Index of the Savannah Biographies: a collection of unedited biographies written by history students of Armstrong. Composed between 1975 and 1994 for Roger K Warlick's Historical Methods course.

This is a subject index, arranged alphabetically by name of the person/subject of the biography. The index includes the name of the student/biographer and the volume number for the biography. The volume number refers to the 25 bound volumes of the Savannah Biographies housed in the Special Collections of Georgia Southern University Libraries--Lane Library, Florence Powell Minis Room.

Notice subjects of the last two volumes, 24 and 25 are listed separately at the end of the alphabetical list.

Some of the Savannah Biographies have been digitized and are available from the Digital Commons @ Georgia Southern <https://digitalcommons.georgiasouthern.edu/sav-bios-lane/>

Biographies are digitized after receiving permission of the author.
