This Article contains an error in Fig. 6. The submitted and peer reviewed versions of this article contain distinct distributions of sub-G1 cells in Fig 6 d, however, one of those distributions was inadvertently duplicated during the production process. Additionally, one of the distributions in Fig 6 d was omitted during the production process.

Corrections & amendments

The correct version of Fig 6 is:

which replaces the previous incorrect version of Fig. 6. The error has been corrected in the PDF or HTML version of the Article.
