## COLLEGE OF BUSINESS

### New Term - New Goals- New Accomplishments

**Welcome to Fall 2021 term from the College of Business at Governors State University!**

The 2020-2021 academic year has been an extraordinary year for all of us as the global pandemic continued to challenge the ways we teach, learn, work, and conduct our daily lives. However, students, faculty, and staff in the College of Business at Governors State University were not deterred by these disruptions. With dedication, perseverance, and support for each other, we were able to make steady progress towards the strategic goals in our Vision 2020 strategic plan, while also transitioning into our new five-year strategic plan, [Strategy 2025](#). I'm excited to share with you our [AY20-21](#) annual report, which highlights many outstanding accomplishments by our students, faculty, and alumni during this year . [Continue reading...](#)

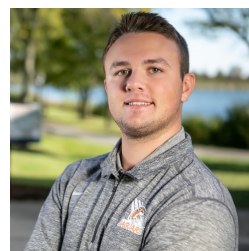

### Internships making a way

*Internships provide hands on experience for the recipient to engage, learn and develop singular relationship with corporate partners. By participating in an internship prior to leaving college it can provide the recipient a professional edge on upcoming organizational positions and build long term relationships.*
