GINKGO BILOBA AND ALZHEIMER'S DISEASE

Blue 4: J. Pum, J. Deyoung, E. Erder, D. Peterson, P. Kamali, Z. Imran

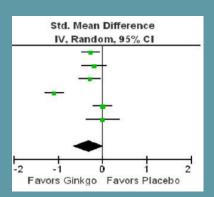

What it comes from

Native Chinese Tree's leaves/seeds

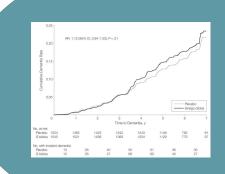

It's Claims

Prevention against Alzheimer's disease

The Studies Show

Incidence of Alzheimer's Disease was not decreased by long term usage of Ginkgo Biloba according to randomized control trials

Further Evidence

When considering all-cause dementia by one of the largest-scale clinical trials, there was no statistical difference in rate of total dementia between placebo and Ginkgo Biloba.

Conclusion

At this time, ginkgo biloba cannot be said to reliably prevent against
Alzheimer's disease

Please consult a physician if you are experiencing symptoms associated with Alzheimer's Disease
