The Author would like to clarify a statement made in the above article. On page 220, footnote 4 is corrected to:

As the reader would have realised, I am referring to the interventions by Steininger, Nicola and Golia published in this issue, namely S Steininger, ‘Where is the l(ove)? Excavating law and labour in The Redress of Law’, FG Nicola, ‘Failures of comparability in global governance: Exploring the practical dimension of the redress of law’ and A Golia, ‘A Few Practical Things’: The Redress of Law and the Irritation of (Critical) Constitutional Theory.’

The article has been updated to reflect this.
