Acknowledgement

First, I would like to thank Wouter Roos for being my promotor. Thank you for supporting me, guiding me, and giving me the opportunity to do a PhD in your lab and the international experience.

Next, I would like to thank Bert Poolman for being my second supervisor. I also would like to thank the assessment committee, Anna Salvati, Siewert-Jan Marrink, and Alexander Kros, for their critical reading of my thesis and the feedback they provided. My gratitude to all members of the examining committee: George Palasantzas, Ton van Leeuwen, Rifka Vlijm.

This thesis would not have been possible without collaboration and contributions of many researchers. I would like to express my gratitude to Gijs Wuite, Raya Sorkin, Margherita Marchetti, Daan Vorselen, Guilia Bergamaschi, Emma Kerklingh, Sander Groffen (VU Amsterdam), Guillaume van Niel, Roberta Palmulli, Mickaël Couty (INSERM Paris), Marco Harmsen, Linda Brouwer, and Elizabeth Orozco García (UMCG). Special thanks go to the people at VU Amsterdam, who welcomed me as part of the group - it was a pleasure to work with all of you - designing, performing and discussing experiments was very encouraging, motivating and fruitful.

My PhD project was part of the Cancer-ID program. Thanks to all people involved, especially my PhD fellows. I had a great time during our meetings and outings.

Next, I would like to express my gratitude to the Molecular Biophysics group members. Rafa, Adéla, I thank you for being my Paranimfen and friends. Thanks for the great times we've had after both of you joined our group. It was fun working with you. Rafa, you will always be my favorite drawing competitor. Adéla, I will never forget our Czech-German meetings with Josef and your girls. Sajitha, thank you for spending so much time with me in the lab, days and nights, weekdays and weekends. Thanks for fruitful discussions, insights, suggestions and your help and support. Thank you

for all the time we enjoyed together at work and in general, and all the Indian food you cooked. Sourav, thank you for all your support, discussions and the time we had together. I would like to thank Cat, Menso, and Valerie, the students, who supported me with my research. I learned a lot from you and I wish you all the best. Thank you also to all the other group members: Pedro, Yuzhen, Yanping, Guus, Ceri, Ignacio, Chris, Martijn, Laura, Viktor, Anja and Margriet. Thank you also to all the groups we were closely related: van der Wel Group: Mustapha, Irina, Pushpa, Greeshama, Alessia and Raffaella; Rifka Vlijm and her Group: Thomas and Eline; Thorben Cordes and his former group: Giorgos, Kostas, Marijn, Jelle, Jochem, Jasper, Yichen, Florence, Yusran, Atieh, Nikos, Monique, Vanessa and Martin. In addition, I thank all former members of the group.

During my PhD I had the opportunity to attend conferences and courses, where I met great people: Lâm, Fahimeh and Filip. Thank you for the great times we spent together, visiting cities, islands and countries and for staying in touch.

I would like to express my biggest gratitude to the people at the Photonik-Zentrum Kaiserslautern. Special thanks to Johannes, Mareike and Thomas - Thank you for introducing me to research and for supporting me during my PhD and beyond.

Friends are the family we choose.

Ben, danke für unsere Freundschaft, deinen klaren Verstand und deine Ehrlichkeit. Ich danke dir, dass du immer für mich da bist und an mich glaubst. Mit Sabine habe ich eine weitere Freundin gewonnen, vielen Dank auch für deine Unterstützung.

Hannah, meine Komplizin in allen Lagen. Wir haben schon so manche Erlebnisse geteilt. Du, Emma, Jasmin und Florian habt mich stets unterstützt. Sei es Ablenkung, Zuhören oder bei jedem Spaß dabei zu sein. Ich danke euch für die vielen Stunden des Lachens, eure Freundschaft und eure Unterstützung.

Nazan, Michael, ich könnte viele Worte hier anführen. Ich weiß, dass ich auf euch zählen kann. Ich danke euch für eure Freundschaft und eure Unterstützung in allen Lagen, die Zeit, die wir bereits gemeinsam hatten und noch haben werden.

Scarlett, you made Groningen a better place, showing me around and welcoming me all the time. Thank you for being my 'dutch family'.

Cathrina, wir haben uns an meinem ersten Wochenende nach Beginn meiner Doktorar-

beit kennengelernt. Eine Frage, ob dies die richtige Bushaltestelle nach Groningen sei, entwickelte sich zu einer tollen Freundschaft. Ich danke dir für deine Unterstützung, die Zeit, die wir zusammen in Groningen und danach hatten. Unsere gemeinsamen Spaziergänge und Marktbesuche werden mir immer in Erinnerung bleiben.

Eugenia, Françoise und Madeleine, ich danke euch für unsere langjährige Freundschaft und euren Support. Danke, dass ihr mir jederzeit zuhört und für mich da seid.

Besonderer Dank gebührt Michael B. für die Hilfe bei der Gestaltung des Covers der vorliegenden Arbeit.

Mathias, vielen Dank für deine Unterstützung während der Masterarbeit, der Doktorarbeit und darüber hinaus.

Ich möchte weiterhin Michèle, Anna A. und Anna F., Annika mit Familie, Eva, Marcus, Louise und Lukas, Martin und Christian für eure Unterstützung und Freundschaft danken.

Vielen Dank meinen Brüdern, meinen Eltern, Else, Papa Anton, Carmen und Jarah für die Unterstützung auf meinem bisherigen Weg.

To conclude, I would like to thank all people, who have supported me during my PhD and my journey of life.
