Learning Objectives

1. Discuss the model of the library as a living collaborative laboratory
2. Explore the relationship between library practice and the Theory of Interdependence
3. Demonstrate the importance of reciprocal interchanges between library practitioners and patrons

Principles of Interdependence Theory

01 Principle of Structure

Purpose/Needs-driven
Supportive & Enabling

03 Principle of Interaction

Repeated Social Interactions,
Patron Service & Deliverables

02 Principle of Transformation

User-Centered beyond physical
point of contact

04 Principle of Adaptation

Service-oriented; User-friendly
Servant Leadership

Interdependence Theory

Principle of Structure

Digital & Open Access

- Equal access to collections, resources, and services
- Remove barriers: any physical, economic, technological constraints
- Address needs of underserved populations & promote inclusivity

Streamlined Processes

- Simplify & streamline processes involved in accessing resources/services
- Reduce unnecessary steps and bureaucracy
- Ease of access to locate and borrow resources

Principle of Structure

University Libraries

Principle of Transformation

Digital Transformation

- Embrace digital technologies to transform services & provide digital access to information/resources
- Digitized collections: online databases, e-books & video content
- Virtual services: Reference assistance, Online Chat & virtual programs

User-Centered Design

- Adopt user-centered design standards to enhance the user experience
- Conduct user research/surveys & gather feedback
- Implementing intuitive search interfaces
- Design services & spaces to align with user preferences & expectations

Principle of Transformation

Principle of Interaction

- Importance of teamwork with patron interaction
- Taking advantage of learning opportunities to enable employee growth and achievement to bring that sense of care and humanity to employee well-being, diversity, and inclusion.
- Leaders can ensure that through personal and social interactions, a system whereby team members can be recognized through merit and accomplishment and they actually feel like they're serving other people and they can see the faces of the people for whom they're creating value.

Principle of Interaction

Principle of Adaptation

Flexible Spaces

- Adapt/Modify physical spaces to be flexible & accommodating
- Create collaborative spaces, quiet study areas, & technology zones
- Adapted spaces - social distancing for pandemic protocols

Community Engagement

- Adapt physical spaces for flexibility to engage, accommodate and encourage fun fellowship and group interaction
- Form partnerships with other campus units and local organizations to provide services that address the specific needs of those communities

Principle of Adaptation

TECH AVAILABLE FOR BORROWING

Popular Equipment

Cables &
Accessories

Calculators

Macbooks &
Accessories

Photography

Tablets

Windows Laptops
& Accessories

Dimensions of Situation Structure

Prosocial Motives -

the desire to protect and promote the wellbeing of others

Self-Interest Motives

Catering to all of our patron types

Dimensions of Situation Structure

Level of Dependence

Process and system
mastery: library training and
team bonding

Mutuality of Dependence

Partnerships, networks, &
cooperative arrangements:
RapidILL & Consortia
agreements.

Dimensions of Situation Structure

Temporal Structure

A patterned organization of time, used by humans and institutions to help them manage, comprehend or coordinate their work.

Information Availability

In terms of structure: time, the roles, the culture, the procedures serve as a guide to the overall modus operandi of the library as an organization.

Interdependence Benefits

- Stimulates entrepreneurship, economic well-being technological advancement
- Promotes standardization, belonging, systemization and unity
- Regulates stewardship, dissemination and conservation of resources
- Helps optimize resources, enhance efficiency and decrease overhead costs
- Supports all 17 (SDGs) goals of the United Nations - Bridge towards a better world
