Keywords:

Iron-based superconductivity
Unconventional superconductivity
Time reversal symmetry breaking
Multiband superconductivity
Electronic disorder

The statement of the author's funding given in the “Acknowledgments” section was incorrect, and should have read: “Research was partially supported by the Department of Energy under Grant No. DE-FG02-05ER46236, and by the National Science Foundation under Grant NSF-DMR-1407502.”

In addition, reference [187] should have read:
