The Morehead Christian Church  
Morehead, Kentucky

Dear Brother Landolt:

Thank you very much for your letter of some time ago, regarding William Morrison of the Naval Training School. I am very happy to hear of his decision for Christ and his baptism. I do hope that this will be the beginning of a new life for him.

His baptism by immersion in your church makes him eligible for full membership in ours. I have made the necessary entry on our records, and we have placed a star on our service flag for him and presented a token flag to his wife. I am communicating with him also, conveying this information.

I do not know how much contact you have with him, but any pastoral counsel you can give concerning the meaning of the Christian life might make a great change in his life. If he returns to his home after the war and takes seriously his responsibility to his family and his church, then you will indeed have made a contribution for the Kingdom.

Thank you very much for any interest that you have taken in him.

Yours very truly,

*Forrest B. Fordham*
