The instructional and information needs of the University community.

This catalog is provided to acquaint you, the student and faculty with the non-print holdings of the LRC, the audio-visual equipment available for your usage and the procedure for requesting services. You are encouraged to make frequent use of these facilities.

Marion Henry, Director  
Learning Resources Center

## HOW TO RECEIVE SERVICE

The use of audio visual equipment or production services may be requested using the following procedure:

## P R E F A C E

1. Submit your request two (2) days or earlier preceding

The mission of the Learning Resources Center (LRC) is to meet the instructional and information needs of the University community.

This catalog is provided to acquaint you, the student and faculty with the non-print holdings of the LRC, the audio visual equipment available for your usage and the procedure for requesting service. You are encouraged to make frequent use of these facilities.

Dr. Joseph L. Laverett, Coordinator of Audio Visual Services  
 Mrs. Sylvia Williams, Audio Visual Instruction Coordinator  
 Mr. Thomas Deal, Production Coordinator

## GENERAL INFORMATION

1. Operators from the Learning Resources Center will deliver the equipment to the appointed place on the University campus and return the same after use.
2. The Center has two classrooms areas that can seat thirty five (35) persons each which can be used for viewing purposes.
3. The Center has 100 learning centers capable of group instruction or individualized instruction. The 100 learning centers may be used simultaneously or by three (3) groups individually in sizes of forty (40), forty (40), and twenty (20) persons taught by one facilitator or three.
4. The center has thirty six (36) listening stations that are provided exclusively for listening purposes. The facilitator may have the LP, album, or reel tapes or provide their own.
5. Advisory assistance on selection and securing audio visual materials for learning settings is available on request.

Marion Henry, Director

Learning Resources Center

## HOW TO RECEIVE SERVICE

The use of audio visual equipment or production services may be requested using the following procedure.

1. Submit your request two (2) days or earlier preceding the date of use.
2. Provide the following information with your request:
  - a. Type of activity to take place (e.g. filmstrip, slide, motion picture showing, etc.)
  - b. Date, Time, and Place of Use.
  - c. Group size,
3. Call Audio Visual Services (ext. 3027) or visit Audio Visual Services located in the lower level of the W. R. Banks Library. One of the following persons will coordinate your request.

Mr. Ronald Leverett, Coordinator of Audio Visual Services  
(ext. 2325)

Mrs. Marion Williams, Audio Visual Laboratory Coordinator  
(ext. 3027)

Ms. Timmie Neal, Production Coordinator (ext. 3027)

## GENERAL INFORMATION

1. Operators from the Learning Resources Center will deliver the equipment to the appointed place at the requested time and return the same after its use.
2. The Center has two classroom areas that can seat thirty five (35) persons each which can be used for viewing purposes.
3. The Center has 100 learning carrels capable of group instruction or individualized instruction. The 100 learning carrels may be used simultaneously or by three (3) groups individually in sizes of forty (40), forty (40), and twenty (20) persons taught by one facilitator or three.
4. The Center has thirty six (36) listening stations that are provided exclusively for listening purposes. The facilitator may have the learner listen to a cassette, LP, album, or reel tapes or produce their own.
5. Advisory assistance on selection and securing audio visual materials for learning settings is available on request.

## AUDIO VISUAL SERVICES

The Learning Resources Center (LRC) has the following equipment and services for your instructional/learning process.

### EQUIPMENT

|                                  |   |
|----------------------------------|---|
| 16mm Motion Picture Projector    | 33 1/3, 45/ and 78 rpm<br>Record Players      |
| Overhead Transparency Projectors | Tape Recorders (reel to<br>reel and cassette) |
| 2" x 2" Slide Projectors         | Video Tape Recorders (close-<br>circuit TV)   |
| Filmstrip Projectors             | Grade-O-Mat Automatic Test<br>Scoring Machine |
| Opaque Projectors                | 8mm Projectors (reel and<br>cartridge)        |

### PRODUCTION SERVICES

#### Reproduction

Mimeograph Stencil - Ditto - Thermo-Fax - Spirit Master,  
Electronic Stencil, 209 Copies (Xerox)

#### Transparencies

Thermo-Fax Masters (10" x 10")  
Photographic (2" x 2" Slides)

#### Dry Mounting

#### Laminating
