Student to hold release party for second novel

Contributed by Kathryn Manning and Chelsea Sydnor

Gardner-Webb University Senior Jen Guberman will host a release party and autograph signing for her second book, *Fortitude*, on April 6 in Gardner-Webb's Tucker Student Center lobby, beginning at 6:30 p.m. A meet and greet, book signing, raffle, photo booth and pudding bar will be included in the festivities.

"I'm excited to see everyone come out to celebrate the release of the second book, and I'm looking forward to speaking with the people who enjoyed the first book and meeting people who haven't read the series yet," Guberman said.

Fortitude, the second installment in the *Eos Dawn* trilogy, continues the adventures of main character Eos Dawn and her friend Zane. They have just located the powerful Skeleton Key, which can unlock anything. They decide to use this device to search beyond the dystopian society they have always known. They set out with the goal of finding Fortitude, the rumored city of free exiles.

Fortitude is "an exciting and thrilling addition to the *Eos Dawn* series!

Definitely a must read!" one reader commented.

Guberman's books will be available for \$10 each at the release party. Anyone who purchases a book will receive raffle tickets for drawings including gift cards and mobile device accessories. All attendees will receive one raffle ticket just for stopping by the event.

For more information, visit the *Eos Dawn* Series Facebook page or follow @eosdawnseries on Twitter.
