Subject: Federal Register Notice of Open Meeting of FCIC

Gretchen and Will,

I spoke with the scheduling unit at the Federal Register and they said the FCIC Notice will be on the Federal Register website today at 4:15. Since we did a rush request, it will be listed under Special Filings. Here is a link to the website: <http://www.federalregister.gov/inspection.aspx>. If you check back after 4:15, it should be there.

For future notices, the Federal Register will need the appropriate contact information (name, number, email, and fax) for the person who will be publishing these Notices. When the Commission hires staff, we can provide the Federal Register with the name of the appropriate person.

Please let me know if you have any questions.
