Spring Quarter Shuttle Service Incoming!

DePaul will be piloting a free, inter-campus shuttle service for faculty, staff and students this spring quarter between 4-10 p.m., Monday through Thursday. We'd like to know how likely you are to use this service and why: help us out by [completing a very brief, anonymous survey here](#). [Learn more about the pilot program here](#). Survey responses along with actual shuttle usage in the spring will be used to help determine if adjustments need to be made and whether or not DePaul will continue to offer the inter-campus shuttle.
