# Correction to 'A biomimetic accelerometer inspired by the cricket's clavate hair'

H. Droogendijk, M. J. de Boer, R. G. P. Sanders and G. J. M. Krijnen

 GJMK, 0000-0001-9537-7123

*J. R. Soc. Interface* **11**, 20140438 (2014; Published online 6 August 2014) (doi:10.1098/rsif.2014.0438)

It has been brought to our attention recently that a reference to an important pre-existing publication of the authors [1] in which the fabrication and a large part of the characterization of the sensors has been described was not included in the bibliography of the paper. The paper should have a footnote reading: 'This paper is an extended version of a contribution of the authors to the IEEE SENSORS 2013 conference [1]'. We apologize for this oversight.
