2. The 2008 and 2009 bonus pools are estimates and subject to revision

Data Sources:

1. Historical bonuses are OSC estimates drawn from the NYS Dept of Labor's Quarterly Census of Employment and Wages (QCEW) series.
2. The 2009 estimate was derived by OSC from personal income tax withholding collections and reflects cash payments and deferred compensation for which taxes have been prepaid. The estimate does not include stock options that have not yet been realized or other forms of deferred compensation
