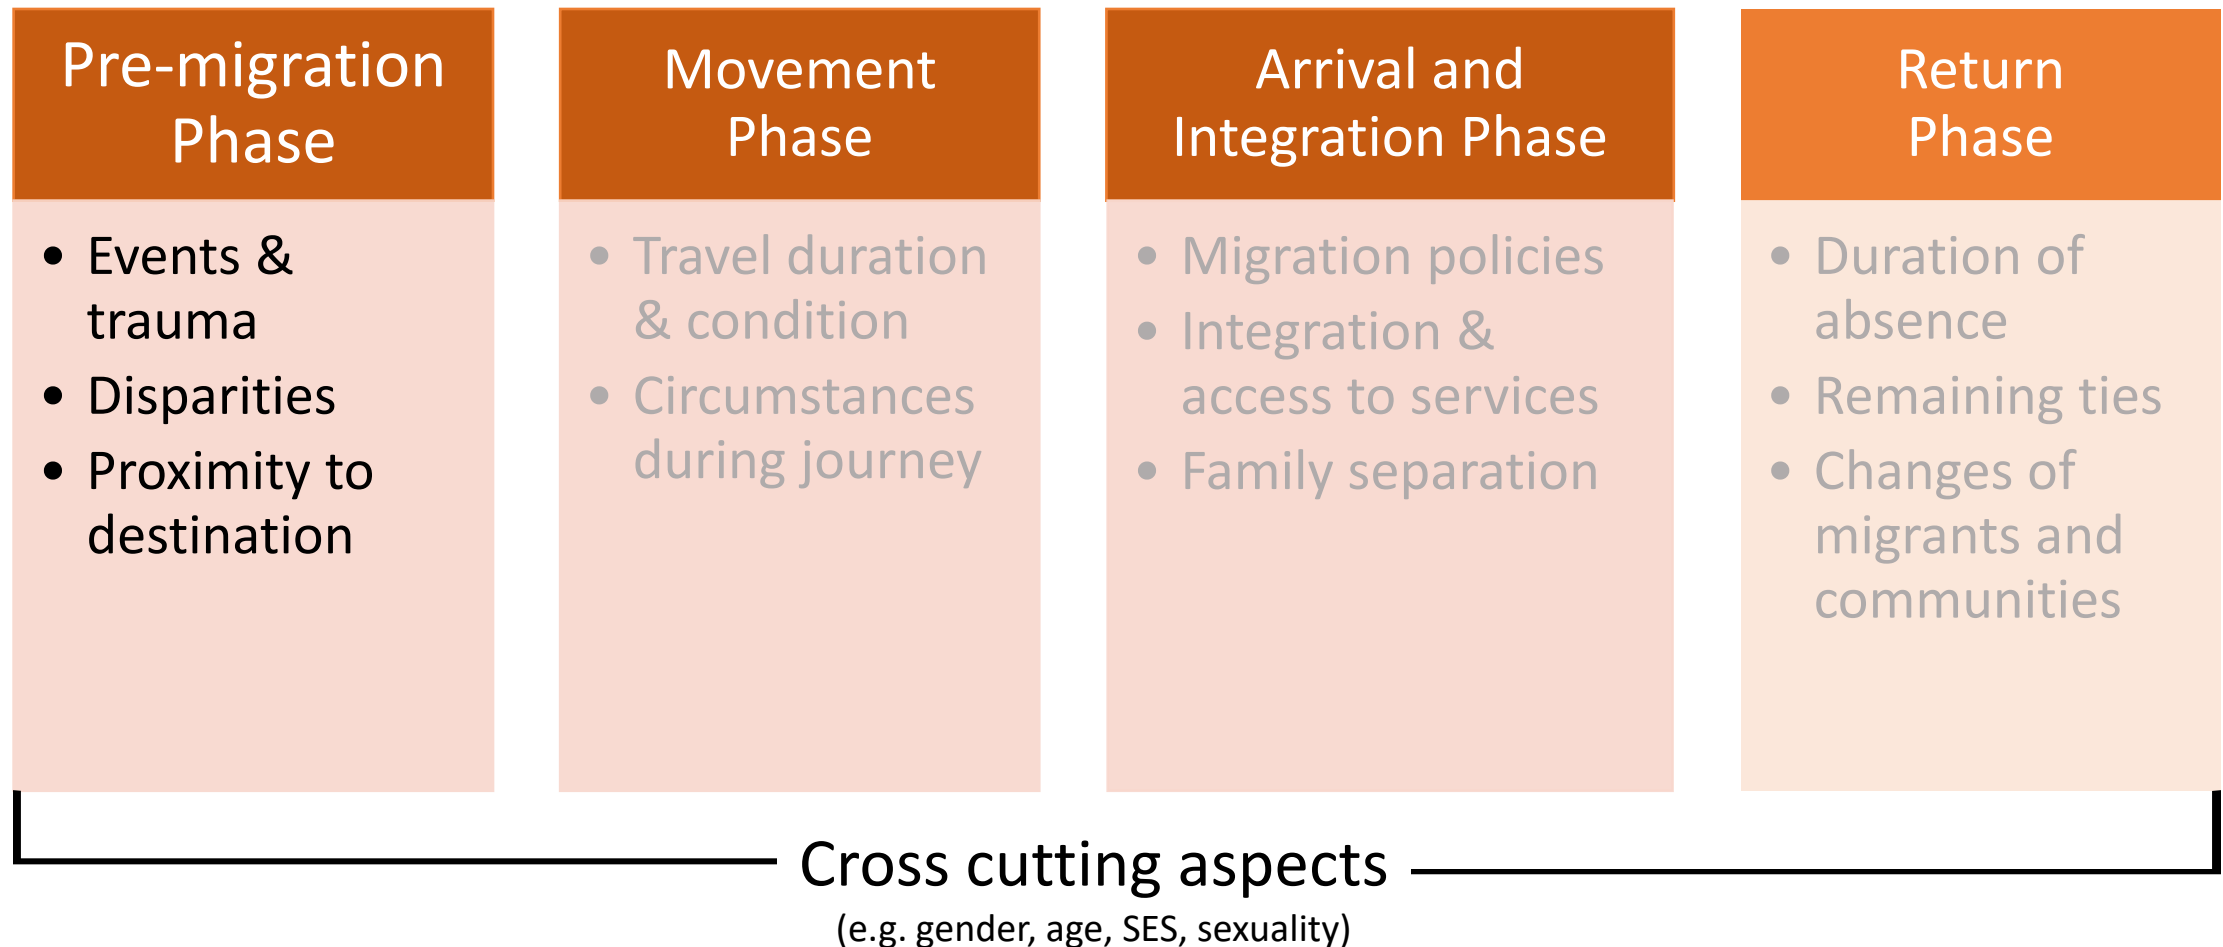

Social Determinants of Health

- “The conditions in the environments where people are born, live, learn, work, play, worship, and age that affect a wide range of health, functioning, and quality-of-life outcomes and risks.”

US Department of Health and Human Services, 2021

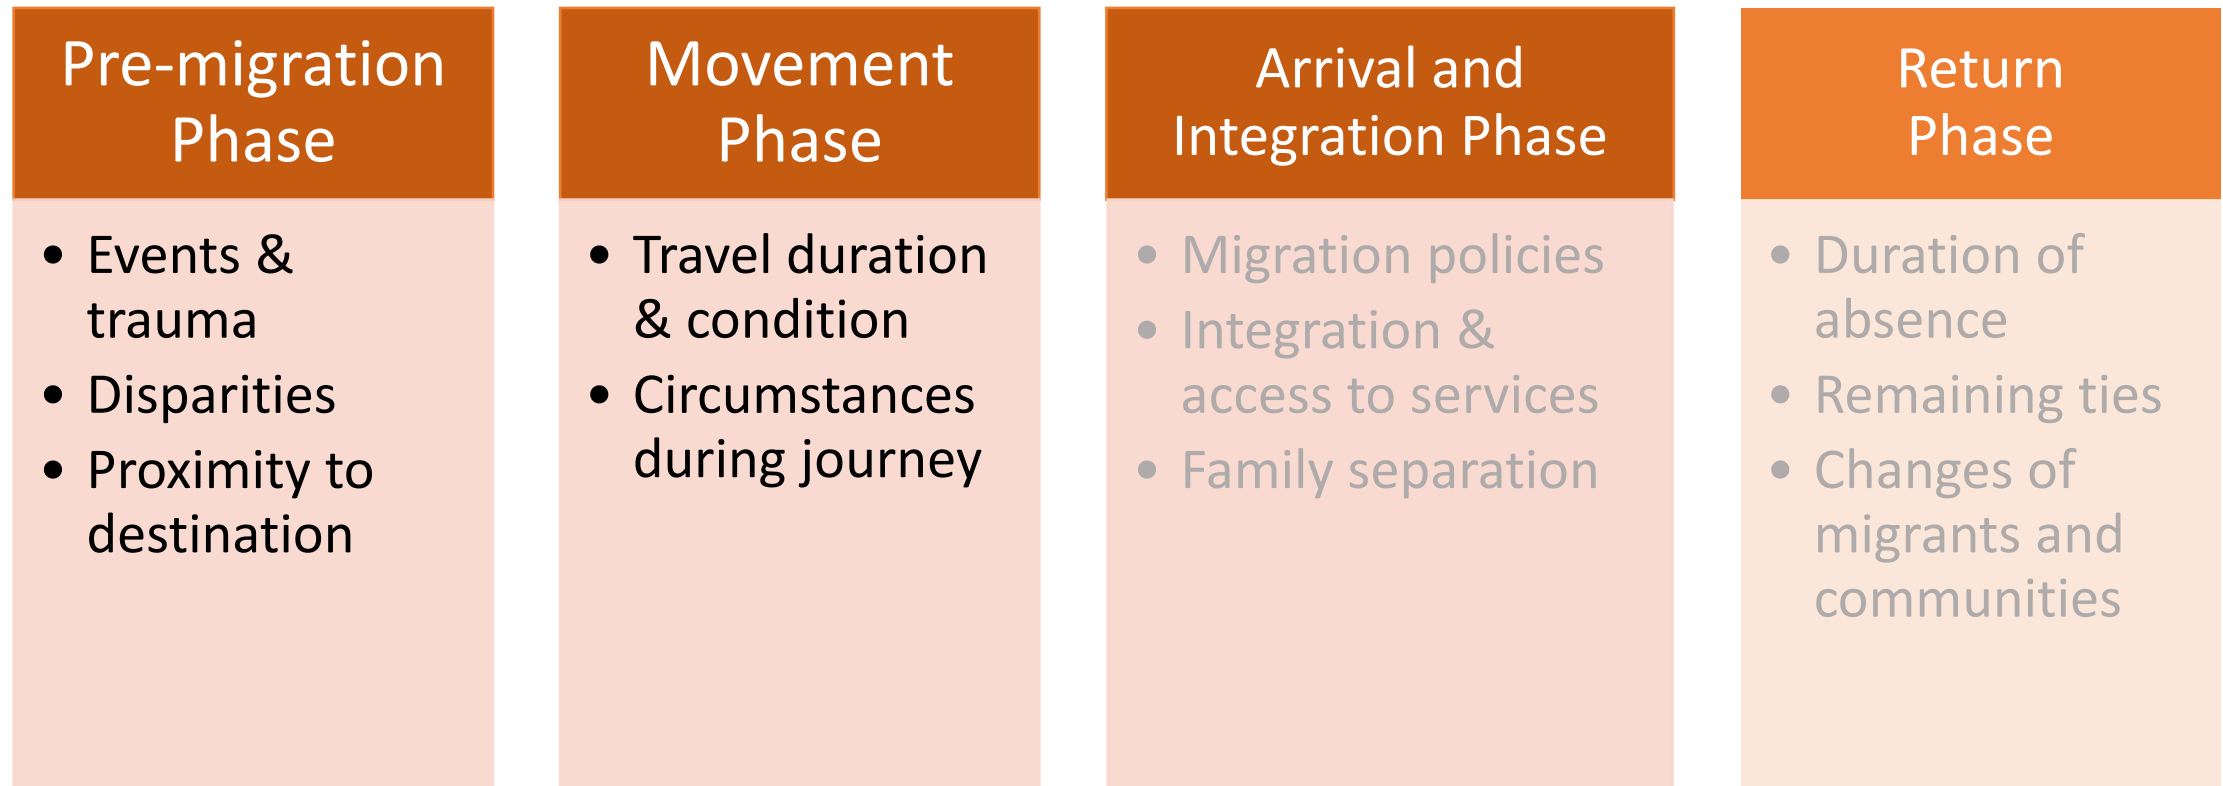

Factors Influencing the Health of Migrants & Their Families
