Sub: Gazette Notification regarding designation of CITES Scientific Authorities in India- Reg.

India is a Party to the Convention on International Trade in Endangered Species for wild fauna and flora (CITES). Through the amendment of the Wild Life (Protection) Act, 1972 in the year 2022, the provisions of CITES have been incorporated in the Act under Chapter VB.

Section 49F of the Wild Life (Protection) Act, 1972 (as amended in 2022) provides for designation of Scientific Authority for fulfilling the functions under the Convention. The following are the provisions, as contained under Section 49 F of the Act:

1. *The Central Government shall, by notification, designate one or more institutes engaged in research on species as Scientific Authority for the purposes of this Chapter, for fulfilling the functions under the Convention.*
2. *The designated Scientific Authority shall advise the Management Authority in such matters as may be referred to it by the Management Authority.*
3. *The Scientific Authority shall monitor the export permits granted for specimens of species listed in Appendix II of Schedule IV and the actual export of such specimens.*
4. *Whenever a Scientific Authority is of the opinion that the export of specimens of such species requires to be limited in order to maintain that species throughout its range at a level consistent with its role in the ecosystems in which it occurs and well above the level at which that species might become eligible for inclusion in Appendix I of the Convention, it shall advise the Management Authority to take such appropriate measures to limit the grant of export permits for specimens of that species as the Scientific Authority may deem necessary for said purpose.*

In this context, please find enclosed Gazette Notification [S.O. 3548 (E) dated 8th August 2023] regarding designation of CITES Scientific Authorities in India.
