### New Goals- New Accomplishments

#### Greetings from the College of Business at Governors State University!

As we start another new academic year, I'm excited to share with you the many accomplishments College of Business (COB) faculty, staff, students, and alumni achieved in the previous year, featured in our [2017-2018 COB annual report](#) .

COB continues to achieve academic excellence and student success, two of the most important strategic goals set forth in our Vision 2020 strategic plan. In Spring 2018, our highly innovative Online MBA program was ranked #18 in [OnlineMBAToday's "2018 Top 50 Best Value Online MBA"](#) , and BestColleges.com's " [2018 20 Best Online MBA in Supply Chain Management \(#14\)](#). This year, we will introduce a new program: Master of Science in Human Resource Management, tentatively planned to start enrolling new students in spring 2019. This new degree will provide another vehicle for prospective students to earn a high-value professional degree, in addition to our highly regarded MS in Accounting, and MS in MIS programs.
