Inventory

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
BIM Coordinator Programme	ArcDox	6	Certificate	Part Time	Online	10 days	Dublin	
Advanced Wood and Sustainable Building Technology (with CIOB)	Atlantic Technological University	7	BSc	Full Time	In person	3 years	Sligo	
Applied Construction Technology	Atlantic Technological University	6	Higher Certificate	Full Time	In person	2 years	Sligo	
Architectural Technology	Atlantic Technological University	7	BSc	Full Time	In person	3 years	Galway	
Architectural Technology	Atlantic Technological University	8	BSc (Hons)	Full Time	In person	4 years	Galway	
Architectural Technology	Atlantic Technological University	8	BSc	Full Time	In person	4 years	Letterkenny & Donegal	
BIM & Lean Construction Management	Atlantic Technological University	9	Certificate	Part Time	Online	1 year	Online	
Building Engineering (& Renewable Energy or Fire Safety)	Atlantic Technological University	7	BEng	Full Time	In person	3 years	Letterkenny	
Building Information Modelling	Atlantic Technological University	8	Higher Diploma	Part Time	Blended	2 years	Galway	
Building Information Modelling	Atlantic Technological University	8	Certificate	Part Time	Blended	1 year	Galway	
Building Information Modelling and Digital Leadership	Atlantic Technological University	9	Postgraduate Diploma	Part Time	Blended	2 years	Galway	
Civil Engineering	Atlantic Technological University	7	BEng	Full Time	In person	3 years	Sligo	
Civil Engineering	Atlantic Technological University	8	BEng	Full Time	In person	4 years	Sligo	
Civil Engineering	Atlantic Technological University	7	BEng	Full Time	In person	4 years	Galway	
Civil Engineering	Atlantic Technological University	8	BEng	Full Time	In person	4 years	Galway	
Civil Engineering	Atlantic Technological University	7	BEng	Full Time	In person	3 years	Letterkenny	
Computer Aided Design - Parametric Modelling	Atlantic Technological University	6	Certificate	Part Time	Blended	1 year	Galway	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Construction (Architectural Tech or Construction Mgmt)	Atlantic Technological University	7	BSc	Full Time	In person	3 years	Letterkenny & Donegal	
Construction Economics	Atlantic Technological University	6	Higher Certificate	Part Time	Online	2 years	Sligo	
Construction Management	Atlantic Technological University	7	BSc	Full Time	In person	4 years	Galway	
Construction Management	Atlantic Technological University	8	BSc (Hons)	Full Time	In person	4 years	Galway	
Construction Management	Atlantic Technological University	8	BSc (Hons)	Full Time	In person	4 years	Letterkenny	
Construction Management BSc (with CIOB)	Atlantic Technological University	7	BSc	Part Time	Online	2 years	Sligo	
Construction Project Management	Atlantic Technological University	8	BSc	Full Time	In person	1 year	Sligo	
Construction Project Management and Applied Technology	Atlantic Technological University	8	BSc (Hons)	Full Time	In person	4 years	Sligo	
Digital Construction Technology	Atlantic Technological University	7	Certificate	Part Time	Online	1 year	Online	
Engineering in BIM	Atlantic Technological University	6	Higher Diploma	Full Time	Blended	2 years	Galway	
Fire Safety Engineering	Atlantic Technological University	8	BEng	Full Time	In person	4 years	Letterkenny	
MSc Project Management	Atlantic Technological University	9	MSc	Part Time	Online	2.5 or 3 years	Sligo	
Quantity Surveying	Atlantic Technological University	8	BSc (Hons)	Full Time	In person	4 years	Sligo	
Quantity Surveying	Atlantic Technological University	7	BSc	Full Time	In person	3 years	Letterkenny & Donegal	
Quantity Surveying	Atlantic Technological University	8	BSc (Hons)	Full Time	In person	3 years	Letterkenny & Donegal	
Quantity Surveying and Construction Economics	Atlantic Technological University	8	BSc	Full Time	In person	4 years	Galway	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Revit & 4D BIM	Atlantic Technological University	7	Certificate	Part Time	In person	2 x 13 weeks	Online	
Architecture and Interior Design	Blackrock Institute of Further Education	5	Certificate	Full Time	In person	1 year	Blackrock	
Architecture and Interior Design	Blackrock Institute of Further Education	6	Certificate	Full Time	In person	1 year	Blackrock	
Landscape Architecture	Blackrock Institute of Further Education	5	Certificate	Full Time	In person	1 year	Blackrock	
Construction in the Build Environment	Bray Institute of Further Education	6	Certificate	Full Time	In person	1 year	Bray	
BIM Bundle: Essentials and Delivering Information Management	BRE Academy	6	Certificate	Part Time	Online	2 days	Online	Irish Green Building Council
BIM ISO 19650 Foundations	BRE Academy	6	Certificate	Part Time	Online	2 hours	Online	Irish Green Building Council
ISO 19650: BIM Essentials	BRE Academy	6	Certificate	Part Time	Online	1 day	Online	Irish Green Building Council
ISO 19650: Delivering Information Management	BRE Academy	6	Certificate	Part Time	Online	6 hours	Online	Irish Green Building Council
Construction & Building	Carlow Institute of Further Education	5	Certificate	Full Time	In person	1 year	Carlow	
Construction Trades (Pre-Apprenticeship)	Carlow Institute of Further Education	5	Certificate	Full Time	In person	1 year	Carlow	
Renewable Energy Technology - Pre-University	Carlow Institute of Further Education	5	Certificate	Full Time	In person	1 year	Carlow	
Architectural Technology and Design	Cavan & Monaghan ETB	5	Certificate	Full Time	In person	1 year	Cavan	Cavan Institute
Architectural Technology and Design	Cavan & Monaghan ETB	6	Certificate	Full Time	In person	1 year	Cavan	Cavan Institute
Building Design with 3D CAD Traineeship	Cavan & Monaghan ETB	6	Advanced Certificate	Full Time	Evening	1 year	Monaghan	Monaghan Institute
CAD Solidworks	Cavan & Monaghan ETB	5	Certificate	Part Time	Evening	12 weeks	Monaghan	Monaghan Institute
Engineering Technology	Cavan & Monaghan ETB	5	Certificate	Full Time	In person	1 year	Cavan	Cavan Institute
Engineering Technology	Cavan & Monaghan ETB	5	Certificate	Full Time	In person	1 year	Monaghan	Monaghan Institute
Pre-University Mechatronic and Electronic Engineering	Cavan & Monaghan ETB	5	Certificate	Full Time	In person	1 year	Cavan	Cavan Institute

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Renewable Energy Technology and Control Systems	Cavan & Monaghan ETB	5	Certificate	Full Time	In person	1 year	Cavan	Cavan Institute
Renewable Energy Technology and Control Systems	Cavan & Monaghan ETB	6	Certificate	Full Time	In person	1 year	Cavan	Cavan Institute
Skills to Compete Computer Aided Design (CAD) Autodesk	Cavan & Monaghan ETB	5	Certificate	Part Time	Evening	12 weeks	Cavan	CMETB FET Campus
Sustainable Energy and Construction Technology	Cavan & Monaghan ETB	5	Certificate	Full Time	In person	1 year	Cavan	Cavan Institute
Carpentry Techniques	Cavan Institute	5	Certificate	Full Time	In person	1 year	Cavan	
BIM Level 2 Essentials	Chartered Institute of Architectural Technology (CIAT)	6	Certificate	Part Time	Online	14 hours	Online	
BIM Level 2 for Information Managers	Chartered Institute of Architectural Technology (CIAT)	6	Certificate	Part Time	Online	12 hours	Online	
Architectural Design & Technology Foundation (Design)	City of Dublin ETB	5	Certificate	Full Time	In person	1 year	Dublin	Colaiste Dhulaigh CFE
Architectural Technology with Sustainable Construction	City of Dublin ETB	5	Certificate	Full Time	In person	1 year	Dublin	Pearse College
Carpentry and Joinery (Construction Technology)	City of Dublin ETB	5	Certificate	Full Time	In person	1 year	Dublin	Plunkett College
Construction Technology with Draughting	City of Dublin ETB	5	Certificate	Full Time	In person	1 year	Dublin	Plunkett College
Pre-Apprenticeship - Carpentry and Joinery (Construction)	City of Dublin ETB	5	Certificate	Full Time	In person	1 year	Dublin	Plunkett College
Pre-Apprenticeship - Construction	City of Dublin ETB	5	Certificate	Full Time	In person	1 year	Dublin	Plunkett College
Revit Technician	City of Dublin ETB	6	City & Guilds	Full Time	In person	1 year	Dublin	Finglas Training Centre
Sustainable Construction Technologies	City of Dublin ETB	5	Certificate	Full Time	In person	1 year	Dublin	Plunkett College
Building Information Modelling (BIM) with Project Management	Colaiste Dhulaigh CFE	6	Certificate	Part Time	Online	1 year	Dublin	
Engineering Technology (Pre Apprenticeship)	Colaiste Dhulaigh CFE	5	Certificate	Full Time	In person	1 year	Dublin	
Preliminary Engineering	Colaiste Dhulaigh CFE	5	Certificate	Full Time	In person	1 year	Dublin	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Carpentry: Construction Technology	Colaiste Stiofain Naofa	5	Certificate	Full Time	In person	1 year	Cork	Cork ETB
BIM Starter Pack for Contractors	Construction Industry Federation	6	Member only course	Part Time	Online	Not stated	Online	
AutoCAD 2D Essentials	Construction IT Alliance	6	Certificate	Part Time	Online	4 days	Online	Skillnet
AutoCAD 2D Essentials	Construction IT Alliance	6	Certificate	Part Time	Online	6 days	Online	Skillnet
AutoCAD 2D Intermediate	Construction IT Alliance	6	Certificate	Part Time	Not stated	4 days	Online	Skillnet
AutoCAD MAP 3D GIS for CAD users	Construction IT Alliance	6	Certificate	Part Time	Not stated	2 days	Online	Skillnet
Autodesk Infracore Essentials	Construction IT Alliance	6	Certificate	Part Time	Not stated	4 days	Online	Skillnet
BIM - Information Management Practitioner - ISO 19650 Curriculum	Construction IT Alliance	6	Certificate	Part Time	Online	12 hours	Online	Operam Academy
BIM - Information Management Professional IM Bootcamp Programme	Construction IT Alliance	6	Certificate	Part Time	Online	6 days	Online	Operam Academy
BIM Certificate - BIM-PIM-TIM (BRE)	Construction IT Alliance	6	Certificate	Part Time	Blended	10 hours	Online	Skillnet
BIM Coordinator Mentor Programme	Construction IT Alliance	6	Certificate	Part Time	Online	10 days	Online	Skillnet
BIM ISO 19650 Delivering Information Management	Construction IT Alliance	6	Certificate	Part Time	Not stated	1 day	Online	Skillnet
BIM ISO 19650 Essentials	Construction IT Alliance	6	Certificate	Part Time	Not stated	2 days	Online	Skillnet
BIM360 Tools	Construction IT Alliance	6	Certificate	Part Time	Online	10 days	Online	Skillnet
Civil 3D Essentials	Construction IT Alliance	6	Certificate	Part Time	Online	4 days	Online	Skillnet
Revit Additional Topics	Construction IT Alliance	6	Certificate	Part Time	Online	10 days	Online	Skillnet
Revit Architecture Essentials	Construction IT Alliance	6	Certificate	Part Time	Online	10 days	Online	Skillnet
Revit Architecture Essentials	Construction IT Alliance	6	Certificate	Part Time	Online	6 days	Online	Skillnet
Revit Families	Construction IT Alliance	6	Certificate	Part Time	Online	10 days	Online	Skillnet
Revit Families	Construction IT Alliance	6	Certificate	Part Time	Online	1 day	Online	Skillnet
Revit for Landscape	Construction IT Alliance	6	Certificate	Part Time	Online	10 days	Online	Skillnet
Revit MEP Essentials	Construction IT Alliance	6	Certificate	Part Time	Online	10 days	Online	Skillnet
Revit MEP Essentials	Construction IT Alliance	6	Certificate	Part Time	Online	6 days	Online	Skillnet
Revit Structure Essentials	Construction IT Alliance	6	Certificate	Part Time	Online	10 days	Online	Skillnet
Twinmotion Essentials	Construction IT Alliance	6	Certificate	Part Time	Online	5 days	Online	Skillnet

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
CIOB - Managing Sustainable Construction	Construction Professionals Skillnet	6	CIOB Certificate	Part Time	Online	4 days	Online	
CIOB - Managing the Technology of Modern and Traditional Construction Works	Construction Professionals Skillnet	6	CIOB Certificate	Part Time	Online	4 days	Online	
CIOB - Project Planning, Control, Monitoring and Risk for Construction	Construction Professionals Skillnet	6	CIOB Certificate	Part Time	Online	4 days	Online	
Architectural 3D Modelling (BIM/Revit) - Computer Aided Design	Cork ETB	5	Certificate	Full Time	In person	1 year	Cork	Cork College of FET
Engineering Technology	Cork ETB	5	Certificate	Full Time	In person	1 year	Cork	Cork College of FET
Pre Apprenticeship - Construction Technology	Cork ETB	5	Certificate	Full Time	In person	1 year	Cork	Cork College of FET
Pre Apprenticeship - Engineering	Cork ETB	5	Certificate	Full Time	In person	1 year	Cork	Cork College of FET
Sustainable Technology	Cork ETB	5	Certificate	Full Time	In person	1 year	Cork	Cork College of FET
Engineering Technology	Croom College FET	5	Certificate	Full Time	In person	1 year	Croom	Limerick & Clare ETB
Pathway to Apprenticeship - Engineering	Croom College FET	5	Certificate	Full Time	In person	1 year	Croom	Limerick & Clare ETB
Engineering Technology	CTI Clonmel Senior College of Further Education	5	Certificate	Full Time	In person	1 year	Clonmel	Tipperary ETB
Architectural Technology and Design	Dublin & Dun Laoghaire ETB	6	Advanced Certificate	Full Time	In person	1 year	Dun Laoghaire	Dun Laoghaire FET
Architectural Technology and Design	Dublin & Dun Laoghaire ETB	6	Advanced Certificate	Full Time	In person	1 year	Dun Laoghaire	Dun Laoghaire FET
Computer Aided Design	Dublin & Dun Laoghaire ETB	5	Certificate	Full Time	In person	1 year	Dun Laoghaire	Dun Laoghaire FET
Computer Aided Design	Dublin & Dun Laoghaire ETB	5	Certificate	Full Time	In person	1 year	Dun Laoghaire	Dun Laoghaire FET
Construction Technology - Pre Apprenticeship	Dublin & Dun Laoghaire ETB	5	Certificate	Full Time	In person	1 year	Dun Laoghaire	Dun Laoghaire FET
Construction Technology - Pre Apprenticeship	Dublin & Dun Laoghaire ETB	5	Certificate	Full Time	In person	1 year	Dun Laoghaire	Dun Laoghaire FET
Engineering Technology with Electronics	Dublin & Dun Laoghaire ETB	5	Certificate	Full Time	In person	1 year	Dun Laoghaire	Dun Laoghaire FET

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Engineering Technology with Electronics	Dublin & Dun Laoghaire ETB	5	Certificate	Full Time	In person	1 year	Dun Laoghaire	Dun Laoghaire FET
Interior Architecture & Design	Dublin & Dun Laoghaire ETB	5	Certificate	Full Time	In person	1 year	Blackrock	Blackrock FEI
Interior Architecture & Design	Dublin & Dun Laoghaire ETB	6	Certificate	Full Time	In person	1 year	Blackrock	Blackrock FEI
Sustainability & the Built Environment	Dublin & Dun Laoghaire ETB	5	Certificate	Full Time	In person	1 year	Dundrum	Dundrum College of FE
Sustainability & the Built Environment	Dublin & Dun Laoghaire ETB	5	Certificate	Full Time	In person	1 year	Dundrum	Dundrum College of FE
Sustainable Design Technologies	Dublin & Dun Laoghaire ETB	5	Certificate	Part Time	In person	1 year	Dundrum	Dundrum College of FE
Sustainable Design Technologies	Dublin & Dun Laoghaire ETB	5	Certificate	Part Time	In person	1 year	Dundrum	Dundrum College of FE
Architectural Technology	Dundalk Institute of Technology	7	BSc	Full Time	In person	4 years	Dundalk	
Architectural Technology	Dundalk Institute of Technology	8	BSc (Hons)	Full Time	In person	4 years	Dundalk	
Building Information Modelling (using Autodesk Revit)	Dundalk Institute of Technology	6	Certificate	Part Time	Online	8 weeks	Dundalk	
Building Surveying	Dundalk Institute of Technology	7	BSc	Full Time	In person	4 years	Dundalk	
Building Surveying	Dundalk Institute of Technology	8	BSc (Hons)	Full Time	In person	4 years	Dundalk	
Building Surveying	Dundalk Institute of Technology	9	MSc	Full Time	In person	1 year	Dundalk	
Building Surveying	Dundalk Institute of Technology	9	Postgraduate Diploma	Full Time	In person	1 year	Dundalk	
Building Surveying	Dundalk Institute of Technology	9	MSc	Part Time	In person	2 years	Dundalk	
Computer Aided Design	Dundalk Institute of Technology	6	Certificate	Part Time	In person	8 weeks	Dundalk	
Computer Aided Design 3D using Solidworks	Dundalk Institute of Technology	6	Certificate	Part Time	In person	7 weeks	Dundalk	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Construction Management	Dundalk Institute of Technology	7	BSc	Full Time	In person	4 years	Dundalk	
Construction Management	Dundalk Institute of Technology	8	BSc (Hons)	Full Time	In person	4 years	Dundalk	
Construction Project Management (add-on)	Dundalk Institute of Technology	8	BSc (Hons)	Full Time	In person	1 year	Dundalk	
Computer Aided Design	Dungarvan College	5	Certificate	Full Time	In person	1 year	Dungarvan	
AutoCAD 2D Essentials	Engineers Ireland	6	Certificate	Part Time	Online	6 days	Online	Diatec
AutoCAD Intermediate	Engineers Ireland	6	Certificate	Part Time	Online	4 days	Online	Diatec
Autodesk Infraworks Essentials	Engineers Ireland	6	Certificate	Part Time	Online	4 days	Online	Diatec
Civil 3D Essentials	Engineers Ireland	6	Certificate	Part Time	Online	4 days	Online	Diatec
Construction Contracts, BIM and Digital Technology	Engineers Ireland	6	Certificate	Part Time	online	1 day	Online	
Introduction to BIM Management using Revit	Engineers Ireland	6	Certificate	Part Time	Online	4 days	Online	Diatec
Introduction to BIM Principles	Engineers Ireland	6	Certificate	Part Time	Online	1 day	Online	
Inventor Pro Essentials	Engineers Ireland	6	Certificate	Part Time	Online	6 days	Online	Diatec
Navisworks Essentials	Engineers Ireland	6	Certificate	Part Time	Online	4 days	Online	Diatec
Revit Architecture Essentials	Engineers Ireland	6	Certificate	Part Time	Online	6 days	Online	Diatec
Revit MEP Essentials	Engineers Ireland	6	Certificate	Part Time	Online	6 days	Online	Diatec
Construction Technology	Errigal College	5	Certificate	Full Time	In person	1 year	Letterkenny	Donegal ETB
Computer Aided Design and Architectural Technology	Galway & Roscommon ETB	5	Certificate	Full Time	In person	1 year	Galway	Galway Technical Institute
Construction Technology / Civil Engineering	Galway & Roscommon ETB	5	Certificate	Full Time	In person	1 year	Galway	Galway Technical Institute
Construction Technology : Renewable Energies and Engineering	Galway & Roscommon ETB	5	Certificate	Full Time	In person	1 year	Galway	Galway Technical Institute
Pre-University Engineering	Galway & Roscommon ETB	5	Certificate	Full Time	In person	1 year	Galway	Galway Technical Institute
Apprenticeship Preparatory Programme: Carpentry/Plumbing/Electrical	Galway Technical Institute	5	Certificate	Full Time	In person	1 year	Galway	Galway and Roscommon ETB

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Engineering Technology	Greenhills Community College	5	Certificate	Full Time	In person	1 year	Dublin	Dublin and Dun Laoghaire ETB
Advanced Rendering - Certificate	Griffith College, Dublin	8	Postgraduate Diploma	Part Time	In person	2 weeks	Dublin	
BIM & BIM Collaboration - Advanced	Griffith College, Dublin	8	Certificate	Part Time	Blended	1 semester	Dublin	
Building Information Modelling (BIM) & Graphic Illustration - Certificate	Griffith College, Dublin	8	Postgraduate Diploma	Part Time	In person	1 semester	Dublin	
Building Information Modelling (BIM) & Graphic Illustration - Diploma	Griffith College, Dublin	8	Postgraduate Diploma	Part Time	In person	1 year	Dublin	
Engineering in Industrial & Systems Engineering	Griffith College, Dublin	7	Springboard	Part Time	In person	1 year	Dublin & Limerick	
Introduction to BIM (using Revit) - Certificate	Griffith College, Dublin	8	Postgraduate Diploma	Part Time	In person	1 semester	Dublin	
AutoCAD & Auto CAD LT Essentials Training Course	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	3 days	Online	
AutoCAD Advanced Blocks Training Course -Intermediate AutoCAD Level	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
AutoCAD Blocks Training Course – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
AutoCAD Dynamic Blocks Training Course -Intermediate AutoCAD Level	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
AutoCAD intermediate Training Course	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	2 days	Online	
AutoCAD Reference Files Training Course – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
AutoCAD Template Creation Training Course -Intermediate AutoCAD Level	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	1 day	Online	
Autodesk BIM Collaborate – Quick Start	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	1 day	Online	
Autodesk Build Quick Start	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	1 day	Online	
Autodesk Docs Quick Start	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	1 day	Online	
Autodesk Inventor Training Course Parts 1 & 2	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	2 days	Online	
BIM Awareness for Executives Training Course	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	1 day	Online	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
BIM Collaborate Pro Quick Start	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	1 day	Online	
BIM Process for Building Services	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	1 day	Online	
Civil 3D Essentials Training Course	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	3 days	Online	
Civil 3D Grading Essentials – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
Collaboration in Civil 3D with Data Shortcuts – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
Dynamo for Revit Overview Training Course – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
Introduction to Autodesk Navisworks Training Course – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
Introduction to BIM Project Management	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	1 day	Online	
Revit Architecture Coordinates Training Course – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
Revit Architecture Essentials Training Course	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	3 days	Online	
Revit Architecture Visibility and Graphic Controls Training Course – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
Revit Architecture Walls Training Course – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
Revit MEP Essentials Training Course	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	3 days	Online	
Revit Structure The Basics of Families Training Course - Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
Site Simulation with Autodesk Navisworks – Beyond The Basics	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	Half day	Online	
Virtual Revit Structures Essentials Training Course	Industry 4.0 Skillnet	6	Certificate	Part Time	Online	3 days	Online	
Architecture; Design & Technology (Design)	Kildare & Wicklow ETB	5	Certificate	Full Time	In person	1 year	Bray	Bray Institute of FE
Engineering Pre-University	Kildare & Wicklow ETB	5	Certificate	Full Time	In person	1 year	Bray	Bray Institute of FE

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Computer Aided Design	Kilkenny & Carlow ETB	5	Certificate	Full Time	In person	1 year	Carlow	Carlow Institute of FET
Construction Technology	Kilkenny & Carlow ETB	5	Certificate	Full Time	In person	1 year	Carlow	Carlow Institute of FET
Engineering Technology	Kilkenny & Carlow ETB	5	Certificate	Full Time	In person	1 year	Carlow	Carlow Institute of FET
Engineering Technology (pre-apprenticeship/pre university)	Laois & Offaly ETB	5	Certificate	Full Time	In person	1 year	Tullamore	Tullamore FETC
Sustainable Construction Technology	Laois & Offaly ETB	5	Certificate	Full Time	In person	1 year	Tullamore	Tullamore FETC
3D Mechanical Modelling using Solidworks	Longford & Westmeath ETB	6	Autodesk/Solidworks	Part Time	Online	18 weeks	Athlone	Athlone Training Centre
BIM Modelling using Autodesk's Revit Architecture	Longford & Westmeath ETB	6	Autodesk	Part Time	Blended	14 weeks	Athlone	Athlone Training Centre
Engineering Technology	Longford College of Further Education	5	Certificate	Full Time	In person	1 year	Longford	Longford & Westmeath ETB
Architectural Technology and Design (Computer Aided Design)	Louth & Meath ETB	5	Certificate	Full Time	In person	1 year	Dunboyne	Dunboyne College of FE
Buiding Construction (Pre-Apprenticeship)	Louth & Meath ETB	5	Certificate	Full Time	In person	1 year	Drogheda	Drogheda Institute of FE
Construction Technology (PLC)	Louth & Meath ETB	5	Certificate	Full Time	In person	1 year	Dundalk	O Fiaich Institute of FE
Engineering Technology (Pre-Apprenticeship)	Louth & Meath ETB	5	Certificate	Full Time	In person	1 year	Drogheda	Drogheda Institute of FE
Engineering Technology and Robotics	Louth & Meath ETB	5	Certificate	Full Time	In person	1 year	Dundalk	O Fiaich Institute of FE
Pre-University Architectural Technology & Design (Computer Aided Design)	Louth & Meath ETB	5	Certificate	Full Time	In person	1 year	Dundalk	O Fiaich Institute of FE
Building Technology & Design	Mayo, Sligo & Leitrim ETB	5	Certificate	Full Time	In person	1 year	Sligo	Sligo College of FE
Construction Technology with Renewable Energy	Mayo, Sligo & Leitrim ETB	5	Certificate	Full Time	In person	1 year	Sligo	Sligo College of FE
Engineering Technology	Mayo, Sligo & Leitrim ETB	5	Certificate	Full Time	In person	1 year	Sligo	Sligo College of FE
3D CAD and Solid Modelling	Munster Technological University	6	Certificate	Part Time	In person	1 year	Cork	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Applied Building Information Modelling and Digital AEC	Munster Technological University	9	Postgraduate Diploma	Part Time	Online	1 year	Cork	
Applied Building Information Modelling and Management	Munster Technological University	8	Certificate	Part Time	In person	2 years	Cork	
Architectural Technology	Munster Technological University	7	BSc	Full Time	In person	3 years	Cork	
Architectural Technology	Munster Technological University	8	BSc (Hons)	Full Time	In person	4 years	Cork	
Architecture	Munster Technological University	8	BSc (Hons)	Full Time	In person	4 years	Cork	UCC
Architecture	Munster Technological University	9	MArch	Full Time	In person	1 year	Cork	UCC
BIM Technologies	Munster Technological University	6	Certificate	Full Time	Not stated	1 semester	Online	
Building Information Modelling and Digital AEC	Munster Technological University	9	MSc	Part Time	Online	1 year	Cork	
Building Information Modelling and Management	Munster Technological University	8	BSc (Hons)	Part Time	Online	1 year	Cork	
Building Information Modelling and Management	Munster Technological University	8	BSc (Hons)	Part Time	In person	2 years	Cork	
Civil Engineering	Munster Technological University	7	BEng	Full Time	In person	3 years	Cork	
Civil Engineering (Environment and Energy)	Munster Technological University	9	MEng	Part Time	In person	5 years	Cork	
Construction Management	Munster Technological University	8	BSc (Hons)	Full Time	In person	4 years	Cork	
Construction Management	Munster Technological University	7	BSc	Part Time	In person	1 semester	Cork	
Construction Project Management	Munster Technological University	9	MSc	Part Time	In person	2 years	Cork	
Engineering Common Entry (Level 8)	Munster Technological University	8	BEng (Hons)	Full Time	In person	4 years	Cork	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Engineering in Civil Engineering	Munster Technological University	6	Higher Certificate	Part Time	In person	3 years	Cork	
Environmental and Energy Engineering	Munster Technological University	8	Certificate	Part Time	In person	2 semesters	Cork	
Environmental and Energy Engineering	Munster Technological University	7	Certificate	Part Time	In person	2 semesters	Cork	
Environmental Engineering	Munster Technological University	7	BEng	Full Time	In person	3 years	Cork	
Interior Architecture	Munster Technological University	7	BSc	Full Time	In person	3 years	Cork	
Interior Architecture	Munster Technological University	8	BSc (Hons)	Full Time	In person	4 years	Cork	
Mechanical & Electrical Quantity Surveying	Munster Technological University	8	Certificate	Part Time	In person	1 semester	Cork	
Mechanical, Electrical and Plumbing - BIM Applications	Munster Technological University	7	Special Purpose Award	Part Time	Online	1 year	Cork	
Quantity Surveying	Munster Technological University	8	BSc (Hons)	Full Time	In person	4 years	Cork	
Quantity Surveying	Munster Technological University	7	BSc	Part Time	In person	1 Semester	Cork	
Science in Construction	Munster Technological University	6	Higher Certificate	Part Time	In person	1 year	Cork	
Science in Construction Project Management	Munster Technological University	9	Postgraduate Diploma	Full Time	In person	2 Semesters	Cork	
Science in Construction Project Management	Munster Technological University	9	Postgraduate Diploma	Part Time	In person	2 Semesters	Cork	
Strategic Building Information Modelling & Management	Munster Technological University	6	Certificate	Full Time	Not stated	1 semester	Online	
Structural Engineering	Munster Technological University	8	BEng (Hons)	Full Time	In person	4 years	Cork	
Structural Engineering	Munster Technological University	9	MEng	Part Time	In person	5 years	Cork	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Engineering (Civil)	National University of Ireland, Galway	8	BEng (Hons)	Full Time	In person	4 years	Galway	
Engineering (Civil)	National University of Ireland, Galway	9	MEng	Full Time	In person	1 year	Galway	
Engineering (Energy Systems)	National University of Ireland, Galway	8	BEng (Hons)	Full Time	In person	4 years	Galway	
Engineering (Energy Systems)	National University of Ireland, Galway	9	MEng	Full Time	In person	1 year	Galway	
Project and Construction Management	National University of Ireland, Galway	8	BSc (Hons)	Full Time	In person	4 years	Galway	
Architectural Technology and Design (Year 1)	Pearse College of Further Education	5	Certificate	Full Time	In person	1 year	Dublin	
Architectural Technology and Design with BIM (Year 2)	Pearse College of Further Education	6	Certificate	Full Time	In person	1 year	Dublin	
Pre-Apprenticeship in Construction and Engineering Technology	Pearse College of Further Education	5	Certificate	Full Time	In person	1 year	Dublin	City of Dublin ETB
PreUniversity Engineering	Pearse College of Further Education	5	Certificate	Full Time	In person	1 year	Dublin	
BIM - The Fundamentals	Royal Institution of Chartered Surveyors (RICS)	6	Certificate	Part Time	Online	30 days	Online	
Certificate in Building Information Modelling	Royal Institution of Chartered Surveyors (RICS)	6	Certificate	Part Time	Online	8 months	Online	
Occupational Health and Safety	Sligo College of Further Education	5	Certificate	Full Time	In person	1 year	Sligo	Mayo, Sligo & Leitrim ETB
Architectural & Building Information Modelling Technology	South East Technological University	8	BSc (Hons)	Full Time	In person	4 years	Waterford	
Architectural Technology	South East Technological University	7	BSc	Full Time	In person	3 years	Waterford	
Architectural Technology	South East Technological University	8	BSc (Hons)	Full Time	In person	4 years	Carlow	
Architectural Technology	South East Technological University	7	BSc	Full Time	In person	3 years	Carlow	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
BIM and Construction Project Management	South East Technological University	9	Certificate	Part Time	Online	1 year	Carlow	
BIM Management	South East Technological University	9	Certificate	Part Time	Not stated	1 year	Carlow	
Civil Engineering	South East Technological University	7	BEng	Full Time	In person	3 years	Carlow	
Civil Engineering	South East Technological University	8	BEng (Hons)	Full Time	In person	4 years	Carlow	
Construction Management	South East Technological University	8	Springboard	Full Time	Blended	1 year	Waterford	
Construction Management	South East Technological University	7	BSc	Full Time	In person	3 years	Carlow	
Construction Management	South East Technological University	8	BSc (Hons)	Full Time	In person	4 years	Carlow	
Construction Management & Engineering	South East Technological University	8	BSc (Hons)	Full Time	In person	4 years	Waterford	
Quantity Surveying	South East Technological University	8	BSc (Hons)	Full Time	In person	4 years	Waterford	
Quantity Surveying	South East Technological University	8	BSc (Hons)	Full Time	In person	4 years	Carlow	
Sustainable Civil Engineering	South East Technological University	8	BEng (Hons)	Full Time	In person	4 years	Waterford	
Sustainable Energy Engineering	South East Technological University	8	BSc	Full Time	In person	4 years	Waterford	
Sustainable Energy Engineering	South East Technological University	9	MSc	Full Time	In person	1 year	Waterford	
Sustainable Energy Engineering	South East Technological University	9	MSc	Part Time	In person	2 years	Waterford	
Revit Architecture	Symetri	6	Certificate	Part Time	Online	5 days	Online	
Revit MEP	Symetri	6	Certificate	Part Time	Online	5 days	Online	
Applied Building Information Modelling and Management	Technological University Dublin	9	MSc	Part Time	In person	2 years	Dublin	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Architectural Technology	Technological University Dublin	8	BSc (Hons)	Full Time	In person	4 years	Dublin	
BIM (Digital Construction)	Technological University Dublin	8	BSc (Hons)	Part Time	In person	1 year	Dublin	
Building Engineering	Technological University Dublin	7	BEng	Full Time	In person	3 years	Dublin	
Building Engineering	Technological University Dublin	8	BEng (Hons)	Full Time	In person	3 years	Dublin	
Civil Engineering	Technological University Dublin	7	BEng Tech	Full Time	In person	3 years	Dublin	
Civil Engineering	Technological University Dublin	8	BEng Tech	Full Time	In person	3 years	Dublin	
Construction Site Management	Technological University Dublin	7	BTech	Part Time	In person	3 years	Dublin	
Construction Technology	Technological University Dublin	6	Higher Certificate	Part Time	In person	3 years	Dublin	
Construction Technology	Technological University Dublin	7	BTech	Part Time	In person	1 year	Dublin	
Electrical Services & Energy Management	Technological University Dublin	8	BSc (Hons)	Full Time	In person	4 years	Dublin	
Engineering Analytics/Digital Construction Analytics	Technological University Dublin	9	MSc	Full Time	In person	1 year	Dublin	
Engineering Reliability Management	Technological University Dublin	7	BEng Tech	Part Time	In person	2 or 4 years	Dublin	
Geospatial Surveying	Technological University Dublin	8	BSc (Hons)	Full Time	In person	4 years	Dublin	
Sustainable Energy Engineering	Technological University Dublin	8	BEng (Hons)	Full Time	In person	4 years	Dublin	
Civil Engineering	Technological University of the Shannon	8	BEng (Hons)	Full Time	In person	4 years	Athlone	
Construction Management	Technological University of the Shannon	8	BSc (Hons)	Full Time	In person	4 years	Athlone	

Course Title/ Hyperlink	Institute Name	NFQ	Certificate	Part Time / Full Time	Delivery	Duration	Location	Affiliation
Quantity Surveying	Technological University of the Shannon	8	BSc (Hons)	Full Time	In person	4 years	Athlone	
Engineering	Trinity College Dublin	8	BAI	Full Time	In person	4 or 5 years	Dublin	
Engineering	Trinity College Dublin	9	MAI	Full Time	In person	1 year	Dublin	
Engineering with Management	Trinity College Dublin	8	BSc (Hons)	Full Time	In person	4 or 5 years	Dublin	
Engineering with Management	Trinity College Dublin	9	MAI	Full Time	In person	1 year	Dublin	
Environmental Science and Engineering	Trinity College Dublin	8	BSc (Hons)	Full Time	In person	5 years	Dublin	
Architecture	University College Cork	8	BSc (Hons)	Full Time	In person	4 years	Cork	
Architecture	University College Cork	9	MSc	Full Time	In person	1 year	Cork	
Civil Structural & Environmental Engineering	University College Cork	8	BE (Hons)	Full Time	In person	4 years	Cork	
Engineering	University College Cork	8	BE (Hons)	Full Time	In person	4 years	Cork	
Architecture	University College Dublin	8	BSc	Full Time	In person	3 years	Dublin	
Building Information Modelling	University College Dublin	7	BSc	Full Time	In person	1 semester	Dublin	
Civil Engineering	University College Dublin	9	ME	Full Time	In person	1 year	Dublin	
Energy Systems Engineering	University College Dublin	9	ME	Full Time	In person	1 year	Dublin	
Engineering	University College Dublin	8	BEng	Full Time	In person	4 years	Dublin	
Mechanical Engineering	University College Dublin	9	ME	Full Time	In person	1 year	Dublin	
Structural Engineering	University College Dublin	9	MEngSc	Part Time	In person	2 years	Dublin	
Structural Engineering	University College Dublin	9	MEngSc	Full Time	In person	1 year	Dublin	
Structural Engineering with Architecture	University College Dublin	8	BSc	Full Time	In person	3 years	Dublin	
Construction Technology	Waterford & Wexford ETB	5	PLC	Full Time	In person	1 year	Waterford	Waterford College of FE
Engineering Technology	Waterford & Wexford ETB	5	PLC	Full Time	In person	1 year	Dungarvan	Dungarvan College
Pre-Apprenticeship Programme - Construction Technology	Waterford & Wexford ETB	5	Certificate	Full Time	In person	1 year	Waterford	Waterford College of FE
