Interview planning

Hi there! I need some information from you for this online interview. Please fill in all the sections to be able to record your data. As already stated before, your personal information won't be shared publicly unless strictly authorised by you. Please fill in all the sections to be able to record your data.

*Required

1. Full Name? *

2. Age? *

3. Country of origin? *

4. In which institution/company do you work?

Mention if you are a freelancer please. If you don't belong to one please skip this question.

5. Current occupation + area of specialty? *

Any science or nature conservation related occupations in the past? Please also mention them here.

6. Would you participate in my online research interview? *

It consists of a 20 minute online interview that forms part of an interdisciplinary PhD research between science and art. You were recommended by colleagues and chosen as one of my target groups to research, so your participation would be highly appreciated and valuable for my results. NO WRITING or PREPARATORY work needed! :)

Mark only one oval.

- Yes I would like to.
- No, I don't have enough time.

Great! Thank you for wanting to participate

7. Would you agree to participate in a 7 minute online follow-up interview 3 days after the initial interview and another 7 minute online follow-up interview 2 weeks after? *

Mark only one oval.

- Yes
- No
- Maybe

Awesome! Now that you are in for this adventure I only need a few more things from you (please note that this is not the end of the form, please come back to finish the last step)

8. When can you participate in this online interview? (please open the link) *

Remember to come back to finish the form!

- I already sent my possible online interview day. *Skip to question 9*
- I have not filled in my possible online interview day. *Skip to question 17*

Only a few more steps and you are done...

9. House address (at the end of the process you will receive a small gift by mail to your house!). *

If you are not interested in the gift please only tell me in which city you live.

10. Is it possible for you to have a stable internet connection and access to a screen (bigger than a cellphone) for the time of the initial online interview? *

I would be asking for your opinion on what you see on a screen, therefore the bigger the better! Sending the file or doing it on a questionnaire is not possible in this case.
