

## Preface

### Introduction

The 1<sup>st</sup> **International Conference on Sciences, Mathematics, and Education (ICoSMED)** will be held on October 13<sup>th</sup> – 14<sup>th</sup>, 2022 at Faculty of Mathematics and Natural Sciences, Universitas Negeri Gorontalo, Indonesia. By emphasizing “*Upgrading Innovation Research In Mathematics, Science, And Education For Community Empowerment*” as the conference theme, we reassure researchers, scholars, as well as academicians from assorted backgrounds to provide and promote their research results in sciences, mathematics, education, and all kinds of related fields. As the impact of the new normal, ICoSMED 2022 will be implemented in a hybrid mode so that all presenters can take part without being limited by space and time.
