2022-2023 RESEARCH JOURNAL

Prologue*Dr. Michiko Nohara-LeClair*

This issue of the Research Methods Journal contains only two research papers written by two students who worked on their original research projects over two semesters. The journal cover was designed by one of those students, Sydney Beins. Many thanks to Justice Jones, who took on the role of editor for this issue.

Although we no longer offer Advanced Research Methods class due to low enrollment, I hope that our students continue to seek opportunities to conduct independent research. I also hope that this journal continues to serve as an outlet for students' scholarly work moving forward.
