May 1, 2010

The editors of the Mid-Western Educational Researcher announce that we are no longer accepting submissions for the journal, effective May 15, 2010. We are working to prepare the summer issue (the fall conference program), and the fall issue (articles already accepted). Please await an announcement from the new editors regarding when submission acceptance will resume in the fall.

The editors would like to thank everyone for your support throughout our tenure. This is a marvelous journal and an excellent venue for publishing. We encourage everyone to continue their support of the journal as MWERA continues to engage important educational research.

Sincerely,

the Editors,
Mid-Western Educational Researcher
