MAIN TASKS

—As a national library, the Royal Danish Library collects, preserves and provides access to cultural heritage, in both physical and digital form
—As a university library, the Royal Danish Library provides services that support research and education at Aarhus University, the IT University of Copenhagen, the University of Copenhagen and Roskilde University
—As a loan centre for the Danish public libraries, the Royal Danish Library provides service that supplements the public libraries' service offerings to citizens
—As a research institution, Det Kgl. Bibliotek increases knowledge and awareness of the Danish cultural heritage
