Asst Sec Lowery Speaks on International Financial Institutions

11/24/2008

Assistant Secretary for International Affairs Clay Lowery delivered remarks Monday before the Reinventing Bretton Woods Committee Conference on Building an International Monetary and Financial System for the 21st Century. He spoke on international financial institution reform. "The United States has a wide international reach; however, we can't do it alone. As the current crisis demonstrates, we need multilateral approaches," said Lowery.
