Local Youth Fatally Wounded In Accident

A 13-year old Murray youth was fatally wounded in an accidental shooting here Saturday night, while he and another teenager were handling a loaded pistol.

Stephen Michael Underwood, a Murray Middle School student, was shot in the temple with a .38 calibre Smith and Wesson pistol.

Murray City Police reports said Underwood and another 13-year old youth had the pistol in the youth's home and the youth accidentally caused the gun to fire.

The bullet reportedly entered Underwood's right temple. He died at 10:28 p.m. en route to a Jackson, Tenn., hospital, after being taken to the Murray-Calloway County Hospital.

The accidental shooting occurred at eight p.m. Saturday. According to Ken Barber, juvenile probation officer, no charges have been placed.

The young boy, Underwood, was a member of the First Christian Church and of Boy Scout Troop No. 77. Born April 1, 1961, in Berea, he was the son of Lyle Underwood and Jackie Edwards Underwood.

He is survived by his parents, Mr. and Mrs. Underwood, and one brother, Robert Lee Underwood, all of 1503 Dudley, Murray.

Funeral services will be held today at four p.m. at the chapel of the J. H. Churchill Funeral Home with Dr. David C. Ross officiating.

Pallbearers will be W. L. (Dub) Polly, Fred Hendon, Hugh Massey, Paul Maggard, Jack Long, and Jerry McConnell. Burial will be in the Murray City Cemetery.

The family requests that in lieu of flowers that expressions of sympathy take the form of donations to the First Christian Church Youth Program.

MURRAY MAN HONORED—Staff Sergeant Donald F. Burchfield, 1603 Belmont Drive, has been presented the Major General Benjamin J. Butler Community Relations Award given annually to one enlisted man and one officer within the 3,000-man 100th Army Reserve Division. Congratulating Burchfield is division commander Larry Doyle.

Burglaries Reported To Murray Police

Two burglaries were reported to Murray City Police over the weekend, according to department reports.

The home of Bill Baldwin, Green Acres Trailer Court, was burglarized over the weekend, according to police. Taken in the break-in was \$1,200 in stereo equipment and record albums.

Two buffers and two paint guns were reported stolen from the Rowland Cleanup Shop on South Third Extended, according to police. Officers said entry was gained by breaking a window in the building. The equipment was valued at \$185.

Burchfield Receives Award In Army Reserve

A Murray man has been named by the 100th Army Reserve Division to receive an award for outstanding work within his community.

Staff Sergeant Donald F. Burchfield, of 1603 Belmont Drive, was presented the Major General Benjamin J. Butler Community Relations Award, given annually to one enlisted man and one officer within the 3,000-man division.

Lieutenant Ben W. Carr, Jr. of Evans, Ky. was selected as the officer in the division deserving the award.

Both individuals received word of their winning during the regular two-week summer training at Ft. Knox, July 20-August 3.

The award is made to the Reservists in the division who best qualify within the following areas: domestic action programs; chamber of commerce and civic service organization activities; elementary, high school, college and university activities; veteran and other paramilitary oriented organization activities; programs contributing to patriotic prompting of organizations; and community leadership.

SSG Burchfield's activities qualifying him for the award included his participation as an instructor in the National Rifle Association, the Red Cross Safety and Canoeing Safety programs, the National Safety Council Defensive Driver

Association, the U. S. Coast Guard Auxiliary, and the Boy Scouts of America.

SSG Burchfield is also a member of the Masons and the Moose Club, and has participated in eight united activities in support of a children's hospital, a blood bank, Mooseheart,

County Schools Set To Open August 19

All Calloway County Schools will open August 19 for the fall term, according to Superintendent William Miller. On opening day school will be in session for only one-half day and students will be dismissed before noon.

On the afternoon of August 19 the 1974 Calloway County High Yearbook will go on sale and all students are urged to get their books on this day. Buses will make their usual routes at the regular time.

On August 16 at 8:30 a.m., all teachers will meet at the Calloway County High School for teacher in-service. Elementary teachers will be involved in an Art Workshop. Miss Barbara Hale will be working with the Special Education group and High School teachers will meet for orientation with Ron McAllister, new principal of the Calloway County High School.

Since the new elementary schools will not be ready for use, school will be held in each of the old buildings until October 4 the end of the first six-weeks grading period at which time it is hoped the new buildings will be completed.

On opening day Principal McAllister and Assistant Principal James Felner will be giving individual schedules to each high school student at

Calloway High and it is urgent that all high school students who reside in the Calloway County School District who have not registered for the fall term do so at once.

Until the new schools are ready for use, Principal Roy Cothran will be working with the Lynn Grove and Hazel schools; Principal Bob Allen will be working with the Faxon and New Concord schools; and Principal Johnny Bohannon will be working with the Almo and Kirksey schools.

All elementary students who have not been attending the elementary schools of Calloway County and who plan to do so this fall should contact their respective principals on opening day for class assignments.

School will be in session all day August 20 with lunches being served in the cafeterias.

Prices per meal will be 45 cents for elementary pupils; 50 cents for high school pupils; and 50 cents for teachers and all other adults.

For the first six-weeks all Educable Mentally Retarded students will attend classes in a room provided for them at Calloway High and will be transported by bus from the elementary centers each day. Each elementary librarian, music and physical education teacher will be working with two schools on an alternating day basis. Remedial Reading classes will continue at each school as they were conducted last year.

The faculties for the new school year are as follows: EAST ELEMENTARY; Bob Allen, Principal, James McCall, Dianne Wilkins, Pam Cherry,

71st State Fair To Open At Louisville

LOUISVILLE, Ky. (AP) —

The 71st Kentucky State Fair opens here Thursday with some new attractions geared to the state's Bicentennial celebration.

This year the \$1.3 million event has been dubbed "Heritage '74" in honor of Kentucky's 200th birthday celebration, and features ranging from demonstrations of pioneer skills to a bicentennial fashion show are aimed at that theme.

Home-makers and craftsmen will demonstrate such pioneer skills as beekeeping, weaving, basket making, wood carving and pottery making, while the fashion show will feature hairstyles and clothing from the 1920s to the present.

Also for the first time, the state's dairy industry will sponsor a dinner and cheese auction, with a 20-pound block of

cheddar going to the highest bidder.

BECKY will be featured in the East Wing. She's a life-sized, yellow and purple bicentennial cow — with her name standing for Bicentennial, Events, Celebration and Kentucky.

Also new will be an exhibit aimed at easing the rising cost of living: the Kentucky Vegetable Garden. The garden will contain 22 varieties of vegetables and five of herbs and is designed to show how home gardening can cut down on food bills.

George Meagher, director of promotion and production for the fair, says this year's \$1.3 million budget was increased \$100,000 over last year's to allow for the new attractions and more free entertainment.

Students Pool Resources To Form Business Venture

Investing money may be the ultimate demonstration of confidence. And two Murray State University students yet to complete their degrees have paid that compliment to their management training on the campus.

Joel Henderson of Fulton, a management major, and Rick Marvin of Murray, whose major is administrative management, have pooled their financial resources to form a business partnership as they begin their senior year.

Known as J and R. Limited Edition Nature Prints, their business venture involves the promotion of art work done by Henderson's father, Jubie Henderson, also of Fulton. They plan to operate the business concurrently with their final year of studies at Murray State.

"No doubt we'll be on the run

much of the time keeping up with class work and traveling to weekend shows within a radius of about 200 miles to promote the sale of the 16 by 20 bird and nature prints," Henderson said.

In addition to prints and original oil paintings, they will also exhibit bird carvings by the elder Henderson, who discovered his latent talent about 20 years ago when he was bedridden with an illness that left him disabled.

Both partners are enthusiastic about the potential of their new business, begun with a capitalization of more than \$1,600. They expect to break even in a couple of months and to show the art work to as many as 100,000 people during that period.

The first of five shows they have booked now is the Ken-

Several Accidents Here Over Weekend

Murray City Police reported several accidents over the weekend, most due to the rain-slicked city streets. No serious injuries were reported by police.

At 2:10 p.m. Saturday, cars driven by Willie F. Hudson, Paris, and Wilma F. Sims, 1714 Main, collided on the Southside Shopping Center parking lot, according to police.

Officers said the Hudson car was parked when the accident occurred. Damage to the Sims car was to the right rear quarter-panel. No damage was reported to the Hudson car.

Cars driven by James R. Gingles, 508 Meadow Lane, and Judith V. Ingersoll, Route Three, collided Friday on the Dairy Queen parking lot, according to police.

Officers said the Gingles car, damaged on the right front, was going north on the lot, and the Ingersoll car, not damaged, was going east, when the accident occurred.

At 10:50 a.m. Friday, cars driven by Morgan E. Sisk,

Route Six, and Pleasant C. Hornbuckle, 215 North Second, collided at the intersection of Fourth and Olive Streets, according to police.

Investigating officer said the

President To Address Nation Tonight; To Call For Unity

WASHINGTON (AP) — President Ford goes before Congress tonight to call for national unity after the splintering era of Watergate while pledging his administration to fresh efforts to combat inflation.

Pausing briefly in his broad search for a vice president, Ford conferred with his advisers and worked on the speech as he began his third full day in office.

His address before a joint session of the House and Senate, scheduled for 9 p.m. EDT, is to be telecast and broadcast nationally.

Aides said the new chief executive would promise "full, fresh efforts" to stabilize the economy. In the words of one spokesman, Ford sees inflation as "Public Enemy No. 1."

Arriving from his suburban home at 7:25 a.m., Ford beat many of his White House aides

to work. He went directly to his Oval Office, where in the next three hours he held meetings with transition adviser Donald Rumsfeld, holdover White House staff chief Alexander M. Haig, Secretary of State Henry A. Kissinger and Press Secretary Jerald F. terHorst.

Aides indicated Ford would not set out a specific anti-inflation program in tonight's address, though detailed proposals will follow soon.

His address was expected to stress the need for national conciliation and would outline the "spirit and the tone of his administration," aides said.

They said Ford won't disclose the name of his choice for vice president in the address. The search for his successor won't be complete until late in the week, one aide said.

With a whirlwind series of 11 White House meetings on Sun-

day, Ford accelerated his consultations with congressional and political friends, who said women and Democrats are among those being considered for the No. 2 post.

After the meetings, Ford told a newsman "I'm not ruling out anything or anybody." Other sources said it was highly unlikely that he would stray from a list of about a dozen GOP leaders in making his selection.

Republican national chairman George Bush emerged from Sunday's meetings with the backing of an influential conservative, Sen. Barry Goldwater, R-Ariz.

"He's Mr. Clean and that's what the country wants," Goldwater said of Bush, a former Texas congressman and U.S. ambassador to the United Nations.

Goldwater, one of the 11 friends and advisers Ford met with in the separate meetings, also ranks high on the list of possibilities. He said he wasn't seeking the job but "sure, I'd accept it."

Bush's name also was mentioned by House GOP Whip Lesli C. Arends of Illinois after his meeting with Ford. And it was among three listed

Dr. Plummer Appeals Decision On Dismissal

Dr. Gordon Plummer has appealed to the U. S. Sixth District Court of Appeals the dismissal of a suit filed against Murray State University, according to his attorney, Joe Freeland.

Plummer filed a suit in U. S. District Court in Paducah in February seeking to learn why his employment contract with the university was not renewed at the end of the 1973-74 school year.

Plummer served as chairman of the Art Department from 1971 until his final contract was not renewed at the end of June. He contended in the suit that he was told by the university officials when he was hired that if he was ever removed as chairman of the department, he would be given a job as a

teacher.

Judge James Gordon dismissed the suit last month on a motion of the university's attorney. In a four-page opinion handed down with the dismissal order, Gordon said "There has been no allegation of a violation of (Plummer's) rights nor of any facts which would constitute such a violation."

Plummer contended in the suit that he was deprived of "liberty and property without due process of law." The judge stated in his ruling that there has been no encroachment upon the plaintiff's (Plummer's) liberty under the due process clause of the Constitution.

Freeland said the dismissal is being appealed on grounds that Judge Gordon should have had evidence in the case.

Kirksey Man Injured In Accident

A Kirksey man was injured Saturday in a two-car collision two miles south of Hazel, according to Tennessee State Highway Patrol reports.

Ratford Hester, Route Two, Kirksey, was listed in good condition this morning suffering from multiple lacerations, according to officials of the Murray-Calloway County Hospital.

Hester, according to Tennessee State Police, was a passenger in a car driven by Harry T. Hawkins, Route Seven Mayfield, which collided with a car driven by Danny Bray, of Hazel.

Police said the accident occurred at 11:45 p.m. Saturday on Highway 641 South.

According to the police reports, the Hawkins car was going north on Highway 641, and the Bray car was parked while Bray was helping a stalled truck, when the accident occurred. Both cars were reported near a total loss.

Trooper Veteto, of the Highway Patrol, said his investigation is not complete at this time, but said that Hawkins was charged with driving while intoxicated. Veteto said Hawkins was freed on \$250 bond to appear in court this morning, but that he did not appear today and forfeited bond.

ART WORK PROMOTION—Joel Henderson (right) of Fulton, a senior management major at Murray State University, outlines some of the plans he and his new partner have for the promotion of art work by Henderson's father, Jubie Henderson, also of Fulton. Shown with Henderson are (left to right): Dr. R. E. Barton, instructor of a small business management course that provided much of the know-how to initiate the business; Dr. John H. Lindauer, dean of the College of Business and Public Affairs; and Dr. Roy Kirk, chairman of the Department of Management. Henderson's partner is Rick Marvin of Murray, a senior administrative management major.

MURRAY LEDGER & TIMES For and about Women

Dear Abby

Can transvestite be "all man?"

By Abigail Van Buren

DEAR ABBY: I just read the letter from the man who likes to wear ladies' lingerie, and claims to be "all man." My husband was one of those. He, too, served with the Marines, during which time he was sexually involved with an ex-Green Beret. I finally had a private detective get pictures of the two of them together, which was all the evidence I needed. His boyfriend was the father of four, and I was pregnant with my fifth at the time. We are divorced now, and nobody can understand why I left a handsome, 6-foot, 210-pound, masculine-looking man who was "good" to me and the kids, and who had a pleasant, easy-going personality. Abby, please warn other women that men who like to wear women's lingerie are not "all men" like they say. I don't care if they're ex-marines, ex-policemen or olympic champions. Don't use my name. My children don't know about their father. Sign me... BEEN THERE

DEAR BEEN: Men who get their kicks from dressing in women's attire are transvestites. Some are bi-sexual, some are homosexual, and some, strangely enough, are strictly heterosexual. And unless a woman can go along with it (which takes a very understanding woman), these men are not for marrying.

DEAR ABBY: Can you tell me in what state I can marry my former daughter-in-law? She was divorced from my son two years ago. I have been looking after her ever since her divorce, and we are very fond of each other. It is not what you think. I only want to marry her so she will be the sole owner of my estate. Answer soon as I have heart trouble. BORROWED TIME

DEAR BORROWED: Since there is no blood relationship between you and your former daughter-in-law, you may get married in any state.

DEAR ABBY: Tell the small-town bartender who doesn't like to lie over the phone to handle those calls as his big city cousins do. The tactful bartender will page the individual, and if no one answers the page, that is what he reports to the caller. Some people meet in bars for business reasons, and don't want to be bothered by phone calls; others simply want a few relaxing moments away from their daily routines. A well-managed bar sells a lot more than drinks, which is one reason patrons will pay six times more for a drink at a bar than they would for the same thing at home. PATRON

CONFIDENTIAL TO ROBERTA: Don't envy anyone. Few things are as good on the inside as they appear to be on the outside. Problems? You'll feel better if you get it off your chest. For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please. Hate to write letters? Send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Cal. 90212, for Abby's booklet, "How to Write Letters for all Occasions."

Norita Cassity Named To Appear In Who's Who Student Publication

Norita Ann Cassity, daughter of Mr. and Mrs. Albert Cassity, Jr., of Murray Route Three, has been notified that she will be featured in the Eighth Annual

Norita Cassity

Edition of Who's Who Among American High School Students, 1973-74. Students from over 20,000 public, private and parochial

high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the books. Miss Cassity will be a senior at Calloway County High School this year where she is president of the Beta Club, state historian of the Kentucky FHA, business manager of the Laker Year Book, and received her State FHA degree. She plans to attend Murray State University after her graduation in June.

Hamburger gravy Cook one-half pound (about one cup) ground beef in a fry pan until browned. Pour off fat. Stir in two tablespoons flour and one-half teaspoon salt. Slowly stir in one cup milk or water and cook, stirring, until thickened. Makes two servings, about two-thirds cup each. Serve on cooked rice, bulgar, mashed potatoes or biscuits.

Celia Simmons Complimented At Bridal Coffee At Outland Home

Miss Celia Simmons whose marriage to Bobby Reeder will be an event of August 16 at 7:30 p.m. at the First Baptist Church was the honoree at a delightfully planned coffee held at the lovely home of Mrs. Brent Outland on Keenland Drive. The gracious hostesses for the pre-nuptial event were Mrs. Outland, Mrs. Thomas

Hogancamp, Mrs. M. C. Garratt, Mrs. W. Rudolph Howard, Mrs. Alfred Young, Mrs. Marvin Harris, Mrs. James Rogers, and Mrs. William C. Adams, Sr. Receiving the guests with the honoree were her mother, Mrs. Archie Simmons, of Murray and her mother-in-law to be, Mrs. James Reeder of Henderson. Miss Linda Reeder of Henderson, sister of the groom-elect, presided at the guest register. Delightful refreshments were served at the beautifully appointed table centered with an arrangement of roses. The hostesses presented the honoree with a harvest gold electric skillet and a three piece canister set as wedding gifts. Seventy-five guests signed the register between the morning hours of nine to eleven o'clock.

Your Individual Horoscope

Frances Drake

FOR TUESDAY, AUGUST 13, 1974

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

ARIES (Mar. 21 to Apr. 20) Stand pat on decisions which have been carefully made. Resist temptations to "forget" promises, make spur-of-the-moment changes. Heading all this, you should have a good day.

TAURUS (Apr. 21 to May 21) Think "big" and aim for top achievement. This is no day for pessimism. Concentrate on essentials, and don't overlook even the smallest of opportunities.

GEMINI (May 22 to June 21) Be careful not to provoke others in business or social gatherings. You may detect flaws in the reasoning of some, but speak sparingly—and only where it will help.

CANCER (June 22 to July 23) If you are not sure of how to move in a certain situation, best put off action for a while; you are not likely to get answers "out of the blue."

LEO (July 24 to Aug. 23) Some strain may be put on your resources, but avoid anxiety. You rarely quake in the face of adversity, but present influences induce such inclinations.

VIRGO (Aug. 24 to Sept. 23) Don't be anxious about some unexpected change in your work area: it could prove more beneficial than you think. But don't initiate drastic changes yourself without good reason.

LIBRA (Sept. 24 to Oct. 23) Don't anticipate trouble or the failure of your endeavors, but DO be cautious in certain areas. And, as with Gemini, think carefully before expressing opinions.

SCORPIO (Oct. 24 to Nov. 22) Dynamic thought and action should be yours this day. Some of your ideas will be constructive, others not feasible. Choose well.

SAGITTARIUS (Nov. 23 to Dec. 21) Jupiter auspicious. You can accomplish a great deal now. Plan, call meetings, negotiate, consider propositions which seem to have good potentialities.

CAPRICORN (Dec. 22 to Jan. 20) A slow-down period for others, a definite need for pressing forward. Be your usual discriminating self in deciding the urgency of each situation.

AQUARIUS (Jan. 21 to Feb. 19) Some moments may be more difficult than others. But, with your ingenuity and ability to deal with others, you should be able to unravel all the knots.

PISCES (Feb. 20 to Mar. 20) Neptune influences now stimulate your imagination and spirit of adventure. You could make this a big day if you go all in effort.

YOU BORN TODAY are endowed with personality-plus; can reach almost unscalable heights with ingenuity and dash. You are suited to any field which brings you in contact with the public; are a born leader, a salesman beyond par and, in anything you do, have a flair for the dramatic. You have a regal outlook on life, thus may become too domineering, too proud, but your innate kindness and generosity to others often offsets these traits. Birthdate of: Alfred Hitchcock, writer, film producer and director; George Grove, composer; Bert Lahr, comedian.

Efficient Cooling

To get maximum efficiency and economy from an air conditioner, locate it where it will get free air delivery. Don't block it with draperies indoors or shrubbery outside. You will have no trouble in keeping suction cups in place if you rub the edges of the cups over a wet cake of soap. This makes a secure, airtight seal.

Monday, August 12 Ladies Steak Night will be held at the Oaks Country Club at 6:30 p. m. Reservations should be made with Mary Jane Key, Peggy Hook, Nancy Lovett, or Cheryl Dailey.

The Mattie Bell Hays Circle of the First United Methodist Church will meet at the social hall at seven p.m.

Recovery, Inc., will meet at the Mental Health Center at 7:30 p.m.

Tuesday, August 13 Ellis Center will open at ten a.m. for senior citizens of Murray and Calloway County. Table games and shuffleboard will be at 1:30 p.m. and shuffleboard will be at 6:30 p.m.

Murray Quota Club will meet at the Triangle Inn at 12 noon.

Murray Star Chapter No. 433 Order of the Eastern Star will meet at the Masonic Hall at 7:30 p.m.

Groups of the First Baptist Church Women will meet as follows: I with Mrs. Fulton Young at nine a.m.; II with Mrs. John Keel at ten a.m.; III with Mrs. E. C. Jones at two p.m.

Murray TOPS Club will meet at seven p.m. at the Health Center.

Wednesday, August 14 Wesleyan Circle of First United Methodist Church Women will meet at 7:30 p.m. with Mrs. Joe Cowin, 1508 Story Avenue.

Out To Get Robin

From the Northern Virginia Daily Bruce Vanier, age 23, is a successful businessman of the Horatio Alger school. Mr. Vanier is a Milwaukeean, in a city with about the normal quota of motorists who overstay their time at the city's parking meters.

The penalty for parking at an expired meter in Milwaukee is \$5.00, a lordly sum for so small an offense, even in this affluent age. Enter Bruce Vanier grasping opportunity by the forelock.

Bruce patrols the city on his bicycle feeding expired meters indiscriminately and leaving this note under the windshield wiper.

"Hello. You have just been rescued from a five-dollar parking ticket by the Robin Public Parking Aid. Your time had expired, endangering you to the perils of a parking violation. Could you please send one dollar so that we may continue this service to you and others."

Isn't that nice? But lo, as is usually the case, there is a villain in the offing in the person of Assistant City Manager David Felger. The city objects to this unseemly interference with the flow of overtime penalty dollars and are out to put

Robin Hood out of business. The heavy hand of officialdom is everywhere, callously indulging its appetite for ruining a noble, altruistic service to mankind, and a good story as well.

Disappointed

From the Dillon (S. C.) Herald Politicians were slightly disappointed at the turnout of only 2,000 at Galivants Ferry Democratic stump speaking recently. In spite of the fact that a chicken bog was prepared, free for all, and a large number of candidates were on hand to speak, the crowd was much smaller than had been anticipated. Probably the fishing was too good down on the Pee Dee.

Penny Wise

From the Macon (Ga.) News The shortage of pennies has moved some banks in the area to offer coin hoarders a 10 per cent premium when they exchange their penny collections for other denominations.

Or, to misquote the old adage, 10 pennies saved is a penny earned.

Letter To The Editor

Thanks Softballers

Dear Editor;

On behalf of the Murray Park and Recreation Department, I would like to congratulate all participants of the girls softball league for a fine season. To the coaches, I want to thank you all for a job well done. Without your leadership, sportsmanship and cooperation, the league could not have been successful. For the long hours spent in coaching your teams, I think you'll find satisfaction in knowing your girls learned skills and gained knowledge in the game of softball as the result of your efforts.

I want to congratulate everyone involved in this league for the fine display of sportsmanship which was shown throughout the season. One purpose of this league was to

teach sportsmanship at an early age. For the most part, I think we have succeeded.

The Blue Hornets, coached by Bill Price and Jami Washer received first place honors for the second year straight. Peoples Bank, coached by Max Brandon and Durwood Beatty placed second in the league while the Nats, coached by Gene Garfield and Bailey Gore placed third. The Flote Boat Fillies, coached by Ray Nall and E. B. Fennel received fourth place and the Bombers, coached by Becky Watson came in fifth.

Again, congratulations on a fine job by everyone. Best of luck next year as you once again enjoy the game of softball.

A new round of harassment of traffic on the corridor through East Germany to West Berlin has prompted the United States to suspend negotiations for granting diplomatic recognition to the Communist government in East Germany. The United States thus finds itself in a position to apply some direct pressure on the East Germans.

The message from Washington seems to be that if the Communists really want to see a U.S. embassy in East Berlin, they should stop playing games at border checkpoints. The new incidents — a "protest" against the opening of an environmental protection office in West Berlin by the West German government — are depressingly familiar. They are the kind of thing that the 1972 Four Power agreement on Berlin was supposed to eliminate.

The Communists have been playing cat and mouse with West Germans and West Berliners under that agreement, as they have during all the years that the status of Berlin and a divided Germany has confronted the victorious Allied powers of World War II. If our move toward recognizing the Communist regime in East Germany is now suspended, it is fair to ask whether it should be resumed at all.

Exactly what brought us to the point of shopping behind the Berlin Wall for a site for an American embassy? Two things, primarily. One was the "Ostpolitik" of former West German Chancellor Willy Brandt. By opening diplomatic relations with East Germany and making treaties with other satellite governments in Eastern Europe, he as much as told the world that West Germans

do not mind if the Soviet Union has its way in Eastern Europe, even if the Soviet way means shooting Germans who try to get from one half of their homeland to the other.

The other development, stimulated by Mr. Brandt's policy, was the decision by Western European governments to accept Moscow's invitation to hold a European Security Conference to "normalize" relations between the nations on both sides of the Iron Curtain.

Mr. Brandt is no longer chancellor — toppled, ironically, by the presence of an East German spy high up in his government. His successor, Helmut Schmidt, has shown more interest in improving relations with his Common Market partners and the United States than in further dealings with the Communists. The security conference has just recessed after another fruitless effort to agree on its agenda. It is becoming clear that the Soviet Union has no intention of talking about travel restrictions and other denials of freedom in the Communist fraction of Europe.

The peace treaty that was supposed to determine the future of Germany and other countries overrun by Russian armies in World War II has never materialized. Wrong has been piled upon wrong in 29 years of puppet-rule by the Soviet Union in Eastern Europe. If the United States is going to hand Moscow the prize of formal recognition of its phony East German "republic" — one that would collapse in a minute without the half-million Russian troops on East German soil — then we should demand a lot more in return than a West German environmental office in West Berlin.

THE COOLEST MAIN DISH OF ALL

It's hot and you don't feel at all like cooking a warm meal. A cool, cool salad can be the main dish for dinner tonight.

What's more a lot of people in the family could help prepare it, if they're willing. Make it fun and they probably will be. Especially, your smaller children. Try them out on scraping carrots for carrot sticks. And preparing celery. Washing lettuce. Or cutting up boiled potatoes that now are cool.

A Variety Of Foods
If your salad is the main course, will you sacrifice protein in your meal? Not at all. In fact, your salad should, in this instance, contain foods from each of the four food groups. Obviously you will build the salad on vegetables. There are several kinds of lettuce: iceberg, bibb and Boston. If you can, use all three along with other usual salad greens such as endive.

But here's a host of other vegetables to consider: Red kidney beans, canned green beans, slices of green and red peppers, onion, slices of radish, celery, cucumber, canned beets, and the carrots and potatoes mentioned earlier.

Obviously, we can next add fruit. Tomatoes are the staple, of course. But why not also consider some of these: rings or chunks of pineapple, peeled

orange slices, raw apple, pieces of fresh or canned peaches, or grapes.

You should not expect to use all these foods. But at least this gives you a wide selection from the vegetables and fruits food group.

Now for the meat group: This gets into some preparation, but not necessarily, because so many things come canned, all prepared. Like tuna, or canned salmon, or various meats, especially the luncheon-slice variety which can be easily converted to bite-size bits. Don't forget sardines, anchovies or, for that matter, chunks of chicken, turkey, ham, or marinated beef, or slices of hard-cooked egg.

Dairy Foods
Dairy foods will be represented by your use of cottage cheese, chunks of other cheeses, and the part that sour cream, roqufort cheese and/or milk can play in your dressing.

And finally, the breads and cereals food group: One way is to stir in a lot of those delicious, often garlic-soaked croutons or sprinkle your salad with wheat germ. Another nice addition is serving some of the many cocktail dip-type crackers that are available.

For a beverage? Drink a cool glass of milk, or iced tea or iced coffee.

Isn't It The Truth

By Carl Riblet Jr.

What this country needs is some workable method of examining politicians before the campaign begins so that candidates who may be slightly touched in the head by the prospect of power can be led away before the vote. However, there is a built-in danger in such an undemocratic effort. It might destroy what is left of representative government.

"Proof that man is not a thinking animal is found in the voters who cast their ballot for the other candidate."

Ford To Have Early Chances To Build GOP

WASHINGTON (AP) — President Ford will have two early chances to show whether he takes the task of building a strengthened national Republican party more seriously than his two GOP predecessors. The first will come when he picks a vice president, the second in his approach to November's midterm elections.

For all of their own personal success at the polls, neither Dwight D. Eisenhower nor Richard M. Nixon paid much attention to restoring the national Republican dominance that prevailed before Franklin D. Roosevelt's election to the presidency in 1932.

Eisenhower, the war hero turned statesman, had little interest. Nixon, a party man all his life, became more and more interested in his own political fortunes exclusively.

One of the legacies of the 1972 campaign, besides the scandal that ultimately drove him from office, was the bitterness in the GOP over the Pres-

ident's failure to help bring other Republicans in on his coat-tails.

Sen. Robert Dole of Kansas, the 1972 GOP chairman, has said he felt like an outsider at Nixon's victory celebration. GOP lawmakers always felt Nixon could have saved several senators who suffered narrow defeats.

But Ford demonstrated in his long congressional tenure and his brief spell as vice president a devotion to fellow Republicans that could spell brighter GOP days ahead.

His major task, in recent months, has been to help Republican candidates, part of a broader effort to give leadership to the party at a time the national administration was floundering.

Some efforts this fall in behalf of Republicans seem inevitable, and an extended Ford honeymoon could be a big boost to GOP candidates.

Before that, however, Ford must pick his No. 2 man, and

the choice will tell much about his views on the party.

In the past, Ford has talked of the need to broaden the GOP base, a view that led him to help liberal Republicans as well as conservatives and to suggest in 1968 that Nixon choose a liberal running mate.

Such a view now would appear to be a change of a party moderate, either an established figure such as Nelson A. Rockefeller or a younger Republican such as Gov. Daniel J. Evans of Washington, Sen. Mark O. Hatfield of Oregon or Sen. Edward W. Brooke of Massachusetts.

Many GOP liberals fear a great chance would be wasted if Ford picked a fellow conservative, such as Sen. Barry Goldwater or Gov. Ronald Reagan, especially since the choice must be approved by the Democratic-controlled Congress, rather than a conservatively based GOP National Convention.

Agree Or Not

I Say What I Think

by S. C. VAN CUREN

By S. C. Van Curen. FRANKFORT — The testimony of state witnesses in the 11-count criminal indictment trial last week against Jimm Creech for making false claims in moving state offices to the Capital Plaza Towers office building was a comedy of errors indicating inefficiency and bureaucracy in state government.

In his directed verdict of acquittal, just as the defense was ready to present its case, Franklin Circuit Judge Henry Meigs II said:

"Unfortunately, to my mind and I am quite sure to the minds of many of you, there will continue a lingering suspicion as to the innocence of the defendant, although he is to be acquitted. But, in fairness, I think it may also be observed that the accusing finger points back with equal force to the State in this case. . . . Unfortunately, as is usually the case, it is we taxpayers who are the unfortunate victims and losers."

The judge's comment is in sharp contrast to Governor Wendell H. Ford's declaration in his State of the Commonwealth Message Jan. 4, 1972, less than a month after he took office. He said, "During the brief period since inauguration day, I have sought a more business-like state government. Each individual placed in authority by me has been directed to follow an approach of refinement, whereby the gears of governmental machinery work more smoothly at less expense to the taxpayers."

Evidence presented in the trial clearly shows that the governor's high-sounding intent collapsed somewhere between that time and when Creech was indicted in July of 1973.

No self-respecting country store operator

would run his business in the manner in which the state supervised the mass moving. At least, the country store operator checks his invoices to see that the goods he is charged with are delivered.

Judge Meigs was extremely critical of the state in its lack of supervision in the moving contract that cost the state \$372,000 and possibly more. Creech has a cross suit in which he claims the state owes him \$58,000 more on a personal service contract. Creech also, after his acquittal last Wednesday, stands a chance of reversing a judgment of \$299,000 granted the state in a civil suit last month. Creech's attorneys said last week they would appeal the summary judgment granted in the civil suit.

Judge Meigs said, "The Finance Department failed to impose, at the time of making the contract, fiscal controls over the execution and performance of work so it might be at all times informed as to the amount of labor and charges incurred in substantiation for such charges before payment was made."

The state did not direct anyone to supervise the moving, check the number of men and hours worked, or to make a daily report. Creech employees testified the moving was an exercise in frustration since they had to move furniture three or four different times because they had no accurate direction as to where the furniture was to be placed.

Heads of departments did not inventory the furniture or machines in their offices that were to be moved, and they failed to provide supervision in the placement of new furniture in the news offices.

No one seemed to be running the store.

Kathy Outland Wins State Crown

Murray Girl New Champion In 12 Singles, Jill Austin Loses In Championship Match

By MIKE BRANDON
Ledger & Times Sports Editor
Kathy Outland doesn't believe in seedings.
Refusing to believe that she was the third-best 12-year-old singles player in the state, Miss Outland went out Saturday and proved her point at the Kentucky State Junior Closed Tennis Tournament at the Murray State Tennis Complex. Miss Outland, who will be in

the seventh grade at Murray Middle School when school starts later this month, crushed top-seeded Cathy Ramser of Louisville 6-4 and 6-2 to claim the title.
Last year, she took the championship in the 10-year-old girl's singles play.
It was quick work for Miss Outland as she used an excellent assortment of well-placed shots in disposing of

Miss Ramser, whom she had earlier lost to in a match at Lexington.
But this time she turned the tables as she was in complete control and led all the way.
For another Murray girl, the afternoon was not as successful. Jill Austin, playing in the championship of the girl's 14-year-old singles, lost in split sets to top-seeded Amy Dougherty of Louisville.

Those two singles matches will be played today in Lexington where another week-long tourney, featuring the top players in the state, is in progress.
There was one huge upset in the 14-year-old girl's singles where a steady and confident Beverly Ramser of Louisville claimed the title.
In the semifinals, she stunned top-seeded Teri Wheeler of Lexington Saturday 6-4 and 7-5. Then in her championship match with seventh-seeded Jackie Gibson of Lexington, the fifth-seeded Miss Ramser went split sets to take the crown.
Miss Ramser won the first set 6-1, lost the second 6-7 on a 5-3 tie-breaker and then in the match set, won 6-1.
It went as expected in the girl's 18 singles where top-seeded Susan Nolan of Louisville won 6-3 and 7-5 over

second-seeded Betsy Jones of Louisville.
Miss Nolan had to survive a tough semifinal match Saturday with Lexington's Janis Mucci. Miss Nolan, who trailed 4-2 in the first set, took a 7-6 win and won 6-2 in the match set.
Three championships were decided in the boy's singles Saturday.
Top-seeded Derek Weiss of Louisville won in the 10 singles as he crushed second-seeded Paul Varga, also of Louisville, 6-2 and 6-1.
An upset was recorded in the 12-year-old singles where second-seeded Tom Grossman of Louisville won 6-3 and 6-1 over top-seeded Tim Clark of Louisville.
In the 18 singles, top-seeded Danny Lucas of Georgetown won the crown with a 6-4, win over Billy Goldberg of Louisville.
Finals matches to be played today in Lexington will pit George Moorin of Louisville against Steve Wolf of Edgewood in the 14 finals while in the 16 singles, top-seeded Paul Lang plays Greg Adams. Lang is from Louisville while Adams is from Richmond.
This marked the second consecutive year the tourney was held in Murray. Next year it will be played in Lexington.

GETTING LOW—Jill Austin of Murray reaches low to return a shot in her championship match in the 14 singles against top-seeded Amy Dougherty of Louisville. Miss Austin fell in split sets, losing 5-7, 6-2, and 2-6.

NEW CHAMPION—Kathy Outland of Murray returns a volley in her championship match in the 12-year-old singles with Cathy Ramser of Louisville. Miss Outland won the match 6-4 and 6-2 to become the top player in the state in the 12-year-old singles.

When the two met earlier in Lexington, Miss Dougherty crushed Miss Austin in split sets.
But Saturday, Miss Dougherty had all she wanted and even a little more.
Miss Dougherty, after being tied at 4-4 in the first set, won 7-5 but in the second set, Miss Austin cruised to a 6-2 win to force the match into split sets. Then in the third set, Miss Austin was leading 2-0 before trouble came.
With the score tied at 30-all, Miss Austin slammed a hard shot that she thought was apparently in, but Miss Dougherty didn't call it that way.
There was no linesman to settle the dispute and Miss Austin lost the point.
That seemed to be the turning point in the match as Miss Dougherty, who had earlier lost

all of her composure after losing the second set, settled down and began playing well.
She played so well that she took the next six games and the title in the division.
All of the play was completed in the girl's competition but two championship matches in the boy's singles as well as most of the doubles matches were rained out.

Tearful Killebrew Has His Day In Minnesota

By ALEX SACHARE
AP Sports Writer
"I still get a chill every time Harmon bats," said Minnesota's Jerry Terrell, describing his feelings for teammate Harmon Killebrew, honored in special ceremonies Sunday.
A crowd of 27,303 turned out for Harmon Killebrew Day at Metropolitan Stadium in Bloomington, and the 38-year-old slugger did more than his share to send the customers home satisfied.
Killebrew singled home Bobby Darwin to give the Twins a 1-0 lead in the first inning against the Baltimore Orioles, then singled home Larry Hise to tie the game at 3-3 in the fifth. Terrell followed with a two-run single to put Minnesota in front for good.
"The adrenalin was really flowing," said Terrell, who grew up in southern Minnesota and watched Killebrew during his prime. "They should have a day for him every day because he's such a great guy. I guess he speaks for himself every time he bats."
Killebrew, who ranks fifth on the all-time home run list with 556, choked back the tears during the hour-long pregame ceremony. He turned over all proceeds from the event to charity.
Minnesota's senators, Hubert Humphrey and Walter Mondale, and Gov. Wendell Anderson were among a huge group of officials at the ceremony honoring Killebrew.
Minnesota Twins President Calvin Griffith announced that Killebrew's uniform No. 3 will be retired when the veteran slugger announces his retirement.
Killebrew is the only player remaining from the team which moved from Washington to Minnesota in 1961. He signed with the Senators in 1954 but came up to the majors for good in 1959.
He hit over 40 home runs in each of eight seasons, reaching a career high of 49 in 1964 and again in 1969. He has a lifetime average of .260 for 2,300 games, has driven in 1,531 runs and collected 2,013 hits.
This year, used primarily as a designated hitter, Killebrew is batting .246 with 10 homers and 45 RBI.
Terrell said the fact this was Harmon Killebrew Day helped spur him to the game-winning single.
"It made me mad when they walked Craig Kusick to pitch to me," Terrell said.
Royals 5, Brewers 2
Fran Healy's two-run double keyed a five-run first innin

that carried the Royals past Milwaukee. Paul Splittorff, 12-12, got the victory with ninth-inning relief from Lindy McDaniel and Doug Bird.
"Things are looking bright and brighter," said Manager Jack McKeon, whose second-place Royals have pulled to within 5½ games of the Oakland A's in the American League West.
"We've won eight of our last nine, and we did it today without Hal McRae, Cookie Rojas and John Mayberry," McKeon said. "This is the first time this year we've put together a real offense."
Indians 3, White Sox 2
Charlie Spikes hit his 16th home run of the season for the Indians and scored twice, and Frank Duffy delivered what proved to be the winning run with a fifth-inning single to top Chicago.
Bucky Dent and Buddy Bradford slugged consecutive homers in the seventh inning for the White Sox runs.
"We needed it," said Cleveland's winning pitcher, Jim Perry. "We needed to help our team morale, because we lost our last two games here. We have to stay in the running for the pennant."
Red Sox 2, A's 1
Veteran Juan Marichal blanked Oakland on three hits but left the game after eight in-

nings when his shoulder stiffened. Diego Segui pitched the ninth and managed to hold on for the victory.
The 35-year-old Marichal, who came off the disabled list Aug. 2, raised his record to 5-1. Segui gave up a run when Billy North singled and ended up on third on Rico Petrocelli's throwing error, then scored on Jesus Alou's sacrifice fly.
Bando followed with a single and Herb Washington came on as a pinch runner, but he was thrown out trying to steal, snuffing out the A's last chance.
Yanks 5, Angels 4
A two-out error by California's Rudy Meoli opened the door to a two-run New York seventh inning that helped the Yankees beat the Angels.
With the score tied 2-2, Meoli threw high to first base on Thurman Munson's ground ball, and the Yankees went on to score two runs on a walk to Jim Mason and singles by Sandy Alomar and Elliott Maddox.
Rangers 9, Tigers 0
Jim Bibby posted his 16th victory against 14 defeats by stopping Detroit on four hits. He struck out four and walked three.
Dave Nelson drove in four runs for the Rangers, three of them on a fifth-inning homer, his third of the year.

WORKING WITH THE BACKHAND—Top-seeded Susan Nolan of Louisville shows her fine backhand as she returns a shot in her championship match in the girl's 18 singles. Miss Nolan won the title by defeating Betsy Jones of Louisville, 6-3 and 7-5.

Nanney And Young Shrine Winners

Nanney Wins Shrine Flight With 148 While Young Posts One-Under 143 In Guest Flight

SHRINE WINNERS—Winners in the Murray Shrine Club Golf Tournament are from left to right, Pat Nanney, Shrine Championship flight winner; Don Robinson, tourney chairman and Wally Young, guest championship flight winner.

GOING FOR A SWIM KAYO?—Former Murray State junior varsity basketball coach Kayo Willis ran into a little trouble as his drive on 16 landed to the left of the fairway and into the high grass by the edge of the water.

(All Staff Golf photos by Dave Celaya)

By MIKE BRANDON
Ledger & Times Sports Editor

What's good for one man isn't necessarily good for another. On one side, there's Pat Nanney of Sharon, Tenn., who played consistent golf all weekend on both the Oaks and Murray Country Club courses and walked off with the title in the Shrine Championship Flight of the sixth annual Murray Shrine Club Tournament.

Nanney had rounds of 37-37 and 37-37 for a 36-hole total of 148 to post his first victory ever in the tournament.

And then there's Jerry Caldwell of the Oaks Country Club who put together his finest two days of golf this year in his bid to win the guest championship flight.

In his two days of golf, Caldwell had 30 pars while picking up only three bogeys and three birdies. But even his consistent play wasn't enough as a charging Wally Young blistered the Murray Country Club course Sunday in a blazing three-under par 69 to edge Caldwell by a stroke and take the flight championship.

It was the largest amateur golf tournament to ever be held in Kentucky and it rates as one of the largest in the United States as a field of 334 golfers completed the 36 holes of play.

For Nanney, it was a most satisfying victory as he finished second last year to winner Rex Fraley of Clarksville. Fraley posted a 141 in winning in 1973 while Nanney was four strokes back at 145.

Fraley, who had entered this year's tourney, did not show up and that left Nanney and Dick Brown, the Shrine championship flight winner of the first four tourneys, to battle for the crown.

Brown, a native of Paducah, posted a 77 Saturday on the Oaks Country Club and came back with a 76 Sunday at the Murray Country Club for a 36-hole total of 153, five strokes behind Nanney.

"I didn't hit out of the fairway all day and I thought I chipped pretty well too," Nanney said following his victory.

Nanney, the father of four sons, had three birdies and five bogeys both Saturday and Sunday.

"It was his consistency," said Kayo Willis, former Murray State University junior varsity basketball coach and now varsity coach at the University of Alabama (Huntsville).

"That's all you can say about him... he did everything so well."

Caldwell, who posted a 70 on his home Oaks course Saturday, was the leader after Saturday's play but slipped to a two-over

par 74 Sunday at the Murray Country Club.

Caldwell, who started play on the back side, lost his chance for winning the guest championship flight when he got back-to-back bogeys on five and six.

He then parred the rest of the way out and sat and waited for Young to come in from the course.

And when Young, the 23-year-old former Murray State golfer

came in, it was all over.

A 20-foot birdie putt on the 18th hole sewed up the one-stroke win.

Young had been putting bad for most of the tourney until he made the turn Sunday and then from the 12th hole on, his luck changed.

On the tricky 12th green, Young sunk a two-foot putt for a bird and then went on to par the 13th.

Young then birdied 14 and on the 15th, his 12-foot putt for an eagle lipped the cup and rolled inches past the hole, where he then tapped the ball in for a birdie.

On the 16th hole, his 20-foot birdie putt lipped out and he settled for a par there, as he did on the 17th, before sinking the winning putt on 18.

Two golfers tied for third-place honors with 145's, Jimmy Musgrove of Paducah and Tom Austin of Nashville.

In fifth place with a 147 was Roy Cochran of the Oaks Country Club.

In the Shrine championship flight, following Nanney and Brown was Benny McGill of Owensboro who finished with a two-day total of 154 on rounds of 76-78.

James Lassiter of the Murray Country Club posted 91-82 for a 173 in winning the Shrine first flight. George Rhenburg won the Shrine second flight with a 180.

In the guest first flight, Jeff Brown of Paducah took honors as he carded rounds of 83-76 for a 159 while Jimmy Boone of the Murray Country Club and Jere Jones of Paducah both had 160's in a second-place tie.

Jerry Jones of the Murray Country Club won the guest second flight, Tod Waldon of Paducah won on a coin toss for the title in the guest third flight and Monty Newcomb won the guest fourth flight.

GUEST CHAMPIONSHIP WINNER—Wally Young, a former Murray State golfer and now a member of the Murray Country Club, posted rounds of 74-69 for a 143 to win the guest championship flight in the Murray Shrine Club Invitational.

Two Local Men Record First Hole-In-Ones

Two hole-in-ones were recorded over the weekend at the Murray Country Club.

However, neither of the hole-in-ones won a car.

Murray Datsun offered a new car for any golfer scoring a hole-in-one at either the par-three number seven at the Murray Country Club or the par-three number 15 at the Oaks.

Saturday, Dr. Frank Miller of Murray scored a hole-in-one on the par-three number 17 at the Murray Country Club.

And then on Sunday, Howard Stealy of the Murray Country Club scored a hole-in-one on the seventh hole, the one where the car was to be given away.

But Stealy's hole-in-one came one shot to late. His first of his career, it came after the Murray Shrine Club Invitational had ended while he was shooting a practice round. It may be the unappetizing hole-in-one that anyone has ever had.

Ladies Day Golf At Murray Club

Evelyn Jones was golf hostess last week at the Ladies Day Golf at the Murray Country Club.

Inus Orr was the medalist while Eleanor Diuguid and Jerlene Sullivan tied for runners-up.

Lou Doran had the pokerhand while Jean Dixie was high on the blind hole.

Girls Softball League Finishes Up Its Season

The Girls Softball League has concluded its season with the Blue Hornets capturing first place for the second consecutive season. Peoples Bank received second place honors again this year with a 5-3 record. Following close in third place were the Nats while the Flote Boat Fillies and Bombers followed in respective order.

The second game found the Blue Hornets racking up another victory of the Nats 18-6. A win for the Nats would have placed them in a tie for second place with Peoples Bank. Jaina Waher and Dawn Redden led the hornets as they were four for four at bat. Kathy McHugh belted three for three for the losers.

The following is a list of teams, coaches and season records:
BlueHornets 7-1
Peoples Bank 5-3
Nats 4-4
Fillies 3-5
Bombers 1-7

Wives Of Patriots Join Their Husbands In Players' Strike

By DAVE O'HARA
AP Sports Writer
FOXBORO, Mass. (AP) — Gail Morris and several other wives of striking members of the New England Patriots joined their husbands on the picket line Sunday, urging fans to stay away from the game.

Gail, whose husband Jon is the Patriots' player representative, and the other women passed out leaflets. But they're assistance on the line hardly was needed.

In their 1974 home debut at 61,279-seat Schaefer Stadium, the Patriots drew only 17,992 fans, who saw them lose 21-6 to the New York Giants in Sunday night's only National Football League exhibition game.

By comparison, the two teams drew 60,243 for Schaefer's first game, also an exhibition, in 1971.

Of course, by comparison, the competition in the game hardly was the same, since the Giants and Patriots had few veterans on hand because of the players' strike.

The strike figures to slow up the turnstiles again tonight, when Chicago visits Pittsburgh; San Francisco plays at Cleveland; and Buffalo invades Kansas City.

In games on Friday night it

was Detroit 6, Baltimore 3 and Houston 48, Washington 3. In Saturday's games it was Oakland 28, Atlanta 16; Cincinnati 35, Philadelphia 21; Miami 45, New Orleans 20; Green Bay 13, St. Louis 0; Denver 27, Minnesota 21; Dallas 13, Los Angeles 6 and San Diego 20, New York Jets 14 in overtime.

As in the first weekend of preseason play, attendance dropped considerably. A scant 6,792 fans showed up in Baltimore and only 14,768 were in Washington. But the crowds weren't overly slim everywhere. In Los Angeles, 46,668 people were at Memorial Coliseum and Milwaukee drew about 43,000 for the Green Bay game. Both crowds were below normal—but not by much.

Shortly before the start of Sunday night's game, the NFL Players' Association agreed to a proposal that the veterans report to camp Wednesday for a two-week cooling off period while talks continued.

Nine-year quarterback Randy Johnson, one of New York's few non-striking veterans, directed a 73-yard touchdown march in the opening period, sending rookie Charlie Jessamy on a short plunge for the score. Then Johnson passed 13 yards to Steve Maier for a fourth-

triod touchdown. The Patriots got field goals of 46 and 24 yards from rookie John Smith of England in the second period. But late in that quarter, rookie Larry Jones, the national 440-yard champion from Northeast Missouri State, returned a Smith kickoff for a 100-yard New York touchdown sprint.

New Trevino Doesn't Know About Old One

By WILL GRIMSLEY
AP Special Correspondent
CLEMMONS, N.C. (AP) — The clown prince of big time golf is back, and everybody is hailing him as a king.

"Do you feel like the old Trevino?" Lee Trevino was asked Sunday after he had beaten out Jack Nicklaus by a stroke in a cliff-hanging victory for the 56th PGA Golf Championship.

"I don't know how the old Trevino felt," the bouncy, ebullient Mexican-American retorted. "Maybe I will have to ask my wife."

It was hot and humid and there was no icy drink waiting for the new American professional champion.

"I will buy," Trevino said. "Can anybody cash a check?" He reached in his dark trousers and pulled out the first prize check for \$45,000.

Everybody laughed. "Almost everybody laughs at Lee Trevino. He is loose and uninhibited. He is quick with the quip. He has a rich home-town philosophy. He is to golf what Yogi Berra and Dizzy Dean have been to baseball and Muhammad Ali—without Ali's occasional venom and militancy—to boxing."

He has enriched the game with both his skill and his Trevinisms: "If you keep your mouth shut too long, you get bad breath."

"I missed three fairways—the first and 15th."

"Now that I got all this mon-

LEXINGTON, Ky. (AP) — Murray State University is the preseason choice of Ohio Valley Conference coaches to win this season's OVC football title.

The picks, which placed defending champion Western Kentucky second, were announced at a meeting of the OVC coaches here Saturday.

Murray, which also placed more players than any other school on the Coaches Preseason All-OVC Team, received five first-place votes for football.

Western Kentucky garnered two first-place votes, while Eastern Kentucky received one

and finished third in the predictions. They were followed by Middle Tennessee, Morehead State, Tennessee Tech and, tied for seventh, Austin Peay and East Tennessee.

This is the first year the coaches have announced Preseason All-OVC Team picks.

Murray placed five players on the squad, while Eastern Kentucky and Morehead had two each. Western and Austin Peay placed three apiece, while the other schools had two each.

Don Clayton, senior running back at Murray, and John

Bushong, senior defense tackle at Western, were the only unanimous picks by the eight OVC coaches.

In other action at the meeting, OVC Commissioner Art Guepe said he expects the NCAA to rule some time this week on the conference's appeal of ineligibility rulings for some OVC players.

The eligibility question arose after it was discovered some of the conference schools had violated a 1971 NCAA rule concerning conversion of athletes' college test scores.

The Coaches Preseason All-OVC Team:

Offense: Tight end — Ray Graham, Morehead; Tackles — Charles Carpenter, Murray; Robyn Hatley, Eastern; Guards — John Rogers, Eastern; John Humphrey, Western; Receivers — John Revere, Eastern; Ron Hillman, East Tennessee; Quarterbacks — Tom Pandolfi, Murray; Runningbacks — Clayton; Frank Jones, Morehead; Punter — Charlie Johnson, Western; Center — Bob Sizemore, Austin Peay.

Defense: Ends — Elops Grooms, Tennessee Tech; Joe Echert, Murray; Don Neff, Austin Peay; Tackles — Bushong; Junior Hardin, Eastern; Linebackers — Dana Wingham, Tennessee Tech; Gary Bell, Middle Tennessee; Harry Flippin, Middle Tennessee; Deep backs — Eddie Flyaw, Austin Peay; Mark Hickman, Murray; Matt Kennedy, East Tennessee; and Vic Williams, Morehead, tie. Placekicker — Don Russell, Morehead.

Six Greats Scheduled To Enter Hall Of Fame

COOPERSTOWN, N.Y. (AP) — The sport's highest honor and one more standing ovation awaited today, as six men who contributed their chapters to baseball's history books entered the Hall of Fame.

New York Yankee greats Mickey Mantle and Whitey Ford, former umpire Jocko Conlan, Negro Leagues star "Cool Papa" Bell and two other stars from earlier eras were to be enshrined in colorful ceremonies outside baseball's historic museum.

The other inductees, "Sunny Jim" Bottomley and Sam Thompson, were honored post-

humously. Family representatives accepted plaques bearing their likenesses and records as Commissioner Bowie Kuhn presided and a crowd approaching 10,000 looked on.

This quiet village, the acknowledged home of the national pastime, came alive with activity in the moments before the festivities. Other living members of the Hall, countless baseball dignitaries and fans young and old arrived to pay homage.

But there was no sign of nervousness among the inductees as their greatest moment approached. Mantle spent Sunday on a golf course that bordered majestic Lake Otesaga. Bell relaxed at the headquarters hotel, chatting and signing autographs. Conlan reminisced with old friends.

"I recall that in 1948 and '51 I umpired here in Hall of Fame games," said the veteran of 24 National League seasons, six All-Star games and six World Series.

"Never did I think I'd be honored this way. He stifled a sob and added, 'I'm a softy. The Lord has been good to me, and I'm thankful.'"

So, too, was Mantle, who put the honor on a level with the feeling he had when his Yankee No. 7 was retired in 1969.

The switch-hitting outfielder powered 536 home runs and drove in 1,509 during 18 pain-racked years, battling continuous leg ailments and illnesses. He won the American League's Most Valuable Player Award in 1956, 1957 and 1962.

The 56 season was his finest, as 192 home runs, 130 runs batted in and a .353 batting average brought him the AL Triple Crown.

Ford, a sly left-hander, compiled a 236-106 record for a .690 winning percentage—tops among major league pitchers with 200 or more decisions. A 25-4 season in 1961 brought him the Cy Young award. His 322-3 consecutive scoreless World Series innings remain unmatched.

Bell's statistics would have been impressive as well had anyone been there to record the figures during the heyday of the Negro League. His 29-year career in the days of baseball's bus leagues and barnstormers included one season with 175 stolen bases and another with a .480 batting average.

His abandon on the basepaths brought him the title of "the fastest man ever to play baseball" from Kuhn, who singled out Bell for achievement. He once scored from first base on a bunt.

Sutton Paces Dodgers To Win Over Redbirds

By KEN RAPPOPORT

Don Sutton has notched his 15th. His 15th hit, that is, not victory.

The Los Angeles Dodger right-hander has been having better luck hitting than pitching this season—and helped himself Sunday with two singles in a 3-1 victory over the St. Louis Cardinals.

"I'm not Dizzy Dean or

Claude Osteen with my hitting," Sutton conceded, "but I believe that I can help myself win ballgames if I can do something else besides bunt.

Reds 10, Mets 4

Johnny Bench drove in five runs with two doubles and his 24th home run of the season and George Foster drove in four runs, leading Cincinnati over New York. Rookie Tom Carroll, 4-0, got the victory with help from Tom Hall. The loss went to Jerry Kosman, 11-8, who was shelled for four runs in the first inning.

Pete Rose opened the game with a sharp single to left, and Joe Morgan followed with a single to right. Bench doubled for one run and, after Tony Perez struck out, Dave Concepcion was intentionally walked, loading the bases.

Foster's two-run single crossed up the strategy and the Reds added another run on an infield out. In the fifth, Morgan reached first on Kosman's error and scored on Bench's double. Then Bench scored on another single by Foster.

An inning later, Rose and Morgan opened with walks and Bench drilled a long drive off reliever Jack Aker into the Cincinnati bullpen in left field. After Concepcion doubled, Foster drove in his fourth run of the game with his third single. He also had a ninth-inning double.

Pirates 8, Padres 1
Dock Ellis posted his fifth consecutive victory. Willie Stargell smashed a three-run homer

and Manny Sanguillen drove in two runs in Pittsburgh's victory over San Diego.

Ellis, 8-4, scattered eight hits and allowed the lone Padre run in the fourth inning when Dave Winfield singled and scored on a double to right-center by Nate Colbert.

The Pirates had taken a 1-0 lead in the first when Rennie Stennett walked and Al Oliver tripled to right off loser Dan Spillner, 7-9. Spillner, who gave up just five hits over six innings while going for a pinch hitter, allowed the go-ahead run in the fourth on a run-scoring single to left by Stennett.

The Pirates broke the game open with three runs in the seventh, all charged to Padres reliever Rusty Gerhard. Richie Zisk drove in the first run with a single and Sanguillen capped the surge with a two-run rdouble.

Expos 5, Astros 2
Jim Northrup's two-run homer and Jose Morales' two-run double carried Montreal over Houston.

Braves 8, Phillies 5
Dave Johnson's two-run single in the eighth inning lifted Atlanta over Philadelphia.

Giants 5-4, Cubs 3-4
Gary Matthews' home run on Rick Reuschel's first pitch of the seventh inning carried San Francisco past Chicago in the first game of their double-header. Garry Maddox led off the ninth with his second home run of the game and Tito Fuentes later followed with a two-run single to lead San Francisco to victory in the second game.

Miss Evert Has Easy Win At Indianapolis

By MIKE HARRIS
AP Sports Writer
INDIANAPOLIS (AP) — Saying she isn't "tournament tough" after a month without serious play, Chris Evert proved herself wrong in Sunday's women's singles finals of the \$130,000 U.S. Clay Court Tennis Championships.

Miss Evert glowed with elation after an almost gaudy 6-0, 6-0 triumph over Gail Chanfreau of France. The startlingly easy victory gave the 19-year-old Ft. Lauderdale, Fla., lass her third consecutive U.S. Clay Court title.

Meanwhile, Jimmy Connors, her 21-year-old future husband from Belleville, Ill., moved into tonight's men's finals against 18-year-old Swedish star Bjorn Borg.

Both Miss Evert and Connors were top-seeded and playing in their first tournament since they turned in a storybook performance by claiming the Wimbledon singles titles last month.

Earlier in the week, the fiery Connors said, "A lot of people say you're not a great player until you win at someplace like Wimbledon or Forest Hills. Well, now the pressure is totally off."

But, after her blitz against Mrs. Chanfreau—the 1969 Clay Court titlist—Miss Evert said, "I was a little nervous coming on the court today. Nobody had pushed me this week and, after all, it is my first tournament since Wimbledon."

Miss Evert, also looking ahead to a November wedding, hugged a bouquet of roses and pocketed a check for \$6,000 after the match.

Connors started slowly but came on strong to get past defending Clay Court champion Manuel Orantes of Spain 6-4, 8-

in Sunday's semifinals.

No. 3 seeded Borg had a tougher time with fifth-seeded Raul Ramirez of Mexico before moving past him 7-5, 6-7, 6-4 in a game sometimes very sloppy and sometimes very good on both sides of the net.

Meanwhile, the controversy over Ramirez' quarter-final victory over defaulted Ilie Nastase of Romania continued unabated.

Bill Riordan, agent for both Connors and No. 2-seeded Nastase, said they will file an appeal with the executive committee of the U.S. Lawn Tennis Association, which will meet at Forest Hills.

The uproar over the Nastase-Ramirez match erupted when the volatile Romanian—nicknamed "Nasty"—allegedly called the referee a name. A final decision by the tournament committee came forth eight hours later after false starts in which it was reported first that the match would continue, then that Ramirez would be defaulted for leaving the court.

STRATFORD, Conn. (AP) — Defending champion Japan, 5-0, faces Mexico, and the United States, 4-0, takes on Puerto Rico tonight in the third annual Women's World Softball Tournament.

The United States took a half-game lead over The Philippines in the second division Sunday by clubbing the Virgin Islands 13-0. Pat Whitman pitched a one-hitter to lead the Americans.

Japan, leading the first division, scored 10 unearned runs to blank The Netherlands 12-0, and The Philippines downed Canada 4-0 Sunday night.

Nixon Faces Future Potentially Still Full Of Watergate Scandal

SAN CLEMENTE, Calif. (AP) - The cheers and applause of supporters eased Richard Nixon's re-entry to private life at his Pacific oceanfront villa, but the former president faces a future potentially still full of Watergate.

He flew home from Washington aboard Air Force One on Friday, becoming Citizen Nixon in mid-flight as his resignation - brought on by the Watergate scandal - was received by Secretary of State Henry A. Kissinger at 11:35 a.m. EDT.

A crowd of about 4,000 at nearby El Toró Marine Corps Air Station cheered the ex-president as he descended from the plane, promising to continue working for world peace.

"Having completed one task does not mean that I am going to sit in this marvelous California sunshine and do nothing," Nixon said, smiling broadly before the placard-waving crowd.

"Over the next two years, I can assure you that in all the time that I have that can be useful I am going to continue to work for peace.

Scores of closer friends joined to greet him a few minutes later at the helipad next to his Spanish-style estate here.

Telegrams and phone calls of good wishes poured into the former Western White House.

Persons who saw him up close said Nixon was relaxed and in good spirits after the dramatic and draining week that culminated in his decision to leave office.

But asked about immediate family plans, an aide said, "I think they just want to relax."

Even as he relaxes, however, Nixon finds himself in new circumstances. No longer is he immune from prosecution, civil action or being called as a witness in legal proceedings sprouting from Watergate.

At a more everyday level, perhaps typifying his new status, someone called a "Nixon" drove off in a golf cart, "Do you have a California driver's license?"

"No, but I have Secret Service," he replied. Nixon is entitled to agents' protection for the rest of his life.

So abrupt was the Nixon departure that his daughter, Julie, and her husband, David Eisenhower, remained in Washington to supervise packing of family effects at the White House. Daughter Tricia and her husband, Edward Cox, accompanied the former president and his wife, Pat, on the flight West.

Aides who accompanied Nixon on the trip said the staff was unable to handle the deluge of phone calls at the government-owned offices next to Nixon's estate.

With Nixon were former press secretary Ronald L. Ziegler, former presidential assistant Stephen Bull and Col. Jack Brennan, who said the volume of telegrams was unbelievable.

Ziegler declined to spell out details of Friday's plane flight or other family activities, but he indicated he will provide some information on Nixon in the days to come.

Farm credit group meets in Mayfield

MAYFIELD, Ky. - "So goes agriculture, so goes the nation," Harry M. Young, director of the 4th Farm Credit District in Louisville, told about 1,300 people gathered at the Mayfield High School Friday night.

Young, who operates 1,200 acres of farmland in Christian County, was guest speaker for the Jackson Purchase Production Credit Association at its 41st annual stockholders meeting.

During the business meeting of the stockholders, two directors were named to fill the vacancies in Graves and Hickman counties.

Bobby G. Wilferd, Farmington, was elected to serve

as a director from Graves County. H. D. Hilliard was named to serve as a director in Hickman County.

The grand prize given at the meeting went to Mr. and Mrs. George W. Dunn of Murray. The prize is a trip to Hawaii for two.

Seven other stockholders received cash prizes of \$100 from each of the seven area offices of PCA.

WIN TRIP TO HAWAII - Mr. and Mrs. George W. Dunn of Murray (at left) are shown receiving their trip for two to Hawaii from Cloys Hobbs, president of JPPCA. The Dunn's won the vacation trip given by PCA during the stockholder's meeting Friday night at Mayfield High School.

Drownings In State At 110

FRANKFORT, Ky. - A total of 110 drownings have occurred on Kentucky's waters this year through July 31, according to records of the state Division of Water Enforcement. Twenty-eight of the fatalities resulted from boating accidents and the rest were non-boat related accidental drownings.

Water Enforcement Administrator Doug Shoulters said that waterskiing activity is currently heavy on the state's major waterways and careless waterskiing practices can result in fatalities. Shoulters says there have been a number of injuries from this cause recently.

"Some of the state's major lakes," he said, "have a very shallow average depth.

"People need to be familiar with the areas they are waterskiing in, and should ski in channels where the buoys indicate the water is deep. Never ski close to shore or near swimmers or other boaters."

He added that state law permits waterskiing only during daylight hours. "Skiers should also be aware of the restrictions on skiing times and designated skiing areas on lakes which have their own specific rules."

INTERNATIONAL FIGHT - The first international boxing match in history took place on July 28, 1754, with a bout between British champion Jack Slack and French contender Jean Petit.

TERRY KNIGHT BUYS A JET - NEW YORK (AP) - Rock group manager Terry Knight has bought a \$1 million private jet which will be made available for charter to touring rock groups.

Knight said the plane, which carries six passengers and 1,000 pounds of baggage, including guitars, will be available for charter in August. It is being built for him in Wichita.

Knight has become a jet pilot but says he will not personally fly any of the artists chartering his plane.

A member of the Murray company of the division, he has also been involved in 4-H work in North Carolina, Boy Scout activities in Illinois, teaching mountain climbing in Virginia, 4-H leadership training in Nebraska, and a national workshop on camping in North Carolina and Georgia.

SSG Burchfield has also served as a resource person for 10 elementary schools involved in outdoor education, and has been advisor to the Calloway County chapter of the Clean Teens.

The Reservist has also been instrumental in developing the plan for senior citizens' centers in Western Kentucky. He has helped organize and support a Murray Woman's Club clean-up and fix-up campaign in addition.

SSG Burchfield's position in the Murray Reserve company is a drill sergeant. When the company, commanded by 1 LT Larry Doyle, goes to summer camp or if it were called up on active duty, SSG Burchfield's job would be to instruct basic training to new recruits in the Army.

cars were stopped at the intersection, headed east, when the accident occurred. Damage to the Sisk car was to the left front, and damage to the Hornbuckle car was to the right rear. The Hornbuckle car was reportedly backing up at the time of the accident.

At 1:55 p.m. Friday, cars driven by Hazel I. Johnson, Route Two, and Bobby Atkins, 1613 Kirkwood, collided on the IGA parking lot, according to police.

Officers said the Johnson car was going northeast on the lot and the Atkins car was parked at the time of the accident.

At 2:11 p.m. Friday, cars driven by Luther F. Hendon, Route Three, and Charles B. Martin, Route Six, collided on the Parker's Supermarket parking lot, according to police.

Officers said the Hendon car was going southwest on the lot, backing up, and the Martin car was going west on the lot when the accident occurred. Damage to the Martin car was to the left front. No damage was reported to the Parker car.

Louisville Officers Are Concerned Over New Penal Code Restrictions

LOUISVILLE, Ky. (AP) — Louisville police officials say officers have expressed concern about a provision in Kentucky's new Penal Code which sharply limits the instances in which an officer can use a gun to stop a suspect.

"I tell them that if someone escapes it's not their fault," said Irvin D. Foley, legal adviser to the Louisville Police Department. He calls the provision "an expression of philosophy" of the state of Kentucky.

Under the Penal Code, which takes effect Jan. 1, policemen will be permitted to use "deadly physical force" in making an

by Senate Republican Leader Hugh Scott.

But Scott said his first choice still is former New York Gov. Nelson A. Rockefeller. He contended that the reported opposition to Rockefeller among party conservatives is "grossly exaggerated."

Melvin R. Laird, former congressman and defense secretary, also met with Ford but wasn't available for comment afterward.

Lucky Lake Bicentennial Festival at Kenlake State Park Aug. 31-Sept. 1 — and they are working on more. Jubie Henderson, whose disability limits his number of personal appearances, will be a participating artist in the festival at Kenlake sponsored by the Kentucky Lake Folk Festival Association. About 31,000 people attended the event in 1973.

Henderson and Marvin also plan to set up private shows for clubs and other groups in the immediate Fulton and Murray areas.

They have 10 prints now available in limited editions of usually 5,000, and 30 more oil paintings are suitable for printing if their efforts yield the expected results. Some of the later prints will be landscapes. Describing their partnership as the "first formal type promotion" of his father's work, Henderson said word-of-mouth recognition of the art work has attracted some 2,000 people to the elder Henderson's studio during the last five years.

Both 28 years old, Henderson and Marvin have similar backgrounds. Each returned to college after several years of work to concentrate on new management-based careers.

"Actually, our partnership and the initiation of our business is the practical application of one of the classes we had on campus," Marvin explained. "We feel that we have a solid foundation—and we're ready to put what we learned to work."

He went on to say that the course, entitled Management 558, Small Business Management, taught by Dr. R. B. Barton, is a good example how offerings in the College of Business and Public Affairs can pay immediate dividends.

"We are both confident that we have the necessary background to run such a business—and we believe in our product," Marvin continued. "Those are two absolute essentials to success."

The partners said several corporations have tried to obtain the rights to the art work for promotional purposes so they are certain of its market value.

"Besides, my father sold his original painting of the cardinal recently for \$3,000," Henderson pointed out. "So naturally we are optimistic about our efforts to sell signed prints for \$20 each."

arrest only if the arrest is for a felony involving "the use or threatened use of physical force likely to cause death or serious physical injury" or if they believe the suspect is "likely to endanger human life unless apprehended without delay."

Louisville and Jefferson County policemen have been receiving 40 hours of training on provisions of the code, which was approved by the 1974 legislature after more than five years of study.

Foley and Capt. Sam Tucker, legal adviser to the Jefferson County Police Department, say they have been spending considerable time soothing policemen's fears about the "deadly physical force" provision. Foley says the change will

mean a "tremendous adjustment" for policemen. But he says some people were being shot who "probably shouldn't have" under the current doctrine that allows policemen to fire at any felon who attempts to flee.

Tucker said the thrust of the new provision is that police "shouldn't take the life of anyone for committing a property crime. Life is of greater value than property."

As Tucker explains it, if a man is surprised after breaking into a grocery store and working on a safe, but has no weapon, "then we just have to wave goodbye" if he flees.

Tucker said the provision may eventually go to the Court of Appeals.

Men Hijack Bus; Teenage Girl Raped

CAMARILLO, Calif. (AP) — Authorities said today that three armed men boarded a Greyhound bus and raped a pregnant teen-age girl; pistol whipped a man and robbed all 34 passengers before making a getaway.

A Ventura County sheriff's spokesman said the girl, who was not identified, was six months pregnant. The spokesman said she was raped in the restroom aboard the bus, but was otherwise unharmed and continued the trip.

The trio boarded the San Francisco-bound bus at North Hollywood and pulled out handguns and a sawed-off rifle about 30 minutes later. As one of the robbers kept a pistol on the driver and another stood at the rear, the third walked down the aisle demanding money and valuables from the passengers, police said.

Glenn B. Coons, 56, of Santa Barbara, was hit with a gun after he told the robbers he wasn't carrying any money, deputies said.

"It was a nightmare," said Mats Grape, 24, a student visiting here from Sweden. "I was frightened. The blacks were so full of hate and so nervous, it made me frightened."

The gunmen, all identified as Negro males in their early 20s, got about \$3,000 in cash, travelers checks and jewelry, then ordered the bus driver to stop near a freeway exit where they got into a waiting car, police said.

Anders Franzen, 25, also vacationing from Sweden, said that just before the robbery he

heard one of the men whisper, "I want to kill some of these (passengers)."

But he said another answered: "No, no killing." Franzen said, "I was afraid to say anything and I didn't tell my friends. I just waited and hoped nothing would happen."

Police said they had no leads in the case.

LEEP Grant Is Awarded To University

Murray State University has been awarded an allotment of \$8,700 by the U. S. Department of Justice to continue its Law Enforcement Education Program (LEEP) for the 1974-75 academic year.

Johnny McDougal, director of student financial aid on the campus, said grants will be made from the allotment by the Student Financial Aid Office directly to students employed full-time in criminal justice work such as law enforcement, courts or corrections.

Noting that about 25 students benefited from the LEEP grant program in 1973-74, McDougal said the awards pay registration fees and allowance for books.

Grant recipients must agree to remain in the service of a public law enforcement agency for at least two years following completion of their courses. If that condition is not met, the grant must be repaid with seven percent interest.

Students presently enrolled in the program or new students in full-time criminal justice work who are interested are urged to contact:

Student Financial Aid Office, Basement, Administration Building, Murray State University, Murray, Ky., 42071 (Telephone 502-762-2546).
