

The Carriage House

At first glance, a beautiful yellow house surrounded by trees.
Welcoming, shutters reaching out and inviting in.

Looks very innocent... but is it what it seems?

No cars in the driveway. No kids out to play. No neighbors to talk to.
No visitors. Secrets in the walls.

The driveway is miles from the road. You can hide in The Carriage
House. It will keep all your secrets.

This beautiful yellow house.
