Senior Thesis Approval Form

Instructions: Choose one of the options below and check the appropriate box(es). Submit this request and accompanying documents to the Office of the Registrar by the thesis submission deadline during the semester in which you complete your thesis. All requests must include an electronic copy of your complete thesis, including the title page. Submit this form AND your senior thesis during the initial submission process to Scholarship@Claremont. **Please note: submissions with no signature(s) from a faculty reader will be immediately removed from the publishing queue.**

Any questions, please email: scholarship@claremont.edu

Student Name (please print): _____

I understand that my Senior Thesis will be displayed in one of four ways:

Open Access: a bibliographic citation with the full-text PDF of the work, made openly accessible by Google Scholar or,

Campus-Only Access: a bibliographic citation (discoverable on Google Scholar), with the full-text PDF of the work, made only available to current staff, students, and faculty at The Claremont Colleges campuses, or

Embargoed: a bibliographic citation (discoverable on Google Scholar) while the full text is uploaded to S@C, it is unavailable during the duration of the embargo period (length options: 6 months, 1 year, or 2 years). **REQUIRED:** indicate embargo period length below

Embargo period length (6 months, 1 year, or 2 years): _____

Thesis cannot be permanently embargoed

Exemption Request: Students requesting an exemption **should not upload** their thesis.
